Hello Rebecca,

I have been busy with work and school and believe you are still waiting for a letter of resignation. Please consider this as my official notice for resigning with the South Modesto Municipal. I have regret that I will be leavening but at this time I feel I have other priorities to meet. In the future when I complete my education and work is reasonable I wish continue participating in the community and putting effort into making a difference. Please accept this letter of resignation and I apologize for not getting it to you sooner. I also wanted to thank everyone for giving me the opportunity to participate as a Mac Member. It was a short term but great experience to see what goes on in the neighborhood and that there are others that are looking to make a difference. I hope to see everyone in the future.

Thanks again,

Jaime Lomeli

P.S. Keep up the good work.
