

THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS

ACTION AGENDA SUMMARY

DEPT: Sheriff's Department

BOARD AGENDA # \*B-10

Urgent

Routine

AGENDA DATE April 20, 2010

CEO Concurs with Recommendation YES  NO

4/5 Vote Required YES  NO

(Information Attached)

SUBJECT:

Authorization for the Sheriff to Apply for and Accept California Department of Boating and Waterways Boat Grant Funding

STAFF RECOMMENDATIONS:

1. Approve the submission of an application to the State of California Department of Boating and Waterways (DBW), Boating Safety and Equipment Grant, for funding in the amount of \$80,000 for Fiscal Year 2010/2011, for the Stanislaus County Sheriff's Department Marine Program.
2. Authorize the Sheriff-Coroner to sign and submit the application to the State of California, Department of Boating and Waterways.
3. Authorize the Sheriff-Coroner and Auditor-Controller to accept the funding, if awarded.  
(Continued on Page 2).

FISCAL IMPACT:

The Sheriff's Department is requesting financial aid from the California State Department of Boating and Waterways, Boating Safety and Enforcement Financial Aid Program, for the Marine Unit in the amount of \$80,000 for Fiscal Year 2010/2011. If awarded, the total amount of the grant would be used for the purchase of a heavy aluminum patrol boat. The replacement vessel will be used for Marine Law Enforcement Services in Stanislaus County Waterways, including Woodward and Modesto Reservoirs. The Sheriff's Department will own the boat and will be responsible for the maintenance, upkeep and repair.

BOARD ACTION AS FOLLOWS:

No. 2010-211

On motion of Supervisor O'Brien, Seconded by Supervisor DeMartini

and approved by the following vote,

Ayes: Supervisors: O'Brien, Chiesa, Monteith, DeMartini, and Chairman Grover

Noes: Supervisors: None

Excused or Absent: Supervisors: None

Abstaining: Supervisor: None

1) X Approved as recommended

2) Denied

3) Approved as amended

4) Other:

MOTION:

Christine Ferraro

ATTEST: CHRISTINE FERRARO TALLMAN, Clerk

File No.

Authorization for the Sheriff to Apply for and Accept California Department of Boating and Waterways Boat Grant Funding

**STAFF RECOMMENDATIONS (continued)**

4. Approve the Resolution for the acceptance of the funding and identification of the signing authority for the grant.

**DISCUSSION:**

The State of California, Department of Boating and Waterways (DBW), provides financial aid to local governmental agencies through its Boating Safety and Enforcement Financial Aid Program. Under this program, DBW provides funds that can be utilized for personnel, equipment, operations, and maintenance of equipment. In addition to offsetting personnel costs, the aid can help to replace equipment utilized by the department in marine enforcement and will help to maintain grounds and structures used as part of these operations as well.

The Stanislaus County Sheriff's Department, upon the passage of this agenda item and corresponding resolution, will apply for funds in the amount of \$80,000 from the State of California, Department of Boating and Waterways (DBW) Boating Safety and Equipment Grant, for the Marine Unit. The funds will be used to purchase a new heavy aluminum patrol boat for Marine Law Enforcement Services within Stanislaus County Waterways. A copy of the grant application is attached.

The Stanislaus County Sheriff's Department has lost two boats over the last three years due to age and mechanical failure. Both of these boats were purchased through California Department of Boating and Waterways. The latest boat that was decommissioned was a 1988 Woolridge that was used on a semi-daily basis. This vessel provided over 21 years of service to the county and was retired at the end of the 2009 season due to multiple age related mechanical failures. The second vessel was a 1995 Almar patrol boat which was decommissioned in 2007 due to age. Both of these boats have been returned to the California Department of Boating and Waterways as they were the legal owner. The loss of these two vessels has affected our ability to adequately patrol and enforce the recreational waterways within Stanislaus County.

If the Department of Boating and Waterways awards the grant, \$80,000 will be used for the purchase of a new heavy aluminum patrol boat. Under this program, DBW retains legal title to the boat and Sheriff's Office is responsible for the maintenance, upkeep and repairs of the boat, which will be funded through existing appropriations.

The patrol boats are used on a semi-daily basis to patrol the waterways of Stanislaus County. Every year from May to September, the Sheriff's Department Marine Unit assists stranded boaters, enforces boating laws, and rescues individuals in distress from our waterways. During a brief period last year alone, the Marine Unit assisted over 100 stranded boaters and issued over 623 citations on the water alone. Acceptance of this aid will provide the Sheriff's Department additional funds to purchase a new heavy aluminum patrol vessel to better serve the boaters and swimmers who visit our county waterways every year.

Authorization for the Sheriff to Apply for and Accept California Department of Boating and Waterways Boat Grant Funding

**POLICY ISSUES:**

Approval of this item supports the Boards' priorities of A safe community and Effective partnerships.

**STAFFING IMPACTS:**

Existing staff will provide marine law enforcement services in the new boat.

**CONTACT INFORMATION:**

Deputy Ed Ridenour, Jr, Sheriff's Operations Division, (209) 874-2349.

THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS  
STATE OF CALIFORNIA

Date: April 20, 2010

No. 2010-211

On motion of Supervisor O'Brien and approved by the following vote,  
and approved by the following vote,

Seconded by Supervisor DeMartini

Ayes: Supervisors: O'Brien, Chiesa, Monteith, DeMartini, and Chairman Grover

Noes: Supervisors: None

Excused or Absent: Supervisors: None

Abstaining: Supervisor: None

THE FOLLOWING RESOLUTION WAS ADOPTED:

Item # \*B-10

**IN RE: AUTHORIZATION FOR THE SHERIFF TO APPLY FOR AND ACCEPT CALIFORNIA  
DEPARTMENT OF BOATING AND WATERWAYS BOAT GRANT FUNDING**

WHEREAS, the State of California, Department of Boating and Waterways, Boating Safety and Enforcement (BS&E) Financial Aid Program was established in 1969 by Assembly Bill 1827, which became Section 663.7 of the Harbors and Navigation Code (H&NC) once enacted. Section 6593 of the California Code of Regulations (CCR) was developed in 2002 to further implement this program;

WHEREAS, the purpose of the BS&E Financial Aid Program is to provide State financial aid to local governmental agencies whose waterways have high usage by transient boaters and an insufficient tax base to fully support a boating safety and enforcement program. The program is intended to augment existing local resources for boating safety and enforcement activities and is not intended to fully fund BS&E programs;

WHEREAS, the Marine Unit of the Stanislaus County Sheriff's Department has a critical need for additional funding to support boating and safety enforcement activities;

NOW, THEREFORE, BE IT RESOLVED, that the Stanislaus County Board of Supervisors hereby authorizes the Stanislaus County Sheriff-Coroner to sign the application and financial agreement for financial aid in the amount of \$80,000 to be used for personnel, equipment and other expenses associated with the boating safety and enforcement in the Stanislaus County reservoirs and waterways;

BE IT FURTHER RESOLVED, that the Stanislaus County Board of Supervisors authorizes the Stanislaus County Auditor-Controller to certify the amount of prior year vessel taxes received by the county; and

BE IT FURTHER RESOLVED, that the Stanislaus County Board of Supervisors authorizes the Sheriff-Coroner, or his designee, to sign each reimbursement claim; and

ATTEST: **CHRISTINE FERRARO TALLMAN, Clerk**  
Stanislaus County Board of Supervisors,  
State of California

**IN RE: AUTHORIZATION FOR THE SHERIFF TO APPLY FOR AND ACCEPT  
CALIFORNIA DEPARTMENT OF BOATING AND WATERWAYS BOAT GRANT FUNDING**

BE IT FURTHER RESOLVED, that the Board of Supervisors of the County of Stanislaus, State of California, hereby authorizes the acceptance of funding from the State of California, Department of Boating and Waterways, through the Boating Safety and Enforcement Financial Aid Program.

<b>Boat Tax Revenue</b>	<b>= \$</b>	<b>59,090.05</b>

**Other Revenue:** + \$ 454,960.00

- a. other local revenue sources
- b. any other State funding sources

**TOTAL ANNUAL INCOME** = \$ **514,050.05**

**4. Expenditures for boating safety and enforcement as defined in Section 663.7 (a) of the Harbors and Navigation Code:** - \$ **927,221.00**

**5. Describe your agency's boating safety and enforcement activities:**

The Stanislaus County Sheriff's Department, Special Vehicle Operation Unit (S.V.O.U.) enforces Federal, State, and local laws (with special emphasis on T-14, H&N, CVC, CBL, F&G, Stanislaus County Codes, etc.) as well as conducting vessel inspections, investigations, recoveries, rescues, and searches on all applicable waterways within Stanislaus County. S.V.O.U. will also respond to any jurisdiction requesting Mutual Aid with the approval of Sheriff Adam Christianson and/or the California Office of Emergency Services.

S.V.O.U. is responsible for enforcement & educational boater contacts, public boating safety education, conducting vessel inspections, swift and open water rescues of lost, stranded, and injured persons on all of our county waterways. During the 2009 season, S.V.O.U. members continued to work with and educate the community of Stanislaus County by attending local safety fairs and school events. It is our intent to provide boating education in an effort to reduce vessel collisions, and foster safer boating on the waterways within Stanislaus County.

S.V.O.U. consists of 1 Lieutenant, 1 Sergeant, 4 full-time Deputies, and is supplemented (in overtime) by 30 Reserve and full-time Deputy Sheriff's working both on land and water at the Reservoirs and a 10 person "Dive Team" as needed for Dive Operations and Swift Water Rescues or Flooding. S.V.O.U.'s area of responsibility is at Woodward & Modesto Reservoirs, as well as on the Stanislaus, Tuolumne, and San Joaquin Rivers. S.V.O.U. frequently will assist as needed at Turlock Reservoir (State Parks).

The Stanislaus River in North Eastern Stanislaus County has class 2 through 4 rapids over approximately 4 miles and is a very high recreational use river. Combined mileage for all three Rivers with-in Stanislaus County is approximately 225 miles.

S.V.O.U. and Dive Team members come together to form the Sheriff's Department Swift Water & Flood Rescue Team and all members are certified Swift Water Technicians through "Rescue 3".

Stanislaus County Sheriff's Explorer Post 226 donates hundreds of manpower hours at both Woodward and Modesto Reservoirs, serving as Deck Hands, and assisting in Open Water Rescues, vessel assist, and boater education.

Please refer to Annex "B" for Statistical Information on Waterways, Enforcement, Collisions, and Usage.

**6. Describe your agency's needs for this grant:**

- a. Describe patrol boat in two-foot window (ex., 19'-21')
- b. Describe type of engine and propulsion
- c. Describe trailer
- d. Give estimated cost of above
- e. If you are applying for a grant for misc. equipment, list all items and estimated cost of each (including parts and labor)

**Reservoir/Open Water Vessel & Equipment Request**

**1) PATROL-RESCUE VESSEL:** 20'-22' Aluminum Hull, 496 PFI GM (or approved equal) gas engine with a Hamilton 212 w/turbo jet impeller (or approved equal) water jet propulsion unit. Fully enclosed welded aluminum cabin. Cabin lights, high deck with rails, 3 window walkthrough windshield, sliding side windows, Air glide or pilot suspension front seats, rear bench-to-bed seats & storage, swim/rescue platform with swim step and folding ladder, dual windshield wipers, dual batteries with switch, remote spotlights, rear deck work lights, GPS/Side Scan Sonar & Depth-finder, Marine Radio, permanent or removable transom "t" post (bow and stern), stereo, bow anchor locker, wash-out pump, and stomp grate.

**ENGINE:** GM 496 PFI Fuel Injected V-8 (or approved equal) with Hamilton 212 Turbo Pump (or approved equal).

**TRAILER:** Tandem axle trailer, galvanized, heavy duty winch, and lighting package.

**EQUIPMENT:** Sheriff's Office markings, Kenwood 110 watt law enforcement radio with dual heads.

**Estimated cost of package above \$80,000**

**Your Boating Safety & Enforcement Unit will use this patrol boat/equipment for NLT 60+ hours per week.**

\* All items purchased with funding provided by the Department of Boating and Waterways are for the exclusive use of the BS&E unit.

**7. Describe the recreational boating activity on your waterways:**

Residents and visitors to Stanislaus County have the ability to enjoy three Reservoirs; Woodward Reservoir, Modesto Reservoir, and Turlock Reservoir (Turlock Reservoir is a State Park and S.V.O.U. will assist the State Rangers as needed with enforcement,

rescues, and recoveries) as well as three rivers; the Stanislaus, the Tuolumne, and the San Joaquin. Stanislaus County also services a portion of the Delta Mendota Canal.

**Woodward Reservoir** is located at 14528 26 Mile Road a few miles north of the City of Oakdale off Hwy 120. This regional park offers 3,767 acres of land and 2,900 acres of reservoir for recreation and camping. Facilities include 115 developed campsites, 40 full hook-up campsites, undeveloped camping areas, marina, restrooms, picnic shelter, barbeques, picnic tables, and radio control airplane field.

Recreation opportunities include swimming, fishing, boating, water/jet skiing, waterfowl hunting (with permit), and radio control airplane flying. Annually, the California Department of Fish and Game and local hatcheries restock the fish population at the reservoir. In addition to the traditional rainbow trout, red-ear sunfish, large mouth bass, channel catfish, and blue gill have been planted.

**Modesto Reservoir** is located at 18143 Reservoir Road a few miles east of the City of Waterford off Hwy 132. This regional park offers 3,240 acres of land and 2,800 acres of reservoir for recreation and camping. Facilities include approximately 150 full hook-up campsites, undeveloped camping areas, marina, concessions, restrooms, picnic shelter, barbeques, picnic tables, archery range, and radio control glider airplane field. Recreation opportunities include swimming, fishing, boating, water/jet skiing, waterfowl hunting (with permit).

The MID-VALLEY WATER SKI CLUB holds numerous events at the reservoir throughout the year, such as Disabled Ski Clinics, "Ski-Fun Day for Kids" partnered with the Police Activities League, Polar Bear Day, and tournament competitions.

**Stanislaus River** is one of the largest tributaries of the San Joaquin River. The river is 65 miles (104 km) long and has north, middle and south forks. The Stanislaus River is extensively dammed and diverted producing an ideal flow of water throughout the summer that is perfect for raft float trips. Downstream from New Melones Lake, there is Tulloch Dam, which forms Tulloch Reservoir. There are no major dams below Tulloch, and the Stanislaus eventually meets the San Joaquin River and flows into the Sacramento-San Joaquin River Delta.

There are approximately 9 Parks in Stanislaus County on the Stanislaus River which fall under the U.S. Army Corps of Engineers.

Within Stanislaus County there are several licensed Rafting Guide Companies which offer both guided and unguided tours on the Stanislaus River between Tuolumne County and McHenry Road in Modesto, Ca. as well as numerous individuals & groups who raft unaccompanied and inexperienced. The four miles of rapids above Knights Ferry draw white-water enthusiasts from throughout the world. Experience and professional quality white-water equipment are required as some rapids are classified for teams of experts only. The river below Knights Ferry offers more tranquil boating for less experienced water enthusiasts.

**Tuolumne River** is a tributary of the San Joaquin River, feeding into Stanislaus County from Don Pedro Dam. There are no white-water rapids within Stanislaus County, however, this river has a high use of water and shore based fishermen as well

as hikers, bathers, and floaters. The Tuolumne River has reached severe flood stage on occasion resulting in evacuations by Sheriff's and Fire Swift Water Rescue/Boat Teams.

**San Joaquin River** is approximately 330 miles long with approximately 65 miles within Stanislaus County. The San Joaquin and its eight major tributaries drain about 32,000 square miles (83,000 km<sup>2</sup>) of California's San Joaquin Valley. Water from the river is used to irrigate 1,500 square miles (3,900 km<sup>2</sup>) of highly productive farmland on the east side of the Central Valley. The San Joaquin River has a high use of water and shore based fishermen as well as hikers, bathers, and floaters.

Ranger Richard Gleves, US Army Corps of Engineers - Knights Ferry Office, provided the below listed Stanislaus River usage statistics. Further, private boating on the river includes canoes, kayaks, pool toys, inner tubes, rafts, and small boats. Usage increases as the weather heats up above 90 degrees as well as river mishaps and rescues.

**DEPARTMENT OF BOATING AND WATERWAYS**

2000 Evergreen Street, Suite 100  
SACRAMENTO, CA 95815-3888  
(916) 263-1331

August 31, 2010

Deputy Ed Ridenour  
Stanislaus County Sheriff's Department  
320 E Street  
Waterford CA 95386

**Contract #: 10-204-755**  
**Fiscal Year: 2010/2011**  
**Amount: \$ 80,000.00**  
**Item: Patrol Boat and Trailer**

Dear Deputy Ridenour:

It is our pleasure to inform you that you have been awarded a grant in the amount of \$80,000.00 to replace a patrol boat and trailer.

Enclosed is a complete copy of the Equipment and Operation Contract between the State of California, Department of Boating and Waterways (Department) and the Stanislaus County Sheriff's Department. In addition to the contract, several other documents have been enclosed for signature. For your convenience, areas of concern have been tagged and highlighted. Please read and comply with the following instructions.

**Failure to comply as stated herein will result in your contract being disapproved.**

**PLEASE NOTE: All contracts are pending FY 10/11 State Budget approval. Do not begin bid process or any bid activities related to this contract until you receive a fully executed contract letter.**

If you are replacing a patrol vessel, you must contact the Department of General Services, Office of Fleet Administration Inspector in your region to inspect the above-mentioned vessel to be replaced. Your contract cannot commence until the Department receives the "Equipment Survey Approval OFA-6 form".

1. **Signature and Return:**

Carefully review the Contract and verify your county information. **Please have all tagged and highlighted forms completed, signed and return to this Department.** A copy of the contract will be sent to you after processing. **DO NOT TAKE THE CONTRACT APART.**

2. **Minute Order or Resolution:**

We will also need one (1) certified copy of the Minute Order or Resolution of your Board of Supervisors or City Council authorizing the execution of this Contract. **The Minute Order or Resolution must authorize by name and title the signatory of the Contract and must be stamped with a certified county or city seal.**

3. **Contractor Certification Clauses and Recycling Certification:**

Please have the attached Contractor Certification Clauses form CCC298 and Recycling Certification form completed, signed, and returned to this Department along with the Contract and Minute Order or Resolution. **AGAIN, DO NOT TAKE THE CONTRACT APART.**

4. **Procurement Standards:**

This Contract involves State and/or Federal funds. Please follow the procurement instructions contained in this Contract and exhibits. Please pay special attention to the specific procurement standards regarding advertising **by your department**, adequate purchase descriptions, sealed bids, and public openings. You will be asked to provide, with your written request for reimbursement, **a signed certification that you complied with approved procurement procedures.** Please refer to Articles III and XIII of the Contract.

5. **Approval of Boat Specifications:**

The Contract states that the patrol boat to be purchased must be approved by the Department **prior** to the purchase. **This means that the Department must review and approve your boat specifications and you must receive a letter informing you that the contract has been fully executed before the bid process can begin.** We have enclosed a guideline for specification writing that may be of assistance to you.

***Due to Federal procedural changes, you must now attain a fully executed contract, complete your bid process, obtain a secured purchase order and submit for reimbursement by September 30, 2011. NO EXCEPTIONS.***

If you have any questions, please call me directly at (916) 263-8184.

Sincerely,

  
Corrina Dugger  
Enforcement Unit
