Dear Jeff,

In December 2009, the Stanislaus County Board of Supervisors voted to "exercise the termination notice provisions of the Joint Exercise Powers Agreement with the Counties of Alpine, Amador, Calaveras, and Mariposa to be effective no later than 6/30/2011".

The Mountain-Valley EMS Board of Directors is concerned that there may be some issues that may have preceded this decision of which the Mountain-Valley Board of Directors is not aware. Obviously, the withdrawal of Stanislaus County from the Joint Powers Agreement will have significant impact on the remaining counties.

In the wake of this, I would like to suggest a joint meeting of the Mountain-Valley EMS Board of Directors and the Stanislaus County Board of Supervisors. If this is not possible, then my other suggestion would be a meeting between two members from each Board in which the issues of concern can be discussed.

This issue is extremely important to all of us. Please contact me at 223-6470 at your earliest convenience.

Sincerely,

Louis Boitano  
Chairman,  
MVEMSA Board of Directors
