File No.

Approval to Set a Public Hearing for May 7, 2013, at 9:05 a.m. to Consider Planning Commission's Recommendation of Approval for Use Permit Application No. PLN2012-0006, Maring Private Airport Page 2

DISCUSSION:

This Use Permit application is a request to establish a private airport including three (3) airplane hangars totaling 7,300± square feet and a 2,800± foot runway. The project site is located on Cox Road, southeast of Frank Cox Road, northwest of Condit Avenue, near the communities of Grayson and Westley. As proposed, the airport would be situated across two separate assessor parcels (38± & 59± acres for a total of 97± acres) each enrolled under a Williamson Act Contract. The site is currently designated as "Agriculture" in the Stanislaus County General Plan and is within the A-2-40 zoning district (General Agriculture - 40 acre minimum for newly created parcels).

The Stanislaus County Zoning Ordinance, Section 21.20.040 (A-2 - General Agriculture) allows for both public and private airports upon the granting of a use permit and with review by the Stanislaus County Airport Land Use Commission, Stanislaus County Planning Commission and the approval of the Board of Supervisors. A proposed airport/helipad, such as this project, may be approved if found to be consistent with the General Plan and with adopted County policies, including the guidelines, adopted by the Board of Supervisors on March 6, 1984, "Establishing Policies for the Siting of New Airports, Agricultural Service Airports, and Temporary Agricultural Service Airports". (Airport Siting Standards – Appendix 5-B of Safety Element, Stanislaus County General Plan.)

This project was reviewed by the Stanislaus County Airport Land Use Commission at a regularly scheduled meeting on November 1, 2012. On April 4, 2013, the Stanislaus County Planning Commission held a public hearing and on a 7-0 (Buehner/Crabtree) vote recommended the Board of Supervisors approve the Use Permit application as proposed.

At this time, this item simply sets the date and time for a public hearing on the matter before the Board of Supervisors to consider the proposed request.

POLICY ISSUES:

The Board of Supervisors should determine if setting a public hearing for the proposed amendment furthers the goals of the Efficient Delivery of Public Services.

STAFFING IMPACT:

There are no staffing impacts associated with this item.
