This September, the Nick W. Blom Salida Regional Library will offer a number of fun and informative activities, including classes for adults, crafts for children, and a family movie night!

Children can visit the library during the month of September to help name the library's robot! The winning name will be drawn at random and the winner will receive a prize. Don't forget to bring a camera, as this robot loves to be photographed with children of all ages.

The library will offer a free Dance Exercise class for adults on Mondays at 6 p.m. This class, taught by certified instructors, is a partnership with Sierra Vista Child and Family Services. Participants must complete a waiver. Participants can enjoy this fun activity all month long at the library.
