Family Friendly Events at the Modesto Library

If you are looking for family friendly entertainment, plan to visit the Modesto Library during the month of March. Mark your calendars and be sure to experience all that the Modesto Library has to offer this month.

Trombonist Andy Strain will bring his talents to the Modesto Library on March 12 at 6:30 p.m. With the help of the audience, Andy will perform an improvised story, accentuated by the sounds of his trombone. This program is recommended for children ages 6 and up. Audience members are encouraged to bring dinner. Space is limited, therefore advance sign-ups are required. Sign up at the Modesto Library or call (209) 558-7801 to reserve a seat. This Dinner Theater program is sponsored by the Stanislaus County Library Foundation through a grant from Omega Nu.

After Story Time on March 18 and 19, children ages 3 to 7 can participate in a spring flower craft. Children will be able to practice their fine motor skills while creating a cute spring flower. The craft begins at 6:45 p.m. on March 18 and 10:45 a.m. on March 19.

Bring the whole family to Giant Game Day on March 19 at 4:30 p.m. in the Modesto Library Auditorium. Participants will enjoy giant versions of Jenga, bowling, dominos and more! Don't miss out on the enormous fun!

For the tweens and teens in your family, especially those who enjoy the world of video games, the 8 Bit World craft is a must. Visit the library on March 26 to make 8 bit crafts inspired by video games such as Minecraft. These imaginative crafts and activities encourage patience, imagination, and collaboration. The fun starts at 4:30 p.m.
