RE: UCCE Master Gardener Program

Anne Schellman, UCCE Master Gardener Coordinator  
(209) 525-6862, [aschellman@ucanr.edu](mailto:aschellman@ucanr.edu)

Modesto, California – a **Managing Pests in Your Vegetable Garden** class is offered by University of California Cooperative Extension (UCCE) Stanislaus County Master Gardener Program on Thursday, July 18, 2019, from 6:00 p.m. to 7:30 p.m. at the Agricultural Center, Harvest Hall Rooms D&E at 3800 Cornucopia Way, Modesto, CA 95358.

Join us for a class about common pests that plague warm-season vegetable garden crops. Learn how to identify insects, diseases, and weeds and how to control them using less-toxic methods. Ed Perry, retired UCCE Stanislaus County Environmental Horticulture Advisor will teach this class.

Sign up for this FREE class online at <http://ucanr.edu/vegpests2019> or call Anne Schellman at (209) 525-6862 to reserve your space.
