DISCUSSION:

This agenda item is important because it promotes a safe community, a healthy community, and the efficient delivery of public services, serves the public's interest, and fosters pride in our local community. The decision to be made by the Board of Supervisors is to adopt, modify, or reject the May 22, 2008 recommendations of the Nuisance Abatement Hearing Board, as presented in Attachment 1.

The property in question is 6291 Dodds Road, Oakdale, California. The property is zoned A-2-10 (general agriculture district).

The property contains a junkyard, debris, refuse, rubbish, a vehicle storage yard, an occupied recreational vehicle and unlawful land use (construction business).

Should the Board decide to adopt the Nuisance Abatement Hearing Board's recommendations, as detailed in Attachment 1, Nellie Peel, owner(s) of the property, will have to abate the nuisance within two weeks after the Board of Supervisors' decision by complying with the following actions:

1. Removing junk in excess of 200 square feet from the premises.
2. Collecting and disposing of all debris, refuse, and rubbish to an approved location.
3. Removing all but two unregistered, non-operative vehicles from the premises.
4. Immediately vacating the travel trailer(s)/recreational vehicle(s)/camper(s) and returning all water and electrical to its source.
5. Immediately discontinuing the unlawful use (Construction Business).

Note: Items four and five were voluntarily abated prior to the Nuisance Abatement Hearing Board and are currently in compliance. We are requesting the Board of Supervisors make a determination in reference to items one, two and three.

Should the owner(s) fail to comply within that two-week period, the County would proceed with the abatement process through a forced clean-up action, whereby the property will be cleared of all contributing factors to the public nuisance. The cost of the abatement will be charged to the owner(s). If the responsible person(s) fail to pay the cost of abatement, a Notice of Abatement Lien will be recorded against the property.

If the Board adopts the Nuisance Abatement Hearing Board's decision, this public nuisance can be abated in a timely and efficient manner thus providing for a safe and healthy community, allowing the public to take greater pride in the areas they live in and frequent.

POLICY ISSUE:

The Board should decide if it should accept, modify, or reject the written decision as presented in the Decision of Abatement Hearing No. CE06-0735 (Attachment 1). Acceptance of staff's recommendation would be consistent with the Board's priorities of a safe community, a healthy community, and the efficient delivery of public services.

STAFFING IMPACT:

There is no staffing impact associated with this request.
