ATTEST: CHRISTINE FERRARO TALLMAN, Clerk

File No. ORD-55-L-12

Approval to Introduce and Waive the First Reading of an Ordinance to Amend Title 11, Chapter 08, Section 110 of the Stanislaus County Code to Repeal Blue Curb Markings on Lapham Drive (South Modesto Area), Atlantic Drive (South Modesto Area) and Magnolia Street (Salida Area)

DISCUSSION:

The Public Works Department establishes handicap parking when authorized by ordinance of the Board of Supervisors. There are currently ten handicap parking spaces established throughout the unincorporated areas of the County. Handicap parking is generally considered based on the residents need. Over time these needs may change or the resident may move to another location. Hence, the established handicap parking need may perish and therefore these handicap-parking locations should be periodically reexamined. In November, 2009, the Department of Public Works surveyed the existing handicap parking zones in the County to reevaluate the need and validity of these special parking zones. The survey showed that three existing handicap parking spaces are no longer necessary. These parking spaces were designated in response to the needs of the then residents more than 20 years ago. These residents have since moved to other locations, therefore the handicap spaces are no longer required. Staff recommends repealing existing handicap parking zones at the following locations:

- **1706 Lapham Drive (South Modesto Area)**
- **1648 Atlantic Drive (South Modesto Area)**
- **4512 Magnolia Street (Salida Area)**

POLICY ISSUES:

The Board of Supervisors should consider if this action is consistent with its priorities of providing a safe community, a healthy community, and a well-planned infrastructure system. California Vehicles Code 22506 requires Board approval to change handicap zones.

STAFFING IMPACT:

There is no staffing impact associated with this item.
