Stories Around Ryan's Tree at the Modesto Library

Gather around Ryan's Reading Tree at the Modesto Library Jan. 14 – 17 at 3:30 p.m. to listen to the picture book nominees for the California Young Reader Medal. Exciting storytellers will bring these books to life as they read the stories under the tree. After listening to the stories participants will have the opportunity to vote for their favorite! Featured stories are recommended for grades kinder through third, but all ages are welcome. This program allows for children to practice active listening skills and further their interest in reading.

For more information, please call the Modesto Library Children's Department at 558-7810.
