RE: Submission of Voter's Choice Act Election Administration Plan

Dear Ms. Linder,

Congratulations on Stanislaus County's decision to adopt the Voter's Choice Act (VCA) voting model! In accordance with the California Voter's Choice Act, and pursuant to Election Code Section 4005 (a)(10)(I)(i), the Secretary of State must approve, approve with modifications, or reject the voter education and outreach provisions of the election administration plan.

I am writing to inform you that the Secretary of State has approved your election administration plan. Please send the final version to our office in an ADA accessible format, which will be posted on our website.

We commend you for your commitment to the success of the VCA in Stanislaus County and the ongoing communication between our office and yours. Please do not hesitate to contact me with any questions. We look forward to continuing to work with Stanislaus County for the implementation of the VCA.

Sincerely,

- Informing the community about the Clerk-Recorder Office and Elections is an important way for the community to know what we do, why we do it, and how we do it. There are many changes in Elections from all mail elections, vote centers, drop boxes and conditional voter registration to name a few. New laws affect and change processes every year. Engaging the public and empowering them with knowledge regarding the changes in voting is essential to the success of our election process.
