

ORDINANCE NO. C.S. 1119

**AN ORDINANCE AMENDING SECTIONS 14.14.150 AND 14.14.180 OF THE COUNTY CODE RELATING TO STORM WATER MANAGEMENT AND DISCHARGE CONTROL**

THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS, STATE OF CALIFORNIA DO ORDAIN AS FOLLOWS:

**Section 1.** Section 14.14.150 of the Stanislaus County Code is hereby amended to read as follows:

**“14.14.150 ENFORCEMENT AUTHORITY.**

- A. General enforcement authority.
1. Except as otherwise provided herein, the director of public works shall administer, implement and enforce the provisions of this chapter (Title 1, Chapter 1.24.040).
  2. The director of public works may delegate any powers granted to or duties imposed upon the director of public works to other Stanislaus County personnel.
- B. Violations deemed a public nuisance.
1. In addition to the penalties herein provided, any condition caused or permitted to exist in violation of any of the provisions of this chapter is a threat to the public health, safety or welfare, and is thus deemed a nuisance.
  2. Any such nuisance may be abated as provided herein.
- C. Administrative enforcement powers. The enforcement official may also exercise any of the following supplemental enforcement powers as may be necessary or advisable in the enforcement official's judgment under the circumstances.
1. Notice and order to abate.
    - (a) Whenever the enforcement official finds that a discharge has taken place, or is likely to take place, in violation of this chapter, or order issued hereunder, the enforcement official may serve a written notice and order to abate upon the property owner and the person responsible for the discharge, by personal service or by registered or certified mail.
    - (b) Within 30 days of the receipt of this notice, or shorter period as may be prescribed in the notice, an explanation of the violation and a plan for the satisfactory correction and prevention thereof, which shall include specific required actions, shall be submitted to the enforcement official.
    - (c) Submission of this plan shall in no way relieve the person of liabilities for violations occurring before or after receipt of the notice and order to abate.

(d) Failure to comply with the terms and conditions of a notice and order to abate shall constitute a violation of this chapter. If a person fails to comply with the notice and order to abate, the director of public works may perform, or cause to be performed, such work as shall be necessary to correct the violation. The costs of any such abatement shall be borne by the property owner, and shall be collectable in accordance with the provisions of subparagraph (C)(5) below.

2. Contents of notice.

(a) The street address and/or a legal description sufficient for identification of the property where the violation exists and the address of the person responsible for or committing the act that constitutes a violation of this chapter.

(b) A brief and concise description of the violation or use of the property or act that constitutes a violation of this chapter.

(c) A description of the activities, practices and/or abatement methods to be performed to correct the violation.

(d) The date by which the violation must be corrected, which shall be a reasonable period of time.

3. Administrative citation.

(a) If the owner, or person responsible for the violation, fails to correct the violation within the time specified in the notice and order to abate, the director of public works or his/her designee, may cause an administrative citation imposing an administrative fine or penalty to be issued to the owner of the property (Cal. Gov't. Code § 53069.4).

(b) Any citation issued shall:

1. Identify the date, time and circumstances of the violation;
2. State the amount of the administrative fine or penalty to be imposed;
3. Advise the person of their appeal rights as provided herein.

(c) The citation shall be served in the same manner as the notice of order to abate. The amount of the administrative fine imposed shall be set by director of public works or his/her designee; provided, however, where the violation would otherwise be an infraction, the administrative fine or penalty shall not exceed the maximum fine or penalty amounts for infractions set forth in Section 1.36.020. In determining the amount of civil penalty to be assessed, consideration will be given to the following:

1. The extent to which the owner or person responsible for the violation had knowledge or reasonably should have known that the action taken was a violation of this chapter;
2. The magnitude of the violation;

3. The extent to which the owner or person responsible for the violation derived a financial benefit from the violation;
4. Any prior history of related violations by the same person on the subject property or on other parcels within the County; and
5. Any corrective action, or lack thereof, taken by the owner or person responsible to eliminate the violations, and any other mitigating circumstances justifying a reduction of the amount of the penalties.

(d) Any person receiving a citation may request an appeal as provided herein.

(e) Notwithstanding Chapter 2.88 of the Stanislaus County Code or sections, 1094.5 or 1094.6 of the Code of Civil Procedure, within twenty days after the date action is taken by the board of supervisors on the decision of director of public works, a person contesting that final administrative decision may seek review by filing an appeal in the Stanislaus County municipal court pursuant to subdivision (b) of section, 53069.4 of the Government Code. If no notice of appeal to the municipal court is filed within the period set forth in this section, the order or decision of the county shall be deemed confirmed.

(f) If the owner of the property fails to pay the administrative fine or penalty imposed under this section upon demand by the county, the administrative fine or penalty shall be specially assessed against the parcel. The special assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. A notice of abatement lien shall be recorded and shall become a lien on the property pursuant to the provisions of California Government Code section, 25845. The director of public works is authorized to prepare and record a notice of release of lien against the legal title of the subject property(s), if the administrative fine or penalty is paid in full.

3. Emergency orders and abatements.

(a) The enforcement official may order the abatement of any discharge from any source to the storm water conveyance system when, in the opinion of the enforcement official, the discharge causes or threatens to cause a condition that presents an imminent danger to the public health, safety, welfare or environment, or a violation of a NPDES permit.

- (b) In emergency situations, where the property owner or other responsible party is unavailable and time constraints are such that service of a notice and order to abate cannot be effected without presenting an immediate danger to the public health, safety, welfare or environment, or a violation of a NPDES permit, the County may perform or cause to be performed such work as shall be necessary to abate the threat or danger, or permit violation.
- (c) The costs of any such abatement shall be borne by the property owner, and shall be collectable in accordance with the provisions of subparagraph (C)(5) below.

4. Appeal.

- (a) Any person served with a notice and order to abate, or administrative citation, or required to perform monitoring, analyses, reporting and/or corrective activities by an authorized enforcement official, or disputing the costs of enforcement, or otherwise grieved by the decision of the authorized enforcement official, may file a written appeal with the public works director within ten days following the effective date of the notice and order, administrative citation, the enforcement official's decision or the delivery of an invoice for enforcement costs.
- (b) Upon receipt of the written appeal, the director of public works shall request a report and recommendation from the authorized enforcement official, and shall set the matter for hearing at the earliest practical date.
- (c) Due notice of the hearing shall be provided to the person appealing.
- (d) At the hearing, the director of public works may hear additional evidence, and may reject, affirm or modify the authorized enforcement official's decision, or the costs of enforcement.
- (e) Upon conclusion of the hearing, the director shall serve written notice of his/her decision in the manner provided for service of a notice and order to abate herein. The director of public works shall present the decision to the board of supervisors, and the board may adopt such decision, with or without modification, without further notice of hearing.

5. Enforcement costs recovery.

- (a) The cost of enforcement, abatement and restoration shall be borne by the owner of the property, and the costs therefore shall be invoiced to the owner of the property. Costs recoverable herein include all costs of abatement incurred by the county, including, but not limited to, administrative costs, and any and all costs incurred in the physical abatement. (Cal. Gov't. Code § 25845).
- (b) If the owner of the property fails to pay the costs upon demand by the county, the board of supervisors may order the

costs to be specially assessed against the parcel. The special assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. The board of supervisory may also authorize a notice of abatement lien to be recorded. The costs shall become a lien on the property pursuant to the provisions of California Government Code section, 25845. The director of public works is authorized to prepare and record a notice of release of lien against the legal title of the subject property(s), if the county is fully compensated for the amount of the lien placed upon the property. (Cal. Gov't. Code § 25845).

6. Mitigation. The enforcement official shall have authority to order the mitigation of circumstances that may result in or contribute to illegal discharges.
7. Storm Water Pollution Prevention Plan. The enforcement official shall have the authority to establish elements of a storm water pollution prevention plan, and to require any business to adopt and implement such a plan, as may be reasonably necessary to fulfill the purposes of this chapter.
8. Best management practices. The enforcement official may establish the requirements of best management practices for any premises.
9. Seasonal and recurrent nuisance.
  - (a) If any violation of this chapter constitutes a seasonal and recurrent nuisance, the enforcement official shall so declare.
  - (b) Thereafter, such seasonal and recurrent nuisance shall be abated every year without the necessity of any further hearing.

D. Civil action.

1. In addition to any other remedies provided in this chapter, any violation of this chapter may be enforced by civil action brought by the County.
2. Monies recovered under this division shall be paid to Stanislaus County to be used exclusively for costs associated with monitoring and establishing storm water discharge pollution control systems and/or implementing or enforcing the provisions of this chapter.
3. In any such action, the County may seek, as appropriate, any or all of the following remedies:
  - (a) A temporary and/or permanent injunction;
  - (b) Assessment of the violator for the costs of any investigation, inspection or monitoring survey that led to the establishment of the violation, and for the reasonable costs of preparing and bringing legal action under this division;

- (c) Costs incurred in removing, correcting or terminating the adverse effects resulting from the violation;
- (d) Compensatory damages for loss or destruction to water quality, wildlife, fish and aquatic life.”

**Section 2.** Section 14.14.180 of the Stanislaus County Code is hereby amended to read as follows:

**“14.14.180 VIOLATIONS.**

A. It shall be unlawful for any person to violate any provision of this chapter or to fail to comply with any of its requirements.

B. Any person violating any provision of this chapter shall be guilty of a misdemeanor, unless such violation is declared by the director of public works or the district attorney to be an infraction.

C. If any violation is continued, each day's violation shall be deemed a separate violation.”

**Section 3.** This ordinance shall take effect 30 days from and after the date of its passage and before the expiration of 15 days after its passage it shall be published once, with the members voting for and against the same, in the Modesto Bee, a newspaper published in the County of Stanislaus, State of California.
