Approval to Amend the Agreement with the Stanislaus County Police Activities League for Special Youth Programs through Fiscal Year 2009-2010 Including the Administration of the Recreation Swim Program at the Regional Water Safety Training Center - Empire Community Pool and Approval to Conduct the Public Dedication Ceremony and Related Actions on June 12, 2009 at 6:00 p.m.

**FISCAL IMPACT:**

(Continued)

The Department of Parks and Recreation will pay the Stanislaus County Police Activities League (SCPAL) a revised amount of \$72,539 in four (4) quarterly payments, beginning July 2009 to provide special youth programs in various unincorporated areas of the County. The funds for the special youth programs will be included in the Department's Proposed Budget for Fiscal Year 2009-2010.

In addition, a new element of this annual contract, is funding up to \$40,000 for the administration of a recreation swim program at the Regional Water Safety Training Center. Payment will be made to the SCPAL on a monthly basis for the new recreation swim program. As part of the Proposed Budget for Fiscal Year 2009-2010, it will be recommended that a separate special revenue fund be created for the ongoing operation and maintenance of the Regional Water Safety Training Center. The total contract amount will not exceed \$330,156.

The Regional Water Safety Training Center - Empire Community Pool project budget is \$2,861,125 and funded by a \$1,000,000 grant from the State of California Urban Parks and Healthy Communities 2002 Resources Bond Act; \$1,000,087 from the Tobacco Tax Fund, previously identified for use on this project; \$496,038 in Public Facility Fees; a \$200,000 grant from the Stewardship Council, and \$165,000 from the community to support the regional aquatic facility and its future operations and program costs. Of the community contribution, \$157,000 has already been received and deposited in the County Treasury with the balance to be collected at a future date and currently held with the Stanislaus Community Foundation. The Regional Water Safety Training Facility - Friends of the Empire Community Pool, formed under the umbrella of the Stanislaus Community Foundation, continues to pursue community fund raising efforts to support the facility. The Department of Parks and Recreation is also actively seeking additional grant funding to make possible additional programs and services. The Regional Water Safety Training Center project will be completed within budget and as scheduled.

In this action, it is recommended that the Board of Supervisors now authorize a public event for the dedication of the Regional Water Safety Training Center - Empire Community Pool. As is the County's practice, appropriate expenses will include invitations, programs, refreshments, mementos, and other minimal expenses associated with the public dedication ceremony. Funds are available within the existing budget for related expenses, which will be minimized given the current economy and budget reductions. In addition, the Friends of the Empire Community Pool will participate financially in the event and plans to utilize the food concession area to conduct a fundraiser during the community celebration. The Friends of the Empire Community Pool will also make available tiles for purchase for the Supporter's Wall that can be painted by families and children during the festivities.

**DISCUSSION:**

**Special Youth Programs**

The Department of Parks and Recreation has partnered with the Stanislaus County Police Activities League (SCPAL) for many years. The contract (Attachment A) was originally entered into on June 30, 1998, with amendments approved annually depending on funding availability.

Approval to Amend the Agreement with the Stanislaus County Police Activities League for Special Youth Programs through Fiscal Year 2009-2010 Including the Administration of the Recreation Swim Program at the Regional Water Safety Training Center - Empire Community Pool and Approval to Conduct the Public Dedication Ceremony and Related Actions on June 12, 2009 at 6:00 p.m.

In Fiscal Year 2008-2009, SCPAL provided programs and activities for community youth at seven (7) Stanislaus County locations--Empire School, Hatch Park (Keyes), Oregon Drive Park (Airport Neighborhood), Crows Landing Bonita Pool, Parklawn Park (South Modesto), Salida Park and United Community Center and Park (Grayson).

SCPAL keeps area youth busy with arts and crafts, presentations, special events and sporting activities. The range of events include participation in Water Ski Day with the Mid Valley Water Ski Club, Snow Play Day, Overnight Camping on the Beach and seasonal activities (i.e. Harvest Festival, Christmas Show). For greater detail on the various SCPAL programs provided in the County, please see Attachment B, which provides location, description of services, hours of operation, enrollment figures, and partner agencies (i.e., school districts, neighborhood groups). These youth activities are extremely important to the community, in that they involve children in various constructive adult supervised activities and therefore, less vulnerable to potentially negative influences arising from unsupervised play.

This amendment to the original agreement will provide for continued youth program services at the seven (7) facilities through June 30, 2010. The SCPAL shall be paid \$72,538 in four (4) quarterly payments beginning in July 2009 for a total of \$290,156. The funds for these special youth programs will be included in the Department of Parks and Recreation Proposed Budget for Fiscal Year 2009-2010 scheduled to be considered by the Board of Supervisors on June 9, 2009. The contract amount reflects a 12% decrease consistent with the Department's Proposed Budget targeted reduction for Fiscal Year 2009-2010.

The amendment also includes a component for the provision of a recreation swim program at the Regional Water Safety Training Center - Empire Community Pool by the SCPAL. Funding not to exceed \$40,000 has been incorporated for the implementation of this program. Specifically, the SCPAL will operate the swimming facility for children and adults from the Empire community and Stanislaus County. The recreation swim program will be offered at a minimal fee of \$1 general admission to any child or adult residing in Stanislaus County. The types of activities envisioned at the regional facility include swimming, swimming lessons, aquatic camp for children, swim team and adult programs. All programs, outside of the recreation swim, will be dependent on the availability of funding.

### **Regional Water Safety Training Center - Empire Community Pool**

On May 20, 2008, the Board of Supervisors awarded the Design-Build Construction Contract for the Regional Water Safety Training Center - Empire Community Pool Project to Diede Construction, Inc. The award of contract, came about 4 years after the Board of Supervisors authorized the submission of a grant, in the amount of \$1 million, to the State of California Urban Parks and Healthy Communities Program for the Empire Community Pool Project. The collaboration with the community of Empire on this project originated after three young brothers, ages 8, 10, and 12 from Empire, tragically drowned in the Tuolumne River in the summer of 2003. This tragic accident caused the community to come together to identify options to prevent this from happening again and provide a safe environment for both children and adults to swim and learn to swim. The concept developed from this effort was to construct a swimming pool that would serve the entire region by providing a safe place for children to learn to swim and have local recreational swim opportunities. The Empire Community Pool has been developed as a Regional Water Safety Training Center to serve County residents in Empire and all the surrounding areas.

Approval to Amend the Agreement with the Stanislaus County Police Activities League for Special Youth Programs through Fiscal Year 2009-2010 Including the Administration of the Recreation Swim Program at the Regional Water Safety Training Center - Empire Community Pool and Approval to Conduct the Public Dedication Ceremony and Related Actions on June 12, 2009 at 6:00 p.m.

The Regional Water Safety Training Center - Empire Community Pool is envisioned as a safe recreational alternative for children and families where supervised swimming and water safety education can be provided as a deterrent to swimming in the areas many dangerous canals and rivers. The approved concept for the project includes a 5-lane 25-yard pool and a 706 square foot recreational spray playground. These aquatic components better achieve and address the needs of the Empire community and region. Furthermore, they enhance the two areas deemed most important to the community--swimming lessons and family recreation.

The 5-lane 25-yard pool is programmed to have stairs along one side of the pool, gradually descending into the water. This is a very good teaching tool for both children and adults learning to swim. The size of the facility has also shown to be a very popular size for both recreational swim and programs. The recreational spray playground will provide much greater interest to all ages and keep pool goers in the facility for longer periods of time. This type of facility has also proven to be very popular with families and teenagers.

The turf area completes a more programmable and functional facility. The Regional Water Safety Training Center - Empire Community Pool is located within the existing Empire Community Park. The pool and park are complimentary in that a parking lot and park restroom structure would augment the pool facilities.

On September 12, 2008, the Stanislaus County Board of Supervisors hosted a groundbreaking ceremony to commemorate the beginning of construction of this community project. Since that time, the Chief Executive Office and the Department of Parks and Recreation have been working with the Diede Construction Team to deliver this project by the scheduled completion date of May 2009. The Diede Construction Team has done an exceptional job in working with County staff and the many partners (Burkett Plastering, Four Seasons Farms, Frantz Wholesale Nursery, Friends of the Empire Pool and many other donors and supporters) involved to deliver the project as anticipated. In collaboration with the Empire community, the public dedication ceremony was scheduled in accordance with the last day of school and to signify the beginning of the summer swim season.

Like the groundbreaking event, County staff is coordinating the public dedication ceremony with the many partners and supporters of this regional aquatic facility. This includes collaboration with the Empire Municipal Advisory Council, Empire Union School District, Regional Water Safety Training Center - Friends of the Empire Community Pool, the Stanislaus County Parks and Recreation Commission and many others. The scheduled date for the public dedication is Friday, June 12, 2009 at 6:00 p.m. The public dedication will include a formal program and ribbon cutting, the unveiling of the dedication plaque and other recognitions, water safety exhibits and education displays, and a community celebration. The public dedication ceremony will also commemorate the beginning of the inaugural swim season at the Regional Water Safety Training Center - Empire Community Pool.

#### **POLICY ISSUE:**

The Board of Supervisors is asked to determine if the recommended actions are consistent with its priorities of striving for the efficient delivery of public services, a safe community, a healthy community, and effective partnerships.
