Approval for the Chief Probation Officer to Apply for and Accept a Juvenile Accountability Block Grant (JABG) from the Corrections Standards Authority (CSA) to Provide Services and Activities to Assist Youthful Offenders in Curbing Their Criminal Behaviors

FISCAL IMPACT: (continued from page 1)

JABG funding has been included as part of the Department's Fiscal Year 2010-2011 proposed budget.

DISCUSSION:

The CSA has made funding available to counties through a Federal Juvenile Accountability Block Grant (JABG) program. This program is intended to promote greater accountability of juveniles in the justice system. The goal is to hold juvenile offenders accountable for their criminal activities and to provide services and activities to assist youthful offenders in curbing their criminal behaviors. Funding levels for local governments are based upon a jurisdiction's crime index and law enforcement expenditures. In Stanislaus County, the funding available is \$32,767. Board approval is required in order to implement the grant award.

To ensure that the funds are used for accountability purposes, funds must be expended within one or more of sixteen purposes stated in the legislation. The Probation Department has proposed expending funds in the following purpose areas:

Purpose Area 1 - Graduated Sanctions: Community Service Program

Under Purpose Area 1, funding in the amount of \$13,700 will be utilized to contract with the United Way to provide a community service program for juvenile offenders. This will provide another option in the graduated sanctions offered juvenile offenders.

Under Purpose Area 1, funding in the amount of \$10,479 will be utilized to contract with Behavioral Interventions to provide electronic monitoring equipment and services for the Probation Department's Alternative Sanctions program. This program provides alternative sanctions to the detention of minors in Juvenile Hall and graduated sanctions offered juvenile offenders.

Purpose Area 11 - Accountability: Alcohol and Other Drugs Treatment Program

Under Purpose Area 11, funding in the amount of \$8,588 will be utilized to contract with the Center for Human Services to provide an Alcohol and Other Drugs (AOD) education program for minors detained in the Stanislaus County Juvenile Hall. AOD services are desperately needed for detained minors as a result of previous program reductions in the Juvenile Hall.

The acceptance of this funding will provide programs that will hold juvenile offenders accountable while working to curb their criminal behavior. The funding will also provide services that allow these offenders to repay the community in which they offended by completing community service hours. These services would not be available without the additional funding made available through the JABG.

Approval for the Chief Probation Officer to Apply for and Accept a Juvenile Accountability Block Grant (JABG) from the Corrections Standards Authority (CSA) to Provide Services and Activities to Assist Youthful Offenders in Curbing Their Criminal Behaviors

POLICY ISSUE:

Board approval to apply for and accept this funding is required by CSA. Utilization of this funding will enhance services and activities to assist youthful offenders in curbing their criminal behaviors; consistent with the Board's stated priorities of A Safe Community, Effective Partnerships, and Efficient Delivery of Public Service.

STAFFING IMPACT:

There are no staffing impacts associated with this agenda item. Existing staff will administer the grant.

Juvenile Accountability Block Grant Program (JABG)

2010/2011
Direct Allocation
Grants Application Packet

Overview of Grant Award

The Juvenile Accountability Block Grants (JABG) Program, administered at the federal level by the Office of Juvenile Justice and Delinquency Prevention (OJJDP), supports state and local efforts to reduce juvenile crime through programs that focus on offender accountability (Public Law 107-273). As the designated state agency for this federally funded program, the Corrections Standards Authority (CSA) will distribute the Federal Fiscal Year 2010 annual allocations to those local jurisdictions meeting the federal funding threshold to receive a direct allocation. The grant year will cover July 1, 2010 through June 30, 2011.

California's State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP), which oversees the use of federal funds administered by CSA, identified five priority areas in their Strategic Plan on which California is to focus its efforts. The five priority areas are Alternatives to Detention, Disproportionate Minority Contact, Evidence-Based Practices, Restorative Justice, and Holistic Approaches to Offender Counsel. The SACJJDP encourages JABG recipients to align the use of their direct allocation with the five priority areas that are identified in the SACJJDP's Strategic Plan.

Application Requirements

Due Date: This application is due to the CSA via e-mail by **June 1, 2010**. A signed, hard copy of the application is to follow, submitted by the applicant via U.S. mail.

Eligible Applicants: Units of local government meeting the minimum federal funding threshold are eligible to apply for the formula-based direct allocation. **Please refer to Appendix A for a listing of eligible units of local government, including the federally determined grant amount for each.** Localities shall designate an implementing agency for the grant project.

Local Advisory Board: Under federal law, a local advisory board must review a Coordinated Enforcement Plan (CEP) outlining how JABG funds will be expended. For the purpose of this grant, this application is the CEP. The board must include, if appropriate, representatives from the police, sheriff and probation departments, district attorney's office, juvenile court, education, social services, a nonprofit and nongovernmental victim advocacy organization, and a nonprofit religious or community group. Grantees may use an existing advisory board with similar membership (e.g., Juvenile Justice Coordinating Council) to meet this requirement.

Local Match: Applicants must assure that they will contribute a cash match of 10% of the total project costs (see Appendix A for required match amounts based on the federal formula). Applicants opting to use JABG funds to construct new and permanent detention facilities must provide a 50% cash match. Matching funds may be either state or local dollars. Federal funds are not an allowable match source.

Eligible Expenditures: Grantees must expend JABG funds for projects that fall within the 17 federally designated program purpose areas, with a focus on juvenile accountability. **Please see Appendix B for information on the JABG program purpose areas and performance measures.** Additionally, the California SACJJDP strongly encourages JABG recipients to align the use of their direct allocation with the five priority areas identified in their strategic plan. **Please see Appendix C for information on how the 17 JABG program purpose areas align with the 5 priority areas of the SACJJDP.**

Disbursement of Grant Funds: Disbursement of grant funds occurs on a reimbursement basis for actual project costs incurred during a reporting period. Grantees must submit invoices online to the CSA on a quarterly basis, within 45 days following the end of the reporting period. Grantees must maintain adequate supporting documentation for all costs, both grant and match, claimed on invoices.

Federal Performance Measure: Federal regulations require JABG grantees to select a program purpose area(s) from the JABG program list and report specific data pertaining to the area(s) identified. Grantees will report data to the CSA on a quarterly basis via progress reports.

Resolution: Applicants must submit a resolution from their governing board (City Council or Board of Supervisors) addressing specific requirements. **Please see Attachment D for a Sample Resolution.** The resolution must be on file with the CSA prior to a finalized grant award agreement.

Waivers: A qualifying unit of local government may waive its right to a direct grant award and request that such unit's funds be awarded to and expended for its benefit by a larger or contiguous unit of local government. **Please see Attachment E for the pertinent waiver documentation.**

Disproportionate Minority Contact Training: To receive federal funding, the state of California is required to demonstrate a good faith effort to address Disproportionate Minority Contact (DMC). DMC refers to the overrepresentation of youth of color who come into contact with the juvenile justice system (at all points, from arrest through confinement) relative to their numbers in the general population. In an effort to comply with this requirement, the CSA has undertaken a number of activities to ensure that California addresses DMC. Accordingly, JABG recipients are invited to attend a one day regional DMC training for project directors and other interested staff which will be provided during the program year.

Viewing direct service for at-risk youth through the DMC lens not only complements the principles of the JABG program but can effectively influence the impact of current interventions. The regional DMC courses will be provided at no cost to attendees and address issues relevant to participants who have received previous training as well as those attending DMC training for the first time. Two trainings will be offered; one for the northern region and one for the southern region. JABG funding may be used to reimburse agencies for travel related expenditures such as mileage, meals, lodging if required, and other per diem costs. Applicants should include these costs in the budget section of this application. Registration information regarding the date, time and location of the regional trainings will be sent to all project directors. Additional information about DMC can be found at http://www.cdcr.ca.gov/Divisions_Boards/CSA/Grants/DMC/Index.html or applicants may contact DMC Coordinator, Shaline Hunter, at 916/322-8081; Shaline.hunter@cdcr.ca.gov.

Complete Application Submittal: A complete application includes the application document, Federal Performance Measures form(s) and governing body's resolution. Additionally, waiver documents are required from any applicant receiving funds waived from another locality.

Progress Reports: Grantees must submit quarterly progress reports, including the mandatory federal data and project progress notes, utilizing the JABG Progress Report form provided on the CSA website www.cdcr.ca.gov/Divisions_Boards/CSA/.

Audit: Grantees must submit an audit of expenditures within 120 days of the end of the grant period. Reasonable and necessary extensions to the timeframe may be granted if requested. Grantees may choose to submit either a program specific audit or a federal single audit.

SECTION II: PROJECT INFORMATION

A. PROJECT DESCRIPTION:

Part I: In the space below #5, provide the following project information:

1. Describe the project(s)/program(s) to be supported with JABG funds.
2. Define project goals and major activities/services.
3. Define the juvenile justice population(s) to be served by the project, including the estimated number of youth.
4. Support the project need with local data/information.
5. Describe staffing, including classification and number of staff required to achieve project goals.

❖ Community Service Program

Stanislaus County developed a community service program with JABG funding during FY 2006/2007. The program has been utilized by probation officers and the juvenile court as a sanction for juvenile offenders. This program provides an opportunity for offenders to repay their community for the damage they have caused by their criminal behavior. It is a goal of the Probation Department to offer a wide array of services in a graduated sanctions model to juvenile offenders. This program has filled an essential gap in services by expanding the options available to juveniles referred for minor offenses or those who would benefit from completing community service hours. 146 referrals have been received during the current grant period. Of those, 75 completed their Court ordered service, 24 were returned to Court or re-referred, and the remaining are pending program completion. Since its inception, the program has accepted 530 referrals from the Probation Department. The program has received compliments from community partners and participants' families as they see the positive outcomes in the minors that have participated in the program. The program participants have developed pride in what they have accomplished and a few have volunteered to continue participation after they have completed their commitment hours.

Stanislaus County Probation will continue to utilize JABG funds to contract with the United Way to continue the community service program for juvenile offenders. This community service program is an effective and efficient way to hold juvenile offenders accountable and reduce juvenile recidivism. The United Way has shown during three years of operation that they can maintain a successful community service program. The goal of this program is to instill in minors a sense of

community and pride in their community. Research has shown that when a person gives back to their community, they are less likely to be involved in future criminal acts. This program provides a lower level of service in the graduated sanctions model to assist the department in working to rehabilitate the minors referred for criminal activity.

❖ Alternatives to Custody Sanctions Program

Alternatives to Custody Programs are designed to offer an alternative sanction to the Probation Department and the Courts for minors that require incarceration in Juvenile Hall. The Electronic Monitoring Program is utilized as a graduated sanctions alternative for probation violators and assists to alleviate overcrowding in the institution by providing supervision of these minors in the community. This program further allows minors to attend school, counseling, and community service work while still providing for a high level of supervision.

Stanislaus County Probation will utilize JABG funds to contract with Behavioral Interventions (BI) to continue to provide Electronic Monitoring as an alternative to detention in juvenile hall for juvenile offenders. This program is an effective way to reinforce juvenile accountability through alternative sanctions while maintaining a higher level of supervision in the community.

❖ Alcohol and Other Drugs Education Program

Alcohol and Other Drug (AOD) treatment programs are effective at curbing criminal behavior and, with the support of the Court, can be effective means to ensure accountability. AOD intervention services for detained juvenile offenders were previously provided by the Stanislaus County Behavioral Health and Recovery Services Department (BHRS). During fiscal year 2008/2009, BHRS was subject to budget reductions that prevented that agency from providing AOD services to the majority of this population. Additional reductions anticipated for 2010/2011 are expected eliminate any remaining AOD services. In order to fulfill this significant unmet need, the Center for Human Services will continue to provide evidence-based AOD treatment groups for minors detained in the Stanislaus County Juvenile Hall. The AOD Youth Treatment Program helps youth conduct a personal assessment of their drug or alcohol use and focus on: learning basic refusal skills, developing a plan for enjoyable drug-free activities, establishing a social network to support their recovery, coping with high-risk situations, goal setting and relapse recovery. The Center for Human Services is a well-established service provider in the Stanislaus County community with an impeccable reputation for serving at-risk and substance-abuse clientele.

The curriculum implemented for 2009/2010 utilizes motivational enhancement and cognitive behavioral therapeutic principles to address adolescent substance abuse problems. 78 detained minors have entered the program, with 36 already successfully completing. The remaining minors are either still participating or were released from custody prior to being eligible for full completion. Upon release from custody, attempts are made to link all participants with community based therapy services. Stanislaus County Probation will continue to utilize JABG funds to continue to contract with the Center for Human Services to facilitate an evidence-based AOD treatment program for detained juvenile offenders. It will be the intent of the Probation Department that this program will assist the department in working to assist minors with substance abuse histories prior to their return to the community.

Part II: Further identify the target population for your program by completing the table below. Place an "X" next to at least one population segment (or "not applicable") in each of the six designated areas. Multiple boxes may be checked in any one area. Each "X" shall indicate the populations, if any, to which the program intends to offer targeted services. Targeted services include any services or approaches **specifically designed** to meet the needs of the population (e.g. gender specific, culturally based, developmentally appropriate services).

B. PROGRAM PURPOSE AREA(S): All funded projects must fall within one or more federally recognized purpose areas established for JABG. Appendix B includes a detailed listing of the 17 program purpose areas from which each applicant must choose. Each separate purpose area identified in this section will require subsequent data reporting on quarterly progress reports to the CSA. Applicants are encouraged to consolidate this portion as much as possible. In the space below, please indicate the selected program purpose area(s) by number and topic, and the federal dollar amount allotted to each. (*Example: #8 Juvenile Drug Courts - \$ 47,189*)

PA 1 – Community Service Program - \$13,700

PA 1 – Alternatives to Custody Sanctions - \$10,479

PA 11 – Alcohol and Other Drugs Program - \$8,588

PRIORITY AREA(S): California's State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP), which oversees the use of federal funds administered by CSA, has identified five priority areas in their Strategic Plan on which California is to focus its efforts. The five priority areas are Alternatives to Detention, Disproportionate Minority Contact, Evidence-Based Practices, Restorative Justice, and Holistic Approaches to Offender Counsel. The SACJJDP strongly encourages JABG recipients to align the use of their direct allocation with the priority areas that are identified in the SACJJDP's Strategic Plan (See Appendix C). An applicant's direct allocation will not be affected if a program propose area is selected that falls outside of the SACJJDP priority focus areas; however, an explanation must be provided that indicates why this exception should be made. In the space below, please indicate the SACJJDP priority area(s) that reflects your selected program purpose area(s) (*Example: # 8 Juvenile Drug Courts – Priority Area: Alternatives to Detention*). If you have selected a program purpose area(s) that falls outside of the SACJJDP priority areas listed on Appendix C, please provide an explanation as to why your agency was unable to utilize JABG funding within the priorities areas identified by the SACJJDP.

C. FEDERAL PERFORMANCE MEASURES: Grantees receiving over \$10,000 must report data to the CSA on mandatory performance measures developed by the OJJDP. The performance indicators for each program purpose area are designed to measure outcomes/outputs during the reporting period. Once a purpose area(s) has been chosen in Section II-B above, applicants are to click the corresponding PDF link(s) below to locate the performance measure grid that identifies the data to be collected and reported. Please note the grid identifies the mandatory measures to be collected in the "Outcomes/Outputs Measures" column and the precise data to be reported in the "Reporting Format" column.

Data to be collected will fall into either one or both of the following categories:

- Direct Service - Defined as an actual service with an individual or group which could take the form of mentoring, counseling, or educational activities. The efforts of these services are defined as prevention, intervention, or rehabilitative.
- System Improvement – Defined as efforts to make desired changes in overall practices, policies or procedures through activities such as hiring personnel, providing training or technical assistance, purchasing equipment/supplies or new information systems, or conducting research.

Grantees must determine which category best describes their project, as this will later determine the data to be collected in the quarterly progress reports.

During the performance of this Agreement, Contractor and its subcontractors shall comply with all Federal statutes relating to nondiscrimination, including but not limited to prohibitions against discrimination on the basis of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, or marital status.

ARTICLE 6. PROJECT ACCESS

The Grantee shall insure that the CSA, or any authorized representative, will have suitable access to the project activities, sites, and staff at all reasonable times during project implementation.

ARTICLE 7. RECORDS

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions that have been taken with respect to the project, in accordance with generally accepted government accounting principles.
- B. The Grantee shall establish separate accounting records and maintain documents, and other evidence sufficient to reflect properly the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project. Source documents include copies of all awards, applications, approved modifications, financial records, and narrative reports.
- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants and contractors.
- D. The Grantee shall maintain documentation for donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the CSA or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

ARTICLE 8. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see *Accounting Standards and Procedures for Counties*, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. Federal Single Audit Act

If the Grantee expends \$500,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Circular No. A-133 requires non-federal entities that meet the expenditure criteria to have either a single or program specific audit conducted for that expenditure year.

B. Interim Audit

The CSA reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the CSA may disallow all or part of the cost of the activity or action determined to be not in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

C. Annual Audit

1. Within 120 calendar days of the Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the CSA. Only Grantees expending \$500,000 or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.
2. Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

ARTICLE 9. CHANGES

- A. Grantee shall immediately advise the CSA of any significant problems or changes arising during the course of the project.
- B. No change or modification in the project will be permitted without prior written approval from the CSA. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program component contained in the approved Grant Proposal. Changes shall not be implemented by the project until authorized by the CSA.
- C. Under no circumstances will any budget line item changes be authorized which would cause the project to exceed the amount of the grant award identified in the Grant Agreement. Further, in no event shall changes be authorized for the indirect costs line item that would result in that line item exceeding five percent (5%) of the grant award.

ARTICLE 10. DISBURSEMENT

The Grantee shall be paid in arrears on invoices submitted to the CSA on the forms or processes determined by the CSA, certifying to the accuracy of the reports in accordance with generally accepted governmental accounting principles and CSA regulations, guidelines, policies, and procedures.

ARTICLE 11. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The CSA may withhold all or any portion of the grant funds provided for by this Grant Agreement in the event that the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of federal funds allocated to the Grantee reaches five percent (5%), the CSA shall withhold that amount as security, to be released to the Grantee upon complying with all grant provisions, including: 1) submittal and approval of the final invoice; 2) submittal and approval of the final progress report; 3) submittal and approval of any additional required reports; and 4) submittal and approval of the final audit.
- C. The CSA will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently discovered to be ineligible, the CSA may either withhold an equal amount from subsequent payments to the Grantee or require repayment of an equal amount to the state by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the CSA's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

ARTICLE 12. TERMINATION

- A. This Grant Agreement may be terminated at any time by the CSA, where it appears that there will be lack of grant funds available to fulfill this Grant Agreement, provided that after such termination, the Grantee shall be entitled to an amount that equals the eligible project costs that have been incurred by the Grantee prior to such termination.
- B. This Grant Agreement may be terminated after the award of the Grant Agreement but prior to completion of the project, by the CSA, upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction by the Grantee includes but is not limited to:
1. Substantial alteration of the scope of the grant project without the prior written approval of the CSA;
 2. Refusal or inability to complete the grant project in a manner consistent with the grant proposal or approved modifications;
 3. Failure to provide the required local match share of the total project costs;
 4. Failure to meet prescribed assurances, commitments, Grant Agreement, record, accounting, auditing, and reporting requirements.
- C. Prior to terminating the Grant Agreement under this provision, the CSA shall provide the Grantee at least 30 days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with Article 13.

ARTICLE 13. DISPUTES

- A. Grantee shall continue with the responsibilities under this Grant Agreement during any dispute.
- B. The Grantee may appeal a CSA staff decision on the basis of alleged misapplication, capricious interpretation of the regulations, policies and procedures, or substantial differences of opinion that may occur concerning the proper application of regulations, policies or procedures.
- C. If the Grantee is dissatisfied with an action of CSA staff, the Grantee may appeal the cause of the dissatisfaction to the Deputy Director in charge of the Corrections Planning and Programs Division of the CSA. Such appeals shall be filed within 30 calendar days of the notification of action with which the Grantee is dissatisfied. The appeal shall be in writing, and:
- state the basis for the dissatisfaction;
 - state the action being requested of the Deputy Director; and,
 - include any documentation related to the cause for dissatisfaction.

- D. The Deputy Director will review the correspondence and related documentation and render a decision on the appeal within 30 calendar days, except in those cases where the Grantee withdraws or abandons the appeal. The procedural time requirement may be waived with the mutual consent of the Grantee and the Deputy Director.
- E. The Deputy Director may render a decision based on the correspondence and related documentation submitted by the Grantee and may consider other relevant sources of information deemed appropriate. The decision of the Deputy Director shall be in writing and shall provide the rationale for the decision.
- F. If the Grantee is dissatisfied with the decision of the Deputy Director, the Grantee may file a request for review by the CSA Executive Director. Such a request shall be filed within 30 calendar days after receipt of the Deputy Director's decision. The requested review shall be in writing, and:
- state the basis for the dissatisfaction;
 - state the action being requested of the Executive Director; and
 - include any correspondence related to the appeal.
- G. The Executive Director, after reviewing the appeal and the correspondence related to the review, may decide the matter on the record or request additional information. After a decision is made by the Executive Director, notice of the decision shall be mailed to the Grantee. The decision of the Executive Director shall be final.

ARTICLE 14. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.
