Approval of Contract Amendment 08-85137 A01 with the State of California Department of Health Care Services for Medi-Cal Administrative Activities (MAA) - Health Services Agency Page 2

FISCAL IMPACT (Continued):

The Health Services Agency (HSA) is estimated to invoice approximately \$900,000 annually. Behavioral Health and Recovery Services (BHRS) is estimated to invoice \$150,000 annually. The Ceres Partnership for Healthy Children and Stanislaus Multi-Cultural Community Health Coalition/West Modesto King Kennedy Neighborhood Collaborative are estimated to invoice \$70,000 each annually. These funds will be passed through HSA to the community-based organizations, less an administrative allowance of 10%. The revenue and appropriations applicable to this contract will be included in the Health Services Agency Budget Years 2011-2012 and 2012-2013 proposed budgets, respectively.

DISCUSSION:

Medi-Cal Administrative Activities (MAA) provides outreach and information to individuals either currently covered by or eligible for Medi-Cal to enroll them into Medi-Cal covered services and to provide them with information on medical providers.

Medi-Cal Administrative Activities (MAA) covers residual administrative activities, which are not paid by regular Medi-Cal fee for service reimbursements. The program, under the Center for Medicare and Medicaid Services, brings in additional federal dollars to help cover the costs of outreach, providing information, program planning and other administrative activities.

Under Title XIX of the Social Security Act, the Department of Health Care Services develops a State Plan which identifies the local governmental agency eligible to participate in this claiming plan. The plan defines the target population, case manager and provider qualifications to be reimbursed for services provided to specific target populations. The Health Services Agency is the locally authorized governmental agencies participating in Medi-Cal Administrative Activities programs.

POLICY ISSUES:

Board of Supervisor approval of this contract supports the Board's priorities of A Healthy Community and Effective Partnerships, as it will enable federal reimbursements for healthcare related outreach services to our community.

STAFFING IMPACT:

There is no staffing impact associated with this request.
