APPROVAL OF AN AGREEMENT WITH THE CALIFORNIA INSTITUTE FOR MENTAL HEALTH TO PROVIDE TECHNICAL ASSISTANCE TO AID CALIFORNIA COUNTIES IN THE IMPLEMENTATION OF CHILDREN'S SYSTEMS OF CARE

Page 2

DISCUSSION: The California Children's System of Care model was developed in 1984 through legislation granting state general funds through the State Department of Mental Health to pilot a new program in child and family services. Initial reports from the pilot county were favorable. As a result, legislation was passed granting funds to enable expansion of the model statewide. In 1992, The Children's Mental Health Services Act combined with federal block grant funding and federal grants added new counties to those already funded for their systems of care.

As of July 1999, 36 counties, including Stanislaus County, have received full system of care grants from the State, and 21 more counties have received partial allocations. California's Children's System of Care now serves more than half of the State's children and families. Stanislaus County's Children's System of Care has grown to five subsystems focusing on services provided to children and families coping with severe emotional disturbances, and over 600 children and families are currently being served.

In 1997, the State Department of Mental Health set aside funds to establish a technical assistance center for counties implementing Children's Systems of Care in the State. A contract was granted to the California Institute for Mental Health, a non-profit public interest corporation, to join the State Department of Mental Health in operating the center. The main focus of the technical assistance center is to provide training, workshops and resource materials to counties serving children with severe emotional disturbances and their families.

Periodically, the State Department of Mental Health allocates funds to counties to facilitate the augmentation of services provided by the California Institute for Mental Health. Stanislaus County received funding from the State Department of Mental Health in the current fiscal year to facilitate technical assistance for all counties throughout the State implementing Children's Systems of Care. In order to accomplish this, Behavioral Health and Recovery Services proposes to contract with the California Institute for Mental Health and the technical assistance center.

Execution of the agreement with the California Institute for Mental Health will ensure that counties throughout the state implementing Children's Systems of Care receive technical assistance, training, consultation and resource materials related to Children's Systems of Care.

**POLICY
ISSUES:**

Approval of the agreement is consistent with the Board of Supervisors priorities of delivering excellent community services, modeling community leadership and ensuring a safe and healthy community.

**STAFFING

It is understood by Contractor that the performance of these services and work will require the Contractor to perform the services and work in conformance with the schedule set forth in Exhibit A, if any, and, if there is no schedule, the hours and times for completion of said services and work are to be set by the Contractor; provided, however, that such schedule is subject to review by and concurrence of the County.

If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to any act or omission by Contractor under this Agreement or the general aggregate limit shall be twice the required occurrence limit.

7.1.2^k Automobile Liability Insurance. If the Contractor or the Contractor's officers, employees, agents, representatives or subcontractors utilize a motor vehicle in performing any of the work or services under this Agreement, owned/non-owned automobile liability insurance providing combined single limits covering bodily injury, property damage and transportation related pollution liability with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence.

7.1.3 Workers' Compensation Insurance. Workers' Compensation insurance as required by the California Labor Code. In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of the work of this Agreement.

7.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. The County, in its sole discretion, may waive the requirement to reduce or eliminate deductibles or self-insured retentions, in which case, the Contractor agrees that it will be responsible for and pay any self-insured retention or deductible and will pay any and all costs, losses, related investigations, claim administration and defense expenses related to or arising out of the Contractor's defense and indemnification obligations as set forth in this Agreement.

7.3 The Contractor shall provide a specific endorsement to all required insurance policies, except Workers' Compensation insurance and Professional Liability insurance, if any, naming the County and its officers, officials and employees as additional named insureds regarding: (a) liability arising from or in connection with the performance or omission to perform any term or condition of this Agreement by or on behalf of the Contractor, including the insured's general supervision of the Contractor; (b) services, products and completed operations of the Contractor; (c) premises owned, occupied or used by the Contractor; and (d) automobiles owned, leased, hired or borrowed by the Contractor. For Workers' Compensation insurance, the insurance carrier shall agree to waive all rights of subrogation against the County and its officers, officials and employees for losses arising from the performance of or the omission to perform any term or condition of this Agreement by the

Contractor.

7.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

7.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

7.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

7.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

7.8 Insurance shall be placed with California admitted insurers (licensed to do business in California) with a current rating by Best's Key Rating Guide acceptable to the County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

7.9 Contractor shall require that all of its subcontractors are subject to the insurance and indemnity requirements stated herein, or shall include all subcontractors as additional named insureds under its insurance policies.

7.10 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance and with original endorsements effecting coverage required by this Agreement, including, without limitation, those effecting coverage for subcontractors of the Contractor. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

7.11 Limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.
