Free Tech Programs at the Modesto Library

The Modesto Library will offer free instructional programs on the library's eResources this February, beginning with "Tech Connect: Zinio" on Feb. 7 from 1 to 3 p.m. Participants will learn how to access Zinio through the library, a service that offers library customers the ability to stream or download free eMagazines. The library currently offers 51 magazine titles for customers to choose from, with no checkout limits and no due dates.

On Feb. 21 the library will host "Tech Connect: eResources." From 1 to 3 p.m. participants can learn how to access the library's many free eResources, including the 3M Cloud Library (eBooks), Zinio (eMagazines), Hoopla (downloadable audiobooks), and Mango Languages' online language learning program.

Registration is required for these programs as space is limited; please call the Modesto Library Reference Desk at (209) 558-7814 to sign up. Participants are encouraged to bring their devices for hands-on learning. All eResources require the use of a Stanislaus County Library card.

These programs are sponsored by Friends of the Modesto Library. The Modesto Library is located at 1500 I Street in Modesto, with free parking in the lot behind the library and on surrounding streets. For more information, please contact the Modesto Library at (209) 558-7814.
