## Approval to Set a Public Hearing for June 28, 2011, at 9:05 a.m., to Consider Adjustments to Stanislaus County Franchise Maximum Rates for Solid Waste Collection Services

### FISCAL IMPACT (Continued):

Proposed franchise drop-box haul charge adjustments range from a 1.94% increase to a 2.97% increase.

### DISCUSSION:

The unincorporated portions of Stanislaus County are divided into four separate franchise refuse hauling areas (Franchise Areas), each of which contain a mix of residential, commercial, and drop box customers (Attachment C). These four Franchise Areas contain the following residential communities: Area 1 – Salida, Keyes, Crows Landing, Grayson, and Westley; Area 2: Knights Ferry and Valley Home; Area 3: Denair, Empire, Hickman, and La Grange; and Area 4: (none, the unincorporated areas are primarily pockets within the City of Turlock). In exchange for a franchise fee, the hauler receives the exclusive right to the residential and commercial accounts within their respective area, while Stanislaus County retains the ability to regulate the haulers and set the maximum rates that can be charged. In addition, the Board of Supervisors also sets the franchise maximum haul rates for drop box customers.

#### Franchise Areas 1, 2, and 4

Through much of 2008, Department of Environmental Resources staff worked with the consulting firm of Hilton, Farnkopf & Hobson, LLC, and the franchise refuse collection companies to develop new “base” solid waste collection rates (Base Rates). Costs related to curbside recycling and the bulky item program are included in the residential Base Rates.

On November 4, 2008, the Board of Supervisors adopted new Base Rates from which the maximum franchise rates for solid waste collection services (hereinafter also referred to as “Rates”) in the unincorporated areas of Stanislaus County would be set beginning July 1, 2009. At the same meeting, the Board also approved a new methodology for the annual adjustment of these Base Rates. For four consecutive years, beginning with July 1, 2009, the Base Rates may be increased or decreased only by the change in a series of consumer and other price indexes. Every fifth year, a detailed cost of service study will be repeated to determine new Base Rates, followed by another four years of index-based adjustments, and so on.

On June 30, 2009, the Board approved the first index-based adjustments in setting the maximum franchise rates for solid waste collection services for 2009-2010. On June 29, 2010, the Board approved the second index-based adjustments in setting the maximum franchise rates for solid waste collection services for 2010-2011. Currently, Stanislaus County is in the third year of the index-based adjustments. The following indices and their respective changes (i.e., the difference between the April 2009 – March 2010 average, and the April 2010 – March 2011 average) have been applied to the indicated components of the individual companies’ residential and commercial 2010-2011 Rates to calculate the proposed 2011-2012 Rates. Only the labor, fuel, collections, and interest adjustments have been applied to the Drop Box 2010-2011 Rates because the County sets only the haul charges for these services. Disposal, transfer, and franchise fees are billed to the customer directly by the companies as part of the service charge.

Approval to Set a Public Hearing for June 28, 2011, at 9:05 a.m., to Consider Adjustments to Stanislaus County Franchise Maximum Rates for Solid Waste Collection Services

<u>Labor Component</u> : <i>CPI, Urban Wage Earners and Clerical Workers, All Items West – Size Class B/C</i>	1.20%
<u>Fuel Component</u> : <i>California No. 2 Diesel Retail Sales by All Sellers, U.S. Department of Energy</i>	20.55%
<u>Collections Component</u> : <i>CPI, All Urban Consumers, All Items, West Urban Area, West – Size Class B/C</i>	1.01%
<u>FRLF Disposal Component</u> : <i>Actual Change in Disposal Fees at the Fink Road Landfill.</i>	n/c
<u>SRRF Disposal Component</u> : <i>Actual Change in Disposal Fees at the Stanislaus Resource Recovery Facility.</i>	n/c
<u>Transfer Component</u> : <i>Discretionary Adjustment by the County.</i>	n/c
<u>Interest Component</u> : <i>Change in the Prime Rate per “Bank of America, NA and Bank of America NT &amp; SA”</i>	n/c
<u>Franchise Fee Component</u> : <i>Franchise Fees remain unchanged at 8%, however, the expense component has been adjusted per Section 2.3.7 of the Rate Adjustment Process.</i>	See below*
<u>Other Fees Component</u> : <i>There are no Other Fees applicable at this time.</i>	n/c

\*When the projected total compensation increases or decreases based on the net of the adjustments listed above, the expense included in the proposed rates for Franchise Fees must also be increased or decreased. This Component is included to make the franchise haulers “whole” at covering the exact amount of the County’s 8% franchise fee.

It should be noted that the annual index-based adjustment methodology “caps” each company’s overall rate adjustment at 5%. The cap had no impact on the proposed 2011-2012 Rates since the overall percentage change in the rates of all companies is less than 5%.

The proposed residential, commercial, and drop box rates (Attachment A) are presented in a format that identifies the following: the percentage change between the approved 2010-2011 Rates and the proposed 2011-2012 Rates, with the appropriate indices applied. Specifically, the following average increases are proposed for residential/commercial rates (in rounded percentages): Bertolotti Disposal – Franchise Area 1: 1.5%; Gilton Solid Waste Management – Franchise Area 2: 2%; and Turlock Scavenger: Area 4: 1%. Drop box haul charges are proposed to increase as follows (also in rounded percentages): 2% each for Bertolotti Disposal and Turlock Scavenger, Franchise Areas 1 and 4, respectively, and 3% for Gilton Solid Waste Management, Franchise Area 2.

Approval to Set a Public Hearing for June 28, 2011, at 9:05 a.m., to Consider Adjustments to Stanislaus County Franchise Maximum Rates for Solid Waste Collection Services

Franchise Area 3

On August 11, 2009, the Board approved the award of Franchise Refuse Collection Area #3 to Turlock Scavenger Company, effective November 1, 2009. This award was the result of a competitive procurement that began in November of 2008.

The respondents to the February 2009 Request for Proposals (RFP), including Turlock Scavenger, were asked to bid total compensation requirements for the initial 31.8 months of the contract period. Per the RFP and the Agreement with Turlock Scavenger, Area #3 rates will remain constant through June 30, 2012. Therefore, an adjustment in the rates for Franchise Area 3 is not proposed for 2011-2012, and the rates are included (Attachment B) for informational purposes only. The Board approved these maximum rates for refuse collection on October 27, 2009, following a public hearing.

POLICY ISSUE:

The Board of Supervisors is required to set a public hearing prior to adjusting the maximum rates for solid waste collection services. After the public hearing, the rates could be changed. Approval of this agenda item to set the public hearing to consider adjusting the franchise maximum rates for solid waste collection services is consistent with the Board's priorities of A Safe Community, A Healthy Community, and A Well Planned Infrastructure System.

STAFFING IMPACTS:

There are no staffing impacts associated with this request.
