Library Advisory Board seeks youth representative

The Stanislaus County Library Advisory Board seeks applicants for a youth representative. Applicants should be in their freshman or sophomore year of high school and able to serve a two-year term. Applications are due by 5 p.m. on Sept. 29, 2006 and may be obtained by visiting any Stanislaus County Library location or www.stanislauslibrary.org.

“Serving on the Library Advisory Board is a great opportunity for a high school student to gain leadership experience and develop critical thinking skills,” said County Librarian Vanessa Czopek.

The Library Advisory Board provides feedback to the County Librarian and reports to the Stanislaus County Board of Supervisors on issues facing the library. Members of the Library Advisory Board represent all geographic areas of Stanislaus County, as well as interest areas, such as, agriculture, business, education and youth (typically a high school student). The Board meets quarterly. Further details can be found on the library’s web site: www.stanislauslibrary.org.

For more information, please contact Susan Lilly in the Library’s Public Information Office, at 558-4813.
