Approval and Authorization for the Agricultural Commissioner to Sign the Fiscal Year 2011-2012 Cantaloupe Surveillance Contract with the California Cantaloupe Advisory Board

DISCUSSION:

<u>Cantaloupe Surveillance</u> (California Cantaloupe Advisory Board)

The contract between the California Cantaloupe Advisory Board and Stanislaus County funds a long-standing partnership, of over 10 years, which provides for surveillance of cantaloupe fields in Stanislaus County. Through this annual agreement, Stanislaus County expends up to 160 hours of agricultural inspection time for spot checking fields, flea markets, and swap meets for "gunny sacking" activities. "Gunny sacking" refers to the practice where cantaloupes are taken directly from the production field and resold at local outlets or markets. Inspectors check the cantaloupes at these locations for appropriate markings which ensure the production location and harvest date. The 2011 cantaloupe "season" runs from July through October. This contract allows for needed regular and overtime weighted hourly costs and includes mileage and necessary supplies. The total contract amount is \$12,900.

POLICY ISSUE:

The recommended action is consistent with the Board Priorities of Effective Partnerships and A Strong Agricultural Economy/Heritage. The partnership and contract with the California Cantaloupe Advisory Board provides funding to preserve a healthy and competitive market place for local cantaloupe producers.

The provision under this indemnification, however, shall only apply in proportion to and to the extent of such negligent or intentional acts or omissions.
- 2. The Contractor, and the agents and employees of Contractor, in the performance of this agreement, shall act in an independent capacity and not as officers or employees or agents of the Board.
- 3. The Board may terminate this agreement and be relieved of the payment of any consideration to Contractor should Contractor fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination the Board may proceed with the work in any manner deemed proper by the Board. The cost to the Board shall be deducted from any sum due the Contractor under this agreement, and the balance, if any, shall be paid to Contractor upon demand.
- 4. Without written consent of the Board, this agreement is not assignable by Contractor either in whole or in part.
- 5. No alteration or variation of the terms of this contact shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein, shall be binding on any of the parties hereto.
- 6. The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor's expenses incurred in the performance hereof, including travel and per diem, unless otherwise expressly so provided.
- 7. During the performance of this contract, Contractor and its subcontractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age (over 40), or sex. Contractors and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination. Contractors and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations Title 2, Section 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990, set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this contract by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

This Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the contract.

Failure to Comply "It is hereby mutually agreed that by signing this agreement, Contractor does swear under penalty of perjury, that no more than one (1) final unappealable finding of contempt of court by a Federal court has been issued against Contractor within the immediately preceding two-year period because of the Contractor's failure to comply with an order of a Federal court which orders the Contractor to comply with an order of the National Labor Relations Board (Public Contract Code Section 10296)."
- 9. It is mutually agreed that the Contractor shall be subject to examination and audit of the State of California for a period of three years after final payment under this agreement (Government Code Section 10532). The examination and audit shall be confined to those matters connected with the performance of this contract including but not limited to the cost of administering the contract.
- 10. It is mutually agreed that if the Board's budget authority is repealed by the Legislature in the current year and/or any subsequent years covered under this agreement, this contract shall be of no further force and effect. In this event, the Board shall have no liability to pay any funds whatsoever to the Contractor or to furnish any other considerations under this contract and the Contractor shall not be obligated to perform any provisions of this contract.

Contract: STA-11 Page 3

1. Contractor agrees to perform surveillance services in accordance with the County of Stanislaus proposal attached hereto as Exhibit "A" which is hereby incorporated by references herein. The contract and proposal are projected to cover the 2011 Cantaloupe Marketing Season in Stanislaus County from June 1, 2011 through October 31, 2011.

- 2. Board agrees to pay Contractor up to \$12,900 for the herein described program, payable upon receipt of itemized invoices, which may be submitted at the end of each month, at the end of the season, or at the end of the contract period.
- 3. It is hereby mutually agreed that should the 2011 cantaloupe crop in the County of Stanislaus be severely cut back by the lack of irrigation water, the Board will have the option of asking the County's surveillance efforts to be cut back proportionately, resulting in a lower cost to the Board.
- 4. Upon completion of the contract period, the Contractor shall furnish the Board with a written report of the contracted work and an evaluation of the accomplishments during the season.
