The Third Light Saber Show at the Modesto Library

Plan on a night of intergalactic fun at the Modesto Library on Wednesday, Nov. 7 at 4 p.m. Participants will have the opportunity to watch the 1983 American epic space film set “A long time ago, in a galaxy far, far away.” In addition to the movie, participants can make origami Yoda, Darth paper, and work on their Imperial Cadet Training. Members of the 501st Legion, Central California Garrison will also be in attendance and in costume! This is a free, family friendly event that will inspire children to read about the characters from one of their favorite science-fiction films.

For more information, please call the Modesto Library Reference desk at 558-7814.
