Page 2

DISCUSSION: In January 2001, the Board of Supervisors approved "in concept" the Welfare Incentive Expenditure Plan presented by the Community Services Agency (CSA). CSA was directed to return to the Board with specific information regarding each program recommendation.

CSA is now requesting Board of Supervisors approval to contract with the Stanislaus County Police Activities League (P.A.L.) for an expansion of their after school programs to serve youth at Las Palmas and Hanshaw schools. \$25,000 will be allocated to each school site (\$12,500 each year for the next two years). The total \$50,000 expansion will be funded with Welfare-to-Work Incentive funds.

A description of the program is outlined below.

TITLE: Stanislaus County Police Activity League After School Program.

The Stanislaus County P.A.L. was founded in 1992 through the efforts of Martin G. Peterson, Superintendent of the Stanislaus County Office of Education and Stanislaus County Sheriff Les Weidman. For over a decade, P.A.L. has provided youth with alternatives to drugs, gangs, and other criminal activity. At present, P.A.L. serves between 5,000 and 10,000 young people each month in the unincorporated areas of the County.

DESCRIPTION: AFTER SCHOOL PROGRAM

The after school program is a drop-in social, recreational, educational and juvenile crime prevention program for young children. The program includes, but is not limited to: arts and crafts, table games, sports, educational activities, tutoring and prevention classes.

TARGET POPULATION:

The target population is children aged 12 – 14 who attend Hanshaw Middle School and children in K through 6th grade who attend Las Palmas school. This funding will provide an opportunity for an additional 40 – 50 children to participate in the after school programs at these school sites.

NEEDS TO BE ADDRESSED:

Studies show that young people are in great need of productive activities during the hours of 3:00 and 6:00 p.m. These are the hours when most criminal activity among youth takes place. This is the also the time when gang related activities, vandalism, teen pregnancy, and burglaries occur. The Stanislaus County P.A.L. addresses juvenile crime problems before they occur by bringing together youth,

parents, school personnel, and law enforcement in a unified front against criminal activity.

EXPECTED OUTCOMES:

This program is consistent with Federal TANF (Temporary Aid to Needy Families) goal #3 – reduction in out of wedlock births. Programs that provide after school activities for school age children are designed to keep kids in school and ultimately lead to a reduction in teen births.

After school programs are one of the recommended programs for funding in the Renaissance 2000 Report. These programs are also consistent with the Board of Supervisor's goal of providing for safe and healthy communities.

NUMBER SERVED: Approximately 40 – 50 additional children each day.

OUTCOMES:

- (1) Decreased incidence of crime
- (2) Decreased drug use
- (3) Improved school attendance/performance
- (4) Reduction in out-of-wedlock births

COST BENEFITS: It is expected that cost savings will be realized by keeping kids in school, reducing out-of-wedlock births, and reducing criminal behavior and gang related activities.

DURATION OF PROGRAM:

Hanshaw's program will begin July 9, 2001 and continue through June 30, 2003. The program will be offered Monday through Friday from 2:00 p.m. to 6:00 p.m. during the school year and 10:00 a.m. to 4:00 p.m. during the summer.

Las Palmas' program will begin July 1, 2001 and continue through June 30, 2003. This program will be offered Monday through Friday from 2:00 p.m. to 6:00 p.m. during the school year and 12:00 to 6:00 p.m. during the summer.

SUSTAINABILITY:

Patterson School District, the Center for Human Services and P.A.L. are currently partners in the Las Palmas After School Program. P.A.L. will work with each of the partners to find a sustainable funding source when this funding allocation is used up.

It is understood by Contractor that the performance of these services and work will require the Contractor to perform the services and work in conformance with the schedule set forth in Exhibit A, if any, and, if there is no schedule, the hours and times for completion of said services and work are to be set by the Contractor; provided, however, that such schedule is subject to review by and concurrence of the County.

5. REQUIRED LICENSES, CERTIFICATES AND PERMITS

Any licenses, certificates or permits required by the federal, state, county or municipal governments for Contractor to provide the services and work described in Exhibit A must be procured by Contractor and be valid at the time Contractor enters into this Agreement. Further, during the term of this Agreement, Contractor must maintain such licenses, certificates and permits in full force and effect. Such licenses, certificates and permits will be procured and maintained in force by Contractor at no expense to the County.

County is not obligated to reimburse or pay Contractor for any expense or cost incurred by Contractor in procuring or maintaining such items. Responsibility for the costs and expenses incurred by Contractor in providing and maintaining such items is the sole responsibility and obligation of Contractor.

7. INSURANCE

7.1 Contractor shall take out, and maintain during the life of this Agreement, insurance policies with coverage at least as broad as follows:

7.1.1 General Liability. Comprehensive general liability insurance covering bodily injury, personal injury, property damage, products and completed operations with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to any act or omission by Contractor under this Agreement or the general aggregate limit shall be twice the required occurrence limit.

7.1.2 Automobile Liability Insurance. If the Contractor or the Contractor's officers, employees, agents, representatives or subcontractors utilize a motor vehicle in performing any of the work or services under this Agreement, owned/non-owned automobile liability insurance providing combined single limits covering bodily injury, property damage and transportation related pollution liability with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence.

In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such

provisions before commencing the performance of the work of this Agreement.

7.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. 7.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

7.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

7.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

7.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

7.8 Insurance shall be placed with California admitted insurers (licensed to do business in California) with a current rating by Best's Key Rating Guide acceptable to the

County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

7.9 Contractor shall require that all of its subcontractors are subject to the insurance and indemnity requirements stated herein, or shall include all subcontractors as additional named insureds under its insurance policies.

7.10 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance and with original endorsements effecting coverage required by this Agreement, including, without limitation, those effecting coverage for subcontractors of the Contractor. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

7.11 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.

8. DEFENSE AND INDEMNIFICATION

8.1 To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by the Contractor or Contractor's officers, employees, agents, representatives or subcontractors and resulting in or attributable to personal injury, death, or damage or destruction to tangible or intangible property, including the loss of use.
