Approval of Master Agreement for Professional Services with Aspen Survey Company of Modesto, California for Consulting Engineering and Surveying Services.

**DISCUSSION:**

The Department of Public Works is in the process of completing a backlog of surveys. In order to better facilitate this process, the Department may contract with local surveying and engineering companies. This Agreement with Aspen Survey Company is in anticipation of using their expertise and knowledge in completing this task. The main areas of need include drafting, calculating and producing said surveys in a form of record for the Department.

This agreement with Aspen Survey Company will allow them to participate in these projects. The Department of Public Works currently has Master Agreements with fourteen local engineering and surveying firms. Being a local firm, the Department's Surveyors' Office is familiar with their quality of work and surveying procedures that are compatible with our Surveyors' Office procedures and accuracies.

Additionally, there may also be limited field surveys and verifications to produce clarity for these projects.

**POLICY ISSUES:**

The Board of Supervisors should consider if the recommended action is consistent with its priorities of a well-planned infrastructure system, efficient delivery of public services and effective partnerships within our community.

**STAFFING IMPACT:**

There is no staffing impact associated with this item.

### **Terms and Conditions**

#### **1) Scope of Work**

a) The Consultant shall furnish to the County upon receipt of the County's written authorization to proceed, those services and work set forth in a separately approved scope of work for each project or task being provided by the Consultant, which scope of work, by this reference, is made a part hereof. b) All documents, drawings and written work product prepared or produced by the Consultant under this Agreement, including without limitation electronic data files, are the property of the Consultant; provided, however, the County shall have the right to reproduce, publish and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is

copyrightable, the Consultant may copyright the same, except that, as to any work which is copyrighted by the Consultant, the County reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so. The County shall defend, indemnify and hold harmless the Consultant and its officers, employees, agents, representatives, subcontractors and consultants from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, arising out of or resulting from the County's reuse of the documents and drawings prepared by the Consultant under this Agreement.

c) Services and work provided by the Consultant under this Agreement will be performed in a timely manner in accordance with a schedule of work set forth in the scope of work for each separately approved project. All invoices for services provided shall be forwarded in the same manner and to the same person and address that is provided for service of notices herein.

d) County will not withhold any Federal or State income taxes or Social Security tax from any payments made by County to Consultant under the terms and conditions of this Agreement. Payment of all taxes and other assessments on such sums is the sole responsibility of Consultant. County has no responsibility or liability for payment of Consultant's taxes or assessments.

### 3) Term

a) The term of this Agreement shall be from the date of this Agreement until terminated as provided below. The term for each separately approved scope of work for a project shall begin on the date of approval until completion of the agreed upon services, or as otherwise specified in the approved scope of work.

b) Should either party default in the performance of this Agreement or materially breach any of its provisions, the other party, at that party's option, may terminate this Agreement by giving written notification to the other party.

c) Payment for performance by the Consultant shall be dependent upon the availability of appropriations by the County Board of Supervisors for the purposes of this contract. No legal liability on the part of the County for any payment may arise under this agreement until funds are made available and until the Consultant has received funding availability, which will be confirmed in writing. If funding for any fiscal year is reduced or deleted, or if the County loses funding for any reason, the County, in its sole discretion, shall have the option to either: (a) cause this Agreement to be canceled or terminated pursuant to applicable provisions of the Agreement; or (b) offer to amend the Agreement to reflect the reduced funding for this Agreement.

Licenses, certificates and permits may include but are not limited to driver's licenses, professional licenses or certificates and business licenses. Such licenses, certificates and permits will be procured and maintained in force by Consultant at no expense to the County.
