RECLAMATION**

On May 1, 2013 the Department of Water Resources (DWR), and the U.S. Bureau of Reclamation (Reclamation) filed petitions for temporary change to transfer up to 196,000 acre-feet of water pursuant to California Water Code section 1725 et seq. The petitions request the temporary addition of the Central Valley Project (CVP) place of use downstream of the Jones Pumping Plant to DWR Permit 16479 (Application 14443) and the temporary addition of the State Water Project (SWP) place of use downstream of Harvey O. Banks Pumping Plant to Reclamation License 1986 and Permits 11885, 11886, 12721, 11967, 11887, 12722, 12723, 12725, 12726, 12727, 11315, 11316, 11968, 11969, 11970, 12860, 11971, 11972, 11973, and 12364 (Applications 23, 234, 1465, 5626, 5628, 5638, 9363, 9364, 9366, 9367, 9368, 13370, 13371, 15374, 15375, 15376, 15764, 16767, 16768, 17374, and 17376). The proposed changes will not result in the diversion of additional water from the Delta or delivery of more water to any individual water supplier or user than has been delivered historically. According to the petitioners, the requested changes will allow operational flexibility to most efficiently deliver water supplies where they are most needed and in the most efficient manner possible. The changes are intended to facilitate transfers/exchanges to: 1) Santa Clara Valley Water District; 2) Oak Flat Water District/Del Puerto Water District; 3) Kern County Water Agency/Kern Tulare Water District; 4) Castaic Lake Water Agency/San Luis Water District; 5) Arvin-Edison Water Storage District/Metropolitan Water District; and 6) Kern County Water Agency to Westlands. A temporary transfer may be in effect for one year from the date of approval.

Any correspondence directed to the petitioners should be mailed to both: 1) Department of Water Resources, c/o Nancy Quan, P.O. Box 942836, Sacramento, CA 94236-0001 or via email at nquan@water.ca.gov; and 2) U.S. Bureau of Reclamation, c/o Richard Woodley, 2800 Cottage Way, Sacramento, CA 95825 or via email at rwoodley@usbr.gov.
