All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

12. **Program Overview:** The Contractor shall provide transportation with assistance, including escort, to a person who has difficulties (physical or cognitive) using regular vehicular transportation.
13. **Prioritization:** Priority shall be given to those seniors who reside in areas where there is no similar service, and for those who require greater assistance (e.g. they need an escort into a Doctor's office secondary to vision, hearing, or cognitive impairments, etc.). Special trips and grocery shopping may be provided in addition to the transportation service, but only when there are no denials of clients from rural areas or outlying cities for the same day and time requested. Non-priority trips (e.g. shopping, hair appointments, etc.) shall be provided only when volunteer staff are available. The County/AAA vans must always be available for medical appointments and the priority for the rides must be for those clients who live in rural areas or for seniors who require assistance/escort. Priority shall be given to those who live in rural areas with limited transportation options and for those clients who have great difficulty taking public transportation (i.e. transferring between systems or needing an escort) due to a physical, mental and/or health condition.
14. **On-going/long-term appointments:** Seniors that live outside of Turlock and Modesto often need transportation to the Dialysis centers or for on-going physical therapy. Transferring between START and Dial-a ride systems is a cumbersome task for these patients, especially post Dialysis. These longer-term therapies can be on-going over a few months. Although a priority, these long-term, on-going (subscription) rides shall not exceed 50% of the daily ridership.
15. **Denials.** Contractor shall track total number of denials for services, including the name and contact information for those clients that were not provided the service as they requested. The Contractor will be responsible for completing the denial tracking form provided by the AAA, as instructed, and submitting the forms monthly to the AAA with the program service unit reports.
16. **Unmet needs:** It is imperative to measure potential "unmet" needs for senior transportation, so when other funding opportunities arise, then the need for additional staff and or vehicles is substantiated. The Contractor shall document ride denials. The Contractor must document and submit

monthly all service denials, utilizing the "Denial Track Form" provided by the AAA.

17. **Voluntary Contributions.** Each person receiving services will be given free and voluntary opportunity to donate towards the cost of the service. The privacy of each older person with respect to the donation will be protected. All donations will be safeguarded and an accounting will be kept for all contributions received. All contributions will be used for program expenses. No person will be denied services if a donation is not made.
18. **Advertising.** Contractor shall include the phrase "Funded by the Stanislaus County Area Agency on Aging" on any flyers, posters, or printed matter advertising services funded through Title III and Title VII of the Older Americans Act.

ARTICLE II. SCOPE OF WORK

A. The Contractor shall perform the following for Title III and Title VII Programs:

1. In consideration of the timely performance of the Contractor in a manner consistent with the law and this Agreement, including reporting requirements, the AAA shall pay the Contractor the total amount not to exceed Fifty-seven Thousand Six Hundred and Fifty-three Dollars (\$57,653) for Assisted Transportation in consideration for satisfactory performance as determined by the AAA. These funds are to be spent according to the budget contained in Contractor's project grant application approved by the AAA. The AAA shall pay the Contractor monthly after receiving and approving Contractor's monthly cash flow report and request for funds. Contractor agrees to provide a cash/in-kind matching share in the amount of Six Thousand Nine Hundred and Eighteen Dollars (\$6,918).
2. **Route coordination and development:** The Contractor shall have a full time (minimum of 32 hours) transportation coordinator to promote greater utilization of existing transportation services and then to fill the gaps in service with a primarily volunteer driver base.

The Contractor must demonstrate the establishment of routes and ride coordination with existing transit systems.

The transportation coordinator should work closely with the County and City transit providers as well as other volunteer transportation programs to assist seniors in utilizing existing services whenever possible. Those clients that are able to take regular transit or the local Para transit service shall be encouraged to do so and shall be assisted with making those

3. The Contractor must have a dedicated phone line for scheduling trips and/or arranging alternate transportation for the clients.
 4. The program shall support a volunteer core of drivers. A minimum of 5% of the grant funds must be devoted to mileage reimbursement for its volunteers.
 5. Implement the statutory provisions of the Title III and Title VII Programs (OAA, Section 306) in accordance with State and federal laws and regulations. Contractor shall make every effort to meet the goals and objectives stipulated in the Scope of Work, AAA four-year Area Plan and annual updates of the Area Plan's Goals, Objectives, and Service Unit Plan, herein incorporated into this Agreement by reference. Performance shall not be unilaterally reduced or otherwise changed without prior consultation with, and written approval of, the County AAA.
 6. Establish and maintain an organization that shall have the ultimate accountability for funds received from the AAA and for the effective and efficient implementation of the activities as described in the Scope of Work and all pertinent State and federal laws and regulations including data reporting requirements.

1.3 Services and work provided by the Contractor at the County's request under this Agreement will be performed in a timely manner consistent with the requirements and standards established by applicable federal, state and County laws, ordinances, regulations and resolutions, and in accordance with a schedule of work set forth in

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. 6.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.11 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.

7. Defense and Indemnification

7.1 To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by the Contractor or Contractor's officers, employees, agents, representatives or subcontractors and resulting in or attributable to personal injury, death, or damage or destruction to tangible or intangible property, including the loss of

use; provided, however, such indemnification shall not extend to or cover loss, damage or expense arising from the sole negligence or willful misconduct of the County or its agents, officers and employees.

All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the Contractor.

8.5 It is understood and agreed that as an independent Contractor and not an employee of County, the Contractor and the Contractor's officers, employees, agents, representatives or subcontractors do not have any entitlement as a County employee, and do not have the right to act on behalf of the County in any capacity whatsoever as an

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. For Workers' Compensation insurance, the insurance carrier shall agree to waive all rights of subrogation against the County and its officers, officials and employees for losses arising from the performance of or the omission to perform any term or condition of this Agreement by the Contractor.

6.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

6.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

6.8 Insurance shall be placed with California admitted insurers (licensed to do business in California) with a current rating by Best's Key Rating Guide acceptable to the County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

6.9 Contractor shall require that all of its subcontractors are subject to the insurance and indemnity requirements stated herein, or shall include all subcontractors as additional insureds under its insurance policies.

6.10 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance, and with original endorsements, showing coverage required by this Agreement, including, without limitation, those that verify coverage for subcontractors of the Contractor. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.11 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.

7. Defense and Indemnification

7.1 To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by the Contractor or Contractor's officers, employees, agents, representatives or subcontractors and resulting in or attributable to personal injury, death, or damage or destruction to tangible or intangible property, including the loss of

use; provided, however, such indemnification shall not extend to or cover loss, damage or expense arising from the sole negligence or willful misconduct of the County or its agents, officers and employees.
