Build-a-Bot Contest at the Stanislaus County Library

Tap into your creative side this summer! Tweens ages 9 to 12 are invited to build robot statues out of recycled materials to help promote the Stanislaus County Library. Though creative use of materials is encouraged, please do not submit a robot made out of any organic materials that could rot, hazardous materials, or anything with sharp edges. The robots are not required to be functional or have moveable parts. All artists who submit a statue will be entered into a drawing for a prize! The contest runs from May 24 to June 30. For more information, please visit your local library branch or call the library's Children and Teens Department at (209) 558-7810.
