DISCUSSION:

Behavioral Health and Recovery Services (BHRS) is experiencing an increased demand of placing severely mentally ill adults in treatment facilities. On May 24, 2011 the Board of Supervisors approved an agreement with Crestwood Behavioral Health, Inc. to provide a variety of treatment facilities throughout California for BHRS clients who are severely mentally ill. Crestwood has agreed to provide additional bed days to accommodate the increased need. BHRS requests approval to amend the current agreement with Crestwood Behavioral Health, Inc. by increasing the contract maximum by \$225,000. This would increase the contract maximum to \$1,306,000 from the original amount of \$1,081,000.

Behavioral Health and Recovery Services experiences occasional funding opportunities and unanticipated increases in the utilization of services throughout the year. On many occasions, this additional funding is time sensitive; hence, the Department requests authorization for the Behavioral Health Director, or her designee, to negotiate and execute amendments up to \$75,000 to this agreement, budget permitting, without further action by the Board of Supervisors, throughout Fiscal Year 2011-2012.

As required by the Board of Supervisors, the following table includes a cumulative value of prior contracts with this vendor for the period of July 1, 2009 through June 30, 2012.

Department	Budget Unit	Contractor	Description of Service Provided or Position Held	Contract Amount for Previous Contractual Period. List Amount and Time Period.	Proposed Contract Amount and Time Period	Cumulative Contract Total
Behavioral Health and Recovery Services	Mental Health 1501	Crestwood Behavioral Health, Inc.	Treatment Facilities (Institute of Mental Disease)	\$3,296,578 (07/01/09-06/30/12)	\$225,000 (4/30/12-6/30/12)	\$3,521,578

POLICY ISSUE:

Approval of this agenda item supports the Board of Supervisors' priorities of A Healthy Community, Effective Partnerships and Efficient Delivery of Public Services by contracting with community providers to deliver the needed services at an appropriate level of care in a cost effective manner.

STAFFING IMPACT:

There is no staffing impact associated with the approval of this agenda item.
