**DISCUSSION:**

This agenda item is important because it promotes a safe community, a healthy community, and the efficient delivery of public services, serves the public's interest, and fosters pride in our local community. The decision to be made by the Board of Supervisors is to adopt, modify, or reject the June 26, 2008 recommendations of the Nuisance Abatement Hearing Board, as presented in Attachment 1.

The property in question is 2062 Donald Street, Modesto, California. The property is zoned R-2 (medium density residential district).

The property contains a junkyard, debris, refuse, rubbish and an unsecured vacant structure.

Should the Board decide to adopt the Nuisance Abatement Hearing Board's recommendations, as detailed in Attachment 1, CitiMortgage, owner(s) of the property, will have to abate the nuisance within two weeks after the Board of Supervisors' decision by complying with the following actions:

1. Removing junk in excess of 200 square feet from the premises.
2. Collecting and disposing of all debris, refuse, and rubbish to an approved location.
3. Obtaining a building permit from Stanislaus County Planning and Community Development, Building Permits Division, located at 1010 10<sup>th</sup> Street, 3<sup>rd</sup> Floor, Modesto (525-6557) and conforming to the regulations as set forth in §2.93.050 to secure the structure against unauthorized entry. Fencing is required.

NOTE: If the owner, per §2.93.090, fails to correct the violation within the time specified in the Notice and Order to Abate, enforcement action may be taken per §2.92.070. If the structure(s) is/are deemed a nuisance by the Board of Supervisors a request will be made to demolish and remove the nuisance.

Should the owner(s) fail to comply within that two-week period, the County would proceed with the abatement process through a forced clean-up action, whereby the property will be cleared of all contributing factors to the public nuisance. The cost of the abatement will be charged to the owner(s). If the responsible person(s) fail to pay the cost of abatement, a Notice of Abatement Lien will be recorded against the property.

If the Board adopts the Nuisance Abatement Hearing Board's decision, this public nuisance can be abated in a timely and efficient manner thus providing for a safe and healthy community, allowing the public to take greater pride in the areas they live in and frequent.

**POLICY ISSUE:**

The Board should decide if it should accept, modify, or reject the written decision as presented in the Decision of Abatement Hearing No. CE08-0053 (Attachment 1). Acceptance of staff's recommendation would be consistent with the Board's priorities of a safe community, a healthy community, and the efficient delivery of public services.

**STAFFING IMPACT:**

There is no staffing impact associated with this request.

### **DECISION**

**IN RE: 2062 Donald St., Modesto, CA.  
Abatement Hearing No. CE 08-0053**

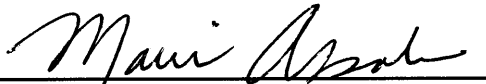

The Nuisance Abatement Hearing Board heard the above-referenced matter on, June 26, 2008. Upon consideration of oral and documentary evidence presented at the hearing, the Nuisance Abatement Board finds and determines as follows:

1. The property located at 2062 Donald St., Modesto, CA, in the unincorporated area of Stanislaus County, California, also identified as Assessor's Parcel Number 037-025-004, is zoned R-2, medium density residential district.
2. County Staff confirmed the existence of and presented evidence of violations of Stanislaus County Codes occurring on the property, as noted in "Attachment A."
3. All owners of record, tenants and others holding interest of record in the Property as identified in the title report. The title report lists CitiMortgage as the owner(s) of record.
4. All interested parties were served a Notice and Order to Abate pursuant to Stanislaus County Code Section 2.92.030, describing the conditions or use of the property that constitutes the violations and ordering abatement of those conditions.
5. County staff has attempted to obtain voluntary compliance by the interested parties, and the interested parties have had significant and reasonable time to correct all violations but have refused and/or failed to meet the deadlines prescribed by Notice.
6. The owners have the legal responsibility for maintenance of the property in conformance with the applicable law, ordinance and rules, including abatement of all violations and compliance with all orders of the County.
7. The interested parties were served proper Notice of Hearing to Abate Nuisance pursuant to Stanislaus County Code Section 2.92.070.
8. Based on the evidence and testimony presented at the hearing, which is incorporated herein by reference, there is substantial evidence that violations of the Stanislaus County Code, as set forth in the staff report for the matter, still exists on the property.
9. Pursuant to Stanislaus County Code Section 2.92.010, the continuing violations that exist on the property constitute a public nuisance.

NOW THEREFORE, the Nuisance Abatement Hearing Board recommends that the Stanislaus County Board of Supervisors:

1. Order the owner and interested parties to abate the nuisance on the property within two weeks from the date of the Board decision by correcting the condition or use of the property as set forth in the staff report on this matter.
2. Authorize the County to abate the nuisance and to charge the costs of the abatement to the County if the Owners or other interested parties do not abate the nuisance within the specified time period.
3. Authorize County staff, pursuant to Stanislaus County Code Section 2.92.070, to dispose of any material, equipment, vehicles or other personal property removed from the property to abate a nuisance in any manner authorized by law, and to charge the costs of disposal to the owners and/or interested parties as part of the cost of abatement.
4. Authorize County staff to charge the owners and/or interested parties for County staff time incurred to investigate through the Abatement Hearing.
5. Order a Notice of Abatement Lien be recorded against the property if the owners and/or interested parties fail to pay the costs demanded by the County.

Dated: June 26, 2008
