Approval to Accept a Donation of Two Personal Watercraft and Trailer from Two Private Citizens

DISCUSSION

The Stanislaus County Sheriff's Department was contacted by Rick Donker who wanted to donate two operable 1997 Sea Doo/Bombardier personal watercraft along with a 1997 15 foot Shorelander trailer. The watercraft will be used for general enforcement of the county's recreational waterways such as Modesto and Woodward Reservoir and will provide additional back-up support to the department's existing inventory of personal watercraft. The recreational water season typically runs from Memorial Day to Labor Day.

During this period of operation, the Sheriff's Department utilizes personal watercraft to patrol the reservoirs to enforce state boating laws and county ordinances regulating boating activity. In the past year, the Stanislaus County Sheriff's Department has issued approximately 250 citations at the county's two reservoirs and has assisted in a number of rescues of stranded or injured boaters. The addition of the two personal watercraft will allow the Department to better serve visitors who utilize the county's recreational waterways.

Value Explanations

Prices shown are retail consumer values and to be considered as selling prices. Trade-in and loan values are confidential for our dealers and industry base subscribers. Trade-in values are to be determined by local dealers and are generally lower than values shown.

Suggested List — We have included manufacturers' suggested retail pricing (MSRP) to assist in the financing, insuring and appraising of vessels. The MSRP is the manufacturers' and/or distributors' highest suggested retail price in the U.S.A. when the unit was new. The MSRP is furnished by the manufacturer and/or distributor and are deemed to be correct. Unless indicated, the MSRP does not include destination charges, dealer set-up, state or local taxes, license tags or insurance.

Low Retail Value — A low retail valued trailer will be mechanically functional. The paint, wiring, tires, and/or rollers may require reconditioning. It may have been stored outside in the elements and will require cosmetic or mechanical work. Low retail trailers usually are not found on a dealer's lot. Low Retail should not be considered a trade-in value.

Average Retail Value — An average retail valued trailer should be in good condition with no visible damage or defects. This trailer should be in sound working order. The buyer may need to invest in either minor cosmetic or mechanical work.
