ACTION AGENDA SUMMARY

DEPT: Environmental Resources

BOARD AGENDA # *B-2

Urgent

Routine

AGENDA DATE January 26, 2010

CEO Concurs with Recommendation YES NO

4/5 Vote Required YES NO

(Information Attached)

SUBJECT:

Approval to Apply for a Waste Tire Clean-up and Amnesty Event Grant from the California Department of Resources Recycling and Recovery for Fiscal Year 2010-2011

STAFF RECOMMENDATIONS:

1. Adopt a Resolution to authorize the Director of the Department of Environmental Resources, or her designee, to apply for a Waste Tire Cleanup and Amnesty Event Grant from the California Department of Resources Recycling and Recovery for Fiscal Year 2010-2011 to Promote the Clean-up and Recycling of Waste Tires.
2. Authorize the submittal of a joint funding request to the California Department of Resources Recycling and Recovery for a Waste Tire Clean-up and Amnesty Event Grant on behalf of the cities of Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock, Waterford, and the unincorporated areas of Stanislaus County.

FISCAL IMPACT:

This grant would provide approximately \$45,494 to reimburse the participating jurisdictions of Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock, Waterford, and the Stanislaus County Department of Environmental Resources for expenses incurred to implement two tire grant programs in Fiscal Year 2010 -2011. The exact amount of the grant is not yet known, and if the grant is awarded, the Department will return to the Board of Supervisors for authorization to accept the grant funds.

BOARD ACTION AS FOLLOWS:

No. 2010-043

On motion of Supervisor O'Brien Seconded by Supervisor DeMartini

and approved by the following vote,

Ayes: Supervisors: O'Brien, Chiesa, Monteith, DeMartini, and Chairman Grover

Noes: Supervisors: None

Excused or Absent: Supervisors: None

Approval to Apply for a Waste Tire Clean-up and Amnesty Event Grant from the California Department of Resources Recycling and Recovery for Fiscal Year 2010-2011

Page 2

DISCUSSION:

California generates almost 39 million waste tires annually. Although nearly three-quarters of all discarded tires are recycled in the State, the remainder poses an annual 10.5-million tire disposal challenge for cities and counties. The illegal disposal or stockpiling of tires in our State is a problem that ranks in the top tier in the nation, creating a large environmental challenge.

The illegal dumping of tires is an ongoing problem in Stanislaus County as well. This occurrence not only presents blight and health concerns, but also obstructs emergency vehicles from driving through the alleys. In addition, there are numerous areas where tires are being dumped in large quantities. Illegally dumped tires present fire hazards, but can also attract mosquitoes and other vectors that can spread disease.

The California Department of Resources Recycling and Recovery (CalRecycle, formerly the California Integrated Waste Management Board) Waste Tire Clean-up and Amnesty Event Grant (TCA-6), was established to address this growing problem of unlawful disposal of waste tires. The funds come from a fee of \$1.75 collected on the retail sale of every new tire sold in California. The CDRRR has allocated \$2 million for competitive grants for Fiscal Year 2010-2011 for this purpose.

On January 6, 2009, the Board of Supervisors approved the request by the Department of Environmental Resources (Department) to apply for the California Integrated Waste Management Board Waste Tire Clean-up and Amnesty Event Grant (TCA-4) and the Department was successful in obtaining this grant. To date, this source of grant funds has successfully recycled over 11,000 waste tires from Stanislaus County residents and roadways.

The Department is requesting authorization to apply for the Waste Tire Clean-up and Amnesty Event Grant TCA-6 funds for the 2010-2011 Fiscal Year, referred to as the Fiscal Year 2009-2010 TCA-6 Grant. The application includes continuing a regional approach for the Tire Amnesty portion of the Grant. For the purposes of this application (Attachment "A"), the region will include the unincorporated areas of Stanislaus County and the cities of Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock and Waterford. Letters of support from these cities are included in the grant application. Stanislaus County has historically taken the lead role in the application for and administration of regional grant applications.

This grant application for the upcoming Fiscal Year will focus on two critical areas: 1) the disposal costs for cleaning up illegally dumped tires in the unincorporated areas through the County's roadside clean-up program; and 2) conducting waste tire amnesty collection events within the participating cities and the County.

Approval to Apply for a Waste Tire Clean-up and Amnesty Event Grant from the California Department of Resources Recycling and Recovery for Fiscal Year 2010-2011

Page 3

The clean-up (disposal) portion of this grant will be used to reimburse the Fink Road Landfill for its cost to recycle the over 3,000 waste tires collected on the County's roadways each year. The tire amnesty portion will reimburse each participating jurisdiction for advertising, labor, and recycling costs associated with holding tire amnesty events. Events will be held in each participating city and three events will be held in various locations throughout the unincorporated area.

The amnesty events will be conducted at either a central drop-off point where individuals will deliver tires, or through the uses of a voucher system. The voucher system would provide residents with a coupon that would allow them to take their tires to a designated local waste transfer station. The County intends to add a voucher program in place of one of the four amnesty events held in the previous grant. Central drop-off points are typically used when events are held in a city or within a particular segment of the unincorporated area. For events that canvass a larger geographic area, a voucher system typically works best.

POLICY ISSUE:

The Board of Supervisors should determine if applying for a Waste Tire Clean-up and Amnesty Event Grant is consistent with the Board's priorities of a safe community, a healthy community, effective partnerships, and the efficient delivery of public services. Such funding would assist the County and the cities within this region in their efforts to safely manage the large number of waste tires generated each year.

STAFFING IMPACTS:

There are no staffing impacts at this time.

THE FOLLOWING RESOLUTION WAS ADOPTED:

Item # *B-2

Approval to Apply for a Waste Tire Clean-up and Amnesty Event Grant from the California Department of Resources Recycling and Recovery for Fiscal Year 2010-2011

WHEREAS, Public Resources Code (PRC) § 40400 et seq., authorizes the Department of Resources Recycling and Recovery (CalRecycle), previously known as the California Integrated Waste Management Board, to administer various Grant Programs in furtherance of the State of California's (State) efforts to reduce, recycle, and reuse solid waste generated in the State thereby preserving landfill capacity and protecting public health and safety and the environment; and

WHEREAS, in furtherance of this authority CalRecycle is required to establish procedures governing the application, awarding, and management of the grants; and

WHEREAS, Grant Application procedures require an Applicant's governing body to authorize by resolution its approval for submittal of the Grant Application(s) identified below, and the designation by job title of the individual authorized to execute all Grant documents on behalf of the Stanislaus County Department of Environmental Resources; and

WHEREAS, if awarded, the Stanislaus County Department of Environmental Resources will enter into a Grant Agreement with CalRecycle for implementation of said Grant(s); and

WHEREAS, the applicant for itself and on behalf of the following participating jurisdictions will enter into an agreement with the State of California for implementation of a regional Waste Tire Clean-up and Amnesty Event program; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors authorizes the submittal of a regional application on behalf of itself and the following participants: Cities of Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock, and Waterford to CalRecycle for the Local Government Waste Tire Clean-up and Amnesty Event Grant Programs, referred to as the Fiscal Year 2009/2010 TCA-6 Grant.

ATTEST: CHRISTINE FERRARO TALLMAN, Clerk
Stanislaus County Board of Supervisors,
State of California

Christine Ferraro

BE IT FURTHER RESOLVED that this authorization is effective on January 26, 2010, through September 30, 2011;

BE IT FURTHER RESOLVED that the Director, or her designee is hereby authorized and empowered to execute in the name of the Stanislaus County Department of Environmental Resources all grant documents, including but not limited to, applications, agreements, amendments and requests for payment necessary to secure grant funds and implement the approved grant project.

WASTE TIRE CLEANUP PROJECT(S) DESCRIPTION

Provide the location, parcel number and a description of each site, which includes proximity to populated areas or sensitive environments, number of tires, proposed method of remediation, and end use. Photographs should also be included. If there are more than 500 tires on private property and the owner is not responsible for the illegal disposal of the tires, then an affidavit for each site must be included with the application. *See Application Guidelines and Instructions for the affidavit form.*

The Stanislaus County Department of Environmental Resources, Landfill Division will utilize current staffing to collect illegally dumped waste tires in the streets, alleys and waterways of the County. The County has no sites containing more than 500 waste tires. Waste tires are scattered throughout the County roadways, alleys and vacant lots. The County cleaned, removed and recycled approximately 3000 waste tires in 2009. Tires that are picked-up by the illegal dumping crews will be transported to the County owned Fink Road landfill which charges a recycling fee of \$1 for each passenger tire and \$5 for each truck tire. Approximately 90% of the 3,000 tires collected each year are passenger tires, 2,700 tires with the remaining 10% being truck tires. Golden By-Products will provide the County with 45-foot trailers as needed to transport the tires. The trailers will be parked at the County operated landfill at 4000 Fink Road, Crows Landing. Staff will utilize an existing County vehicle and equipment in the cleanup process. Based on past history we anticipate collecting approximately 3,500 tires during this grant cycle.

Recycling Costs included in the following landfill fees :

Passenger car & pickup tires: \$1 per tire

Truck tires : \$5 per tire

Based on 3,500 illegally dumped tires:

Passenger/pickup tires 2,700 at \$1 per tire = \$2,700

Truck tires 300 a year at \$5/tire = \$1,500

Total Recycling cost \$4,200

Labor cost:

Current staffing to collect tires: No charge for labor costs

Administrative cost 1.5 hours/month @ \$67.46/hour =\$1,214.28

Supplies: \$50

Total labor/supplies: \$1,264.28

Total Cost: \$5,464

Cost per tire: \$1.54

WASTE TIRE AMNESTY EVENT(S) DESCRIPTION

Provide a description of the amnesty event(s), including the estimated cost per tire for each event (grant amount divided by number of tires to be collected). Please include a quote from a registered waste tire hauler to justify the estimated cost per tire.

City of Hughson

The City of Hughson plans on holding one event, during their annual cleanup day. The collection will be for seven (7) hours. The City will provide 1.5 employees on site during operating hours. The weighted labor rate for the 1.5 employees are \$43.80 with overtime cost of \$459.90

Oversight/Supervision cost is 4 hour @ \$37.28 an hour for a total of \$149.12

The total labor cost is estimated at \$459.90

The total cost for safety equipment, miscellaneous rental items and supplies is \$50

The cost for a 45-foot trailer will be \$1,200. Estimate of 600 waste tires to be collected at the event.

The tire hauling and recycling cost is estimated at \$1200

The total advertising cost is estimated at \$300

The total cost for the event is \$2,159.02

Cost per tire \$3.60

City of Newman

The City of Newman plans on holding two (2) events, one during the Spring and the other in the Fall. Each event will consist of one (1) 45 foot trailer estimated to cost \$1,200 per event. Each event will be held for three days with six (6) hours of operation per day for a total of 18 hours per event. The City will have an employee on site each day during operating hours at the "Weighted Rate" of a Maintenance Worker I which is \$32.68 an hour for a total of \$588.24 per event, total cost being \$1,176.48.

Oversight/Supervision will be provided by the Public Works Supervisor one (1) hour per event at \$55.31 an hour for a total of \$110.62.

The total labor cost is estimated at \$1,176.48

The cost for a 45-foot trailer will be \$1,200. Estimate of 500 waste tires collected at each event.

The tire hauling and recycling cost is estimated at \$2,400

The total advertising cost is estimated at \$500

The total cost for the event is \$4,187.10

Cost per tire \$4.19

City of Oakdale

The City of Oakdale plans on holding two (2) tire amnesty events. Each event will use one (1) 45 foot trailer estimated to cost \$1,200 per event. Each event will be open to residents for seven (7) hours of for a total of 14 hours for both events. The City will have two employees on site handling the tires during each event. The "Weighted Rate" for the two employees are Employee 1 at \$38.79/hour and Employee 2 is 38.08/hour. The oversight and supervision will be provided by an Administrative Analyst with a weighted labor rate of \$46.36.

The two events will require 6 hours of oversight and supervision at a cost of \$278.16

The total labor cost is estimated at \$1,076.18

The cost for a 45-foot trailer will be \$1,200. Estimate of 700 waste tires to be collected at each event.

The tire hauling and recycling cost is estimated at \$3,600

The total advertising cost is estimated at \$1,000

The total cost for the event is \$5,954.34

Cost per tire \$4.26

City of Patterson

The City of Patterson plans on holding one event, during their annual cleanup day. The collection will be for four (6) hours. The City will provide 2 employees on site during operating hours. The weighted labor rate for the 2 tire handing employees is \$26.71 & \$32.14.

Oversight/Supervision cost is 1.5 hours @ \$40.40 per hour for a total of \$60.60

The total labor cost is estimated at \$353.10

The total cost for safety equipment, miscellaneous rental items and supplies is 0

The cost for a 45-foot trailer will be \$1,200. Estimate of 700 waste tires collected at the event.

The tire hauling and recycling cost is estimated at \$1,200

The total advertising cost is estimated at \$450

The total cost for the event is \$2,063.70

Cost per tire \$2.95

City of Riverbank

The City of Riverbank plans on holding two tire amnesty events. The collection will be for seven (7) hours. The City will provide 2 employees on site during operating hours. The weighted labor rate for the 2 employees are \$43.07 & \$40.28. Oversight/Supervision cost is \$63.90 per hour for 7.5 hrs.

The total for supervision and oversight is \$479.25

The total labor cost is estimated at \$1166.90

The total cost for safety equipment, miscellaneous rental items and supplies is \$100

The cost for a 45-foot trailer will be \$1,200. Estimate of 600 waste tires to be collected at each event.

The tire hauling and recycling cost is estimated at \$2,400

The total advertising cost is estimated at \$600

The total cost for the event is \$4,746.15

Cost per tire \$3.96

City of Turlock

The City of Turlock plans on holding one event, during their annual cleanup day. The collection will be for eight (8) hours. The City will use 3 transfer station employees for the 8 hour event. The weighted labor rate for the 3 employees is \$32.76.

Supervision cost is \$32.41 per hour for 2hours for a total of \$64.82.

Administrative cost for 2 hours of a staff services technician @ \$53.59/hour.

The total administrative cost is \$107.18

The total labor cost is estimated at \$786.24

Turlock Scavenger will haul the estimated 700 tires to Golden By-Products for recycling.

The tire hauling and recycling cost is estimated at \$3,000

The total cost for the event is \$3,958.24

Cost per tire \$5.66

City of Waterford

The City of Waterford plans on holding one tire amnesty event. The City will again partner with the County. The collection will be for four (5) hours. The City will provide 2 employees on site during operating hours. The estimated labor hours is 7 hours. The weighted labor rate for the 2 employees is \$27.03 & \$26.78.

The estimated Oversight/Supervision time of 5 hours at a cost of \$45 per hour, for a total of \$225.

The total labor cost is estimated at \$376.67.

The total cost for safety equipment, miscellaneous rental items and supplies is \$50

The cost for a 45-foot trailer will be \$1,200. Estimate of 400 waste tires will be collected at the event.

The tire hauling and recycling cost is estimated at \$1,200

The total advertising cost is estimated at \$250

The total cost for the event is \$2,101.67

Cost per tire \$5.26

County Amnesty Events

The County plans to hold 3 amnesty collection events throughout the unincorporated county area. The County plans to use Golden By-Products for collection and transport to their facility in Ballico, CA.

An estimate of 20 hours will be needed for grant administration and oversight at a cost of \$67.46 per hour for a total of \$1,349. Labor is estimated at 30 hours per event at \$19/hour for a cost of \$570. The total labor costs for the 3 events is \$1,710.

Pilot Voucher Program: The County will begin a waste tire voucher program. The program will allow county residents to bring their tires to the 3 transfer stations or the County landfill on designated days. The program budget \$2,400 will cover the recycling cost of the waste tires. The cost for recycling will be based on either the transfer station or landfill fee schedules or with a contract with Golden By-Products. All tires from this program will be recycled by Golden By-Products Inc. in Ballico, CA.

The total oversight cost is \$1,349

Total labor cost is \$1,710

The total cost for safety equipment, miscellaneous rental items and supplies is \$100

The cost for a 45-foot trailer will be \$1,200. Estimate of 1000 waste tires to be collected at each event. An estimate of 600 waste tires will come from the voucher program.

The tire hauling and recycling cost is estimated at \$7,200

Pilot voucher program recycling cost \$2,400

The total advertising cost is estimated at \$2,100

The total cost for is \$14,859

The estimated total number of waste tires is **3,600.**

The estimated cost per tire is \$4.13

Is there a current Waste Tire Enforcement Grant awarded that covers applicant's jurisdiction? Yes No
