**DISCUSSION:**

Effective January 1, 1998, the Personal Responsibility and Work Opportunity Reconciliation Act consolidated all former Aid to Families with Dependent Children (AFDC) related Child Care programs into a new three-stage Child Care system to serve current and former recipients of Temporary Aid to Needy Families (TANF). Stage 1 Child Care eligibility begins when the parent enters the TANF assistance program and is working or starting Welfare to Work activities. Stage 1 funding is administered by the California Department of Social Services and is part of the CalWORKs allocation. From Stage 1, eligible families are moved to Stage 2 once they become "stable" – a Child Care provider has been chosen, all paper work has been completed and the recipient is participating in Welfare to Work activities. Stages 2 and 3 Child Care are administered by the California Department of Education (CDE) and are used to assist TANF families transitioning off welfare to remain working and off aid. For Stages 2 and 3, current and former TANF families must be working and meet certain income and child age requirements to qualify. Children must be 13 years or younger unless the child has special needs.

The Community Services Agency receives program contracts from CDE to fund Stages 2 and 3. The Agency administers these Alternative Payment Programs for Child Care and makes payments directly to Child Care providers for eligible families that receive subsidized Child Care services. The Agency submits monthly and quarterly claims to the CDE for reimbursement of funds.

Stage 2 funds will be used for CalWORKs families determined to be "stable" and moved seamlessly from Stage 1 (families will have the same eligibility requirements and should notice no major differences). A family can continue in Stage 2 while participating in Welfare to Work activities, and then up to 24 months after being discontinued from cash assistance. Upon reaching the 24-month time limit, a family will "time-out" (will no longer be eligible for Stage 2 funding) and if sufficient funding is available, will move to Stage 3. As of May 2010, Stage 2 enrollment totaled 1,323 children.

Stage 3 funds will be used for only those families who have reached the 24-month time limit after being discontinued from cash aid. These families can continue in Stage 3 until the set income limit is reached or all children are over 13 years of age. As of May 2010, Stage 3 enrollment totaled 469 children.

The contract stage/type, contract numbers and funding amounts are as follows:

<u>Stage/Type</u>	<u>Contract Number</u>	<u>Contract Amount</u>
2	C2AP - 0069	\$ 6,648,178
3	C3AP - 0067	\$ 1,525,681
	Total Contracts	<u>\$8,173,859</u>

Approval of Fiscal Year 2010-2011 Contract Renewals with the California Department of Education for the Administration of the Child Care and Development Block Grants  
Page 3

Overall, these two contracts, totaling \$8,173,859, will allow the Agency to provide Child Care services to approximately 1,934 children each month. At this time, these contracts provide adequate revenue to maintain projected service levels through Fiscal Year 2010-2011.

Renewal of these CDE contracts for Stage 2 and 3 will provide Child Care services to children whose parents are transitioning off TANF assistance by: 1) seeking employment or enrolling in an employment/training program; 2) employment in either a subsidized or non-subsidized position; or 3) receiving a lump sum diversion payment.

The Agency recommends accepting these two CDE Child Care and Development Alternative Payment contracts effective July 1, 2010 through June 30, 2011.

**POLICY ISSUE:**

Approval of this request supports the Board's priority of Efficient Delivery of Public services by providing Child Care to recipients who work and to low-income families who are at risk of becoming dependent on public assistance.

**STAFFING IMPACT:**

There is no staffing impact associated with this request.
