APPROVAL TO RECEIVE AND EXPEND GOVERNORS 15% GRANT FUNDED UNDER THE WORKFORCE INVESTMENT ACT

DISCUSSION: In September 2000, the Governor announced he would release \$20 million in discretionary Workforce Investment Act (WIA) funds for competitive bid proposals for innovative workforce development programs. With direction from the Workforce Investment Board (WIB), DET submitted a proposal to the State on October 31, 2000. In a February 21, 2001, press release, the Governor announced that the Stanislaus County proposal had been awarded funding at 70% of its request, amounting to \$385,000.

Under this proposal, DET, working with the Central Valley Opportunity Center (CVOC) and Modesto Junior College (MJC) will recruit up to 120 limited English or non-English speakers into a new program, <u>Nuevas Opportunidades</u>, which will teach English language skills in conjunction with job skills, primarily in the following occupations:

> General Business/Clerical Automotive Service and Repair Graphic Printer Welding and Industrial Maintenance Cooking Occupations Retail Sales/Cashier Building Trades

In addition, the project offers an innovative approach to traditional ESL Programs by training employers in Spanish as a second language so that they might more successfully integrate limited English speakers into the workforce.

The \$385,000 in Governors Funds received for this program will be supplemented with \$685,000 in Workforce Investment Act (WIA) funds, resulting in \$1,070,000 total funding available for this project.

	Description/Justification For Budget Line Item Adjustments:	G/L # Line Item	Budget Increase or Decrease
1	Add one new Job Developer position at \$13.19 hourly wage for the period from April 1 through September 30, 2002.	5001	\$ 13,000.00
2	Modify fringe charges to appropriate line item categories for all job classes, as the original budget did not specify all fringe benefits by G/L line item number.	5100 5110 5120 5130 5140 5150 5160	1,000.00 1,000.00 700.00 1,500.00 2,000.00 1,000.00 800.00
3	Staff parking was not given a budget amount and DET has been receiving invoice charges for staff parking.	6040	2,000.00
4	Advertising-Recruitment was not given a budget amount and CVOC needed to advertise and recruit for their new job developer position.	6630	1,000.00
5	Supportive Services-Food vouchers were not given a budget amount and DET has received invoice charges for food vouchers.	9100	4,000.00
6	Supportive Services-Rent was not given a budget amount and DET has received invoice charges for rent supportive services.	9103	4,000.00
7	Uniforms and clothing: \$4,000 is being moved from this line item to cover for the supportive services-food voucher expenses.	9106	(4,000.00)
8	Incentive-Non-cash items: \$4,000 is being moved from this line item to cover for the supportive service-rent expenses.	9106	(4,000.00)
9	Equipment was originally not budgeted, but CVOC has requested the purchase of two computers for staff use.	6200	2,000.00
10	CVOC began invoicing their in-house training as In-house Classroom Expense rather than using the ITA format for training expenses. Funds originally budgeted for CVOC ITA's are being moved to CVOC In-House Classroom training.	9601	154,000.00
11	CVOC Occupational Skills Training is not being charged out as ITAs, therefore funds are redistributed as needed in the budget line items.	N/A	(260,000.00)

PAGE 2

DISCUSSION:

The Workforce Investment Act (WIA), which succeeds the Job Training Partnership Act (JTPA), took effect on July 1, 2000. The County Board of Supervisors (BOS) approved and authorized the Board of Supervisors Chairman to sign the Stanislaus County Strategic Five-Year Plan on March 28, 2000. In late June 2000, DET received official notification of State Formula Allocations. On July 11, 2000, DET submitted paperwork to the State to initiate the processing of the WIA sub-grants on behalf of Stanislaus County. The Board of Supervisors must authorize the receipt of WIA funds and designate the responsible funds administrator. DET will serve as fiduciary agent on behalf of the Board of Supervisors in administering these funds. The DET Director will administer the program based on Board approval, in accordance with the provisions of the Local Five-Year Plan.

Approval of the recommendations will allow the DET Director to enter and sign contracts and expend funds in the general administration of the program. DET anticipates that some contracts will be awarded for amounts above \$100,000.

POLICY ISSUES:

Approval will support the Stanislaus County Board of Supervisors' goals and priorities as follows:

ECONOMIC DEVELOPMENT

Approval of the recommendations will have positive long-term effects on economic development in Stanislaus County by promoting activities that provide business expansion opportunities and preparing program participants to be contributing members of the local workforce.

STAFFING IMPACT:

DET anticipates that adoption of the recommendations will have no impact on current staff levels.

Workforce Investment Board Meeting, March 19th, 2001 ACTION ITEM D

TO: STANISLAUS COUNTY WORKFORCE INVESTMENT BOARD

FROM: KIRK LINDSEY, CHAIRMAN

SUBJECT: GOVERNOR'S 15% FUNDS AWARD

Recommendation: Accept Governor's Award of \$385,000 to operate a Vocational English as a Second Language Program in Stanislaus County.

In September 2000, the Governor announced he would release \$20 million of discretionary WIA funds for competitive bid proposals for innovative workforce development programs. In early October, the State Employment Development Department released instructions for submitting a proposal. Based on discussion with the WIB Chairman, the Resource Coordination Committee Chairman and a number of local area One-Stop partners, staff prepared and submitted a program proposal on October 31st, 2000. Under the proposal, DET, working with CVOC and MJC will recruit and train up to 120 limited English or non-English speakers into a vocational ESL program. The following is the executive summary excerpted from the proposal:

Implementation of this proposal will seriously impact the displaced and lowincome non-English-speaking population in Stanislaus County, First, by facilitating vocational English language skills-development we will impact career success for non-English speaking county residents. The proposed project will particularly benefit displaced monolingual agricultural and foodprocessing industry workers. Classroom training will initially focus on "English as a second language" (ESL) skills. Vocational ESL (VESL) training will be enhanced by Work Experience, Limited Internship and On-the-Job Training opportunities to maximize job related language skills development. Secondly, the project offers an innovative addition to traditional ESL training by developing employer capability to successfully integrate and more quickly assimilate monolingual or limited English speakers into the workforce. State 15% funds will leverage additional training and supportive service funds from a variety of sources including: Community Services Block Grant (CSBG), WIA Title I, Seasonal Migrant Farm workers (WIA Section 167)..."

After a rigorous review process, the Governor announced the awardees on February 21st press release. Stanislaus County received 70% of its request, amounting to \$385,000 to operate this workforce development program.

In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of the work of this Agreement.

6.2 <u>Deductibles</u>. Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. The County, in its sole discretion, may waive the requirement to reduce or eliminate deductibles or self-insured retentions, in which case, the Contractor agrees that it will be responsible for and pay any self-insured retention or deductible and will pay any and all costs, losses, related investigations, claim administration and defense expenses related to or arising out of the Contractor's defense and indemnification obligations as set forth in this Agreement.

6.4 <u>Primary & Separate Coverage</u>. The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.10 <u>Insurance Limits</u>. The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors. Contractor's obligation to defend, indemnify and hold the County and its agents, officers and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Agreement for Contractor to procure and maintain a policy of insurance.

7. <u>Defense and Indemnification</u>. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages,

8. <u>Status of Contractor</u>. All acts of Contractor and its officers, employees, agents, representatives, subcontractors relating to the performance of the Agreement, shall be performed as independent contractors and not as agents, officers or employees of County. No agent, officer or employee of the County is to be considered an employee of Contractor. It is understood by both Contractor and County that this Agreement shall not be construed or considered under any circumstances to create an employer-employee relationship or a joint venture.

9. <u>Records and Audit</u>. Contractor shall maintain and keep all writings, documents and records prepared or compiled in connection with the performance of this Agreement for a minimum of four (4) years after the termination or completion of this Agreement. Any authorized representative of County shall have access to any such records writings as defined above for the purposes of making audit, evaluation, excerpts and transcripts during the period such records are to be maintained by Contractor.

Contractor shall not assign or subcontract this Agreement without the express written consent of County. Further, Contractor shall not assign any monies due or to become due under this Agreement without the prior written consent of County.

12. <u>Amendment and Modification</u>. The Agreement may be amended by the mutual written consent of the parties; provided, however, the County may, at any time, without notice to any sureties, by written order designated or indicated to be a "contract modification," make any change in the work to be performed under this Agreement so long as the modified work is within the general scope of work called for by this Agreement, including but not limited to changes in the specifications or in the method, manner or time of performance of work. If the Contractor intends to dispute the change, the Contractor must, within ten (10) days after receipt of a written "contract modification," submit to the County a written statement setting forth the disagreement with the change.

13. <u>Disputes</u>. Any dispute arising under or relating to the terms of the Agreement, or related to performance under the Agreement, shall be decided in writing by the County contract manager. The Contractor shall be furnished a copy of the written decision and the decision shall be final and conclusive unless, within fifteen (15) calendar days from the date of receipt of such copy, the Contractor mails or delivers a written appeal to the Director of the County Department. The decision of the Director, or designee, shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary or so grossly erroneous as necessarily to imply bad faith, or not supported by any substantial evidence. Pending final decision on any dispute, the Contractor shall proceed diligently with the performance of work as directed by the contract

manager unless the Contractor has received a notice of termination.

14. <u>Waiver of Default</u>. Waiver of any default by either party to this Agreement shall not be deemed to be waiver of any subsequent default. Waiver or breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach, and shall not be construed to be a modification of the terms of this Agreement unless this Agreement is modified as provided below.

15. <u>Notice</u>. Any notice or communication regarding Agreement that a party is required or may desire to make shall be in writing and may be personally served or sent by prepaid first class mail to the respective parties at the address set forth on the signature page of this Agreement. Notice is deemed received upon deposit in the mail.

16. <u>Conflicts</u>. Contractor agrees that it has no interest and shall not acquire any interest direct or indirect which would conflict in any manner or degree with the performance of the work and services under this Agreement.

17. <u>Entire Agreement.</u> The Agreement supersedes any and all other agreements, either oral or in writing, between any of the parties and contains all the agreements between the parties with respect to the subject matter of the Agreement. No other agreement, statement or promise not contained in this Agreement shall be valid or binding.

18. <u>Advice of Attorney</u>. Each party warrants and represents that in executing this Agreement, it has received independent legal advice from its attorneys or the opportunity to seek such advice.

19. <u>Construction</u>. Headings or captions to the provisions of this Agreement are solely for the convenience of the parties, are not part of this Agreement, and shall not be used to interpret or determine the validity of this Agreement. Any ambiguity in this Agreement shall not be construed against the drafter, but rather the terms and provisions hereof shall be given a reasonable interpretation as if both parties had in fact drafted this Agreement.

20. <u>Governing Law and Venue</u>. This Agreement shall be deemed to be made under, and shall be governed by and construed in accordance with, the laws of the State of California.
