SUBJECT:

Approval to Consider and Adopt a Resolution of Necessity to Acquire Real Property or Interest in Real Property by Eminent Domain for the Claribel Road Widening Project, Parcel Owner: Martin Family Holdings, a California Limited Liability Company, APN 083-002-001

STAFF RECOMMENDATIONS:

1. Find that the public interest and necessity require the proposed project.
 2. Find that the proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
 3. Find that the subject property described in the attached Resolution is necessary for the proposed project.
 4. Find that the offer required by section 7267.2 of the Government Code has been made to the owners of record of the property to be acquired.
- (CONTINUED ON PAGE 2)

FISCAL IMPACT:

The costs associated with conducting the Resolution of Necessity hearings are funded by the Regional Transportation Impact Fee (RTIF) funds. Although the costs have not been identified, it is anticipated that they will be minimal and will be absorbed within the current year Public Works Road Projects Budget.

Approval to Consider and Adopt a Resolution of Necessity to Acquire Real Property or Interest in Real Property by Eminent Domain for the Claribel Road Widening Project, Parcel Owner: Martin Family Holdings, a California Limited Liability Company, APN 083-002-001

STAFF RECOMMENDATIONS (Continued):

5. Adopt a Resolution of Necessity in the form attached hereto as Attachment A.
6. Authorize County Counsel to initiate eminent domain proceedings to acquire the subject property.

DISCUSSION:

The Claribel Road Widening Project proposes to widen Claribel Road from two lanes to four lanes from McHenry Avenue to Oakdale Road, construct a Class I bikeway, replace the Modesto Irrigation District (MID) Lateral No. 6 bridge with concrete pipe culverts, and signalize the intersection of Coffee Road at Claribel Road.

On May 22, 2012, the Board of Supervisors adopted the Mitigated Negative Declaration for the project. County Public Works staff is currently in the process of acquiring the Right of Way (ROW) necessary to complete the project.

The County needs to acquire 0.124 acres of the property located on the southern side of Claribel Road on the southeast corner the intersection of Oakdale Road and Claribel Road and extending one-quarter mile east on Claribel Road (hereby referred to as the "subject property"), to accomplish the proposed improvements. The owner of the subject property is Martin Family Holdings, a California limited liability company (hereby referred to as the "owner").

The property is zoned General Agriculture District A-2-10. The property is developed with mature peach trees. The property appraisal reflects a total acreage of 36.22, which includes the parcel south of the property, (APN 083-002-016), since both parcels are under the same ownership and are contiguous and operated (farmed) as a single parcel but are separated by the Hetch Hetchy 110-foot ROW. However, ROW is needed from APN 083-002-001 only.

The County has offered the owners of the subject property the sum of \$11,199, which was determined to be the fair market value for the subject property by an appraiser hired by the County, pursuant to section 7267.2 of the Government Code. A copy of the offer letter is attached hereto as Attachment B.

The County and owner have been in correspondence since June 2011, to discuss the project and ROW acquisition needed for the project. On February 8, 2013, the County's ROW consultant, Overland Pacific and Cutler (OPC), sent the owner the offer letter. On March 5, 2013, OPC discussed the offer letter and project impact to the property, via

telephone, with the owner. On April 4, 2013, OPC spoke with the owner who said she and her husband were reviewing the offer. OPC called the owner on May 16, 2013, and May 28, 2013, and emailed the owner on June 7, 2013, to inquire on the status of the review of the offer. As of this date, the County and OPC have not heard from the owner regarding the status of the offer review.

Public Works staff recommends beginning the process of acquiring the ROW from the owner through the eminent domain process. Starting the eminent domain process now allows the County to obtain an order of possession while the ROW acquisition compensation is negotiated. The owner is supportive of the project, but is still reviewing the County's offer.

To authorize the use of the power of eminent domain, the Board must first adopt a Resolution of Necessity required by section 1245.220 of the Code of Civil Procedure. The purpose of the Resolution of Necessity hearing is to provide the owners of the property the opportunity to be heard on the matters referred to in section 1240.030 of the Civil Code as follows:

1. Whether the public interest and necessity require the project;
2. Whether the project is planned or located in the manner that will be most compatible with the greatest public good and least private harm;
3. Whether the property sought to be acquired is necessary for the project; and
4. Find that the offer required by section 7267.2 of the Government Code has been made to the owners of record of the property to be acquired.

The owner was sent a written Notice of Hearing on Monday, June 24, 2013, as required by section 245.235 of the Code of Civil Procedure, refer to Attachment C.

The Department of Public Works offers the following in support of each of the above-mentioned matters:

1. The Public Interest and Necessity Require the Project.

Purpose

The purpose of the Project is to improve the corridor to accommodate east/west interregional traffic between the cities of Riverbank, Modesto, Oakdale, and Stanislaus County and to State Highway 108 (McHenry Avenue), which would improve regional network circulation, relieve existing traffic congestion, reduce traffic delay, accommodate future traffic, improve safety, and promote non-motorized modes of transportation consistent with the County General Plan.

Approval to Consider and Adopt a Resolution of Necessity to Acquire Real Property or Interest in Real Property by Eminent Domain for the Claribel Road Widening Project, Parcel Owner: Martin Family Holdings, a California Limited Liability Company, APN 083-002-001

Need

The segment of Claribel Road between McHenry Road and Coffee Road is one of the County's most congested roadways and carries significant volumes of traffic. The consideration of "Level of Service" (LOS) is very important in traffic planning. The most common scale for measuring level of service, that describes traffic flows in relation to the speed limit and traffic mobility between lanes, is designation of an LOS A to F. LOS A describes free flow of traffic traveling at or above the posted speed limit with complete mobility between lanes; whereas, LOS F describes a breakdown in vehicular flow with heavy traffic congestion and no allowance for movement between lanes. The minimum standard LOS the County seeks to maintain is "C" where traffic flows at near free-flow speeds at the posted speed limit and maneuverability between lanes is restricted due to traffic congestion, but with driver awareness can be achieved safely. The existing LOS for the project segment of Claribel Road Widening is currently operating at E at peak hours, which is described in the 2010 Highway Capacity Manual (HCM) as a road where the demand is approaching capacity, speeds are significantly reduced, and passing is not possible. Claribel Road will continue to operate at an LOS of E at the peak hour until the year 2025, when the two-way flow rate is projected to exceed 3,200 passenger cars per hour, which is the limit between E and F. The current and future operation of the corridor does not meet the County's required LOS of C at peak hours; however, with the project, the LOS will improve from E to B at peak hours, where there is not vehicle impedence and traffic moves freely, resulting in reduced traffic incidences.

The existing intersection of Claribel Road and Coffee Road is controlled by an all-way stop. The intersection operates at an LOS of F with average AM and PM delays of 84.1 and 205.7 seconds, respectively. Signalization of the intersection will significantly reduce traffic delays, reduce congestion, and improve air quality and safety, by improving average AM and PM delays to 12.2 and 11.8 seconds, respectively.

There were 66 collisions along this segment of Claribel Road from 2007-2011. The project will improve safety by reducing traffic collisions because of increased driver comfort and restricted turning movements on and off Claribel Road.

2. The project is planned or located in the manner that will be the most compatible with the greatest public good and the least private injury.

The widening of Claribel Road requires an average of 90 feet of ROW take on the northern side of the corridor, with a limited ROW take on the southern side of the corridor. County staff considered widening to the south, as opposed to the north. Widening to the north is more feasible because there are fewer conflicts with existing structures on the northern side of Claribel Road. Major structures on the southern side

of the roadway include Bambacigno Steel, Morningside Mobile Home Park, and the MID Substation.

3. The property sought to be acquired is necessary for the project.

To relieve current congestion, improve safety, and maintain a minimum standard LOS for the Claribel Road corridor, and Claribel Road and Coffee Road intersection, the proposed ROW acquisition of the subject property is necessary for the project to be built.

4. Find that the offer required by section 7267.2 of the Government Code has been made to the owners of record of the property to be acquired.

The offer was sent to Martin Family Holdings, a California limited liability company on February 8, 2013.

ROW acquisition is required from 17 parcels in order to construct the project. ROW is being negotiated with the owners of 10 parcels, which includes this parcel.

POLICY ISSUES:

The recommended actions are consistent with the Board's priorities of providing A Safe Community, A Healthy Community, and A Well Planned Infrastructure System by improving traffic safety and reducing traffic congestion on the County road system.

BE IT RESOLVED, that the Board of Supervisors of the County of Stanislaus, State of California, hereby finds and determines as follows:

WHEREAS, Article I, section 19 of the Constitution of the State of California and section 25350.5 of the Government Code authorizes the Board of Supervisors of any County to acquire by eminent domain any property necessary to carry out any of the powers or functions of the County; and

WHEREAS, the real properties to be taken are described in Exhibit "A" attached hereto and made a part hereof; and

WHEREAS, the take of the real property required for the project; and

WHEREAS, the County proposes to widen Claribel Road from two lanes to four lanes from McHenry Avenue to Oakdale Road, construct a Class I bikeway, replace the Modesto Irrigation District (MID) Lateral No. 6 bridge with concrete pipe culverts, and signalize the intersection of Coffee Road at Claribel Road; and

WHEREAS, notice has been properly given as required by and according to the provisions of section 1245.235 of the California Code of Civil Procedure, and a meeting has been held at which all persons whose property may be acquired by eminent domain and whose name and address appear on the last equalized County Assessment Roll have been given a reasonable opportunity to appear and be heard by the Board of Supervisors on the matters set forth in Code of Civil Procedures sections 1240.030 and 1240.510: and

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Board of Supervisors of Stanislaus County by no less than two-thirds vote of its members:

1. The public interest and necessity require the acquisition of the real property interests described in Exhibit "A" attached hereto and incorporated by this reference for the proposed public project.
2. The proposed project is planned and located in the manner that will be most compatible with the greatest public good and the least private injury.
3. The properties sought to be acquired and described by this resolution is necessary for the public project.
4. The offer required by section 7267.2 of the Government Code has been made to the owners of record.
5. The findings and determinations contained in this Resolution are based on and incorporate the record before the Board on April 19, 2011, and May 22, 2012, which include the staff Board reports regarding CEQA compliance, the environmental analysis of the proposed project contained in the Mitigated Negative Declaration, project approval, and all other documents referenced above and in the staff Board report to this Resolution.. The findings and determinations contained herein are also based on any testimony, records, and documents produced at the hearing, all of which are incorporated herein by this reference.
6. The County Counsel is hereby authorized to institute eminent domain proceedings in the Superior Court of the State of California for the County of Stanislaus, for the purpose of acquiring the properties described herein above, and is further authorized to institute proceedings for taking pre-judgment possession of said properties and to deposit the probable amount of compensation therefore, in accordance with California Code of Civil Procedure section 1255.010, as directed by the Superior Court as security for said possessions. Counsel is further authorized to associate with, at its election, a private law firm for the prosecution of said proceedings.
7. In order to timely complete the project and provide the benefits of the project in a timely and orderly manner, the County has an overriding need for possession of the property described and depicted in Exhibit "A" attached hereto and prior to entry of denied, the County and the residents of California to be served by the proposed project, will suffer a substantial hardship. County Counsel is hereby authorized to request an Order from the Court authorizing the County to take prejudgment possession of the property.
8. That the Auditor/Controller of Stanislaus County is directed to draw all necessary warrants payable to the State Treasurer or County Clerk in the amount specified in the Written Summary of Just Compensation prepared in accordance with the Code of Civil Procedure sections 1255.010, et seq. All warrants shall be drawn from the County Treasury. No warrant shall be drawn on that account for purposes of furthering the eminent domain action unless sufficient funds have been deposited to fund any such warrant.

Lafayette, California 94549

Regarding: County of Stanislaus ~ Claribel Road Widening Project
Acquisition portion of APN: 083-002-001 and 083-002-016

Dear Ms. Martin, et al:

The County of Stanislaus is currently finalizing plans for a public improvement project for the widening of Claribel Road. As discussed with you, this project will require the acquisition of a portion of your property. The County seeks to acquire in fee a portion of your property consisting of a total of 0.1243+/- Acre or approximately 5,415+/- Sq. Ft. on your parcels known as APN: 083-002-001 and 083-002-016.

Accordingly, the County hereby makes an offer for the fee simple acquisition of a portion of your property located at 4828 Oakdale Road, Modesto, California, for the sum of \$11,199.00, which is segregated as follows:

\$ 4,599.00	Fee Simple (APN 083-002-001 & 016): 0.1243Acre (or 5,415+/- Sq. Ft.)
\$ N/A	Temporary Construction Easement
\$ 6,600.00	Cost to Cure (removal of 62 trees, agricultural lane, modify irrigation)
\$ 11,199.00	Total

The County's offer is the full amount determined to be just compensation for the property interest. The basis for that determination is explained in the attached Information and Appraisal Summary Statements. It is the County's hope that this price is agreeable to you and that the acquisition can begin immediately.

I, Steve Long of Overland, Pacific & Cutler, Inc., the County's acquisition agent, will work with you in this acquisition. If you have any questions regarding this Notice and accompanying statements, please contact me or Burt Presnell at (916) 857-1520 or (800) 400-7356.

If this offer is acceptable, please contact me to open escrow services.

Martin Family Holdings LLC

This offer is subject to and conditioned upon acceptable soils conditions and the absence from the property of toxic or hazardous substances and any other kind of soil or water contamination, and to the grant of a right-of-entry to the County for the purpose of conducting a soils, toxic and hazardous substances investigation of the Property at the County's expense. This offer is subject to modification depending on the results of that investigation.

Finally, any agreement that you make with the County's staff or consultants for the County's purchase of the Property will not be binding on the County unless and until it is approved by the County's Board of Supervisors.

Also enclosed is an informational pamphlet about the California Eminent Domain Law. Under California Law, the County is required to provide you with the attached informational pamphlet detailing the eminent domain process and your rights under the Californian Eminent Domain Law.

Alternatively, it is requested that you acknowledge receipt of the County's offer by signing a copy of this letter and returning same in the enclosed self-addressed stamped envelope. Your signature on the copy does not signify acceptance of the offer to settle the acquisition by the County, it only acknowledges receipt of the County's offer.

Your cooperation in this matter will be greatly appreciated.

Sincerely,

Steven F. Long

INFORMATION STATEMENT

This offer is presented in settlement of the acquisition of a portion of your property at 4828 Oakdale Road, Modesto, California.

<u>\$ 4,599.00</u>	Fee Simple (APN 083-002-001 & 016): 0.1243Acre (or 5,415+/- Sq. Ft.)
<u>\$ N/A</u>	Temporary Construction Easement
<u>\$ 6,600.00</u>	Cost to Cure (removal of 62 trees, agricultural lane, modify irrigation)
<u>\$ 11,199.00</u>	Total

The value of the portion of your property being purchased is based upon a market value appraisal prepared by an independent appraisal firm in accordance with accepted appraisal procedures. Valuation of your property is based upon an analysis of, where applicable, recent sales of comparable sites and similar properties in this locality with consideration to the highest and best use for development of the property; an income approach based on the potential fair rental for your property has been considered where applicable; and a replacement cost approach considering the estimated depreciated cost of the improvements, together with the value of the land, has been considered where applicable. Any diminution in value of the remainder parcel, or costs to mitigate same, have also been considered.

Before arriving at a conclusion of value, the appraiser conducted an investigation in order to obtain the information necessary. The investigation generally includes an inspection of the property and improvements, and review of the improvements, a review of the immediate surrounding and regional influences, the property zoning and uses permitted, a study of the highest and best use to which the property can be put, easements which may exist on the property, the availability of utilities, access and street improvements. The appraiser conducted interviews with knowledgeable persons, collect comparable data, information relating to fair rental value of the property and the cost of reproducing the improvements on the property.

The offer is the full amount believed by the County of Stanislaus to be just compensation for the portion of your property. It is not less than the County's approved appraisal of the Fair Market Value of the property. Any decreases or increases in the Fair Market Value of the real property to be acquired prior to the date of the valuation caused by the public improvements or project for which the property is to be acquired, or by the likelihood that the property would be acquired for such improvement or project, other than that due to physical deterioration within the reasonable control of the owner, has been disregarded by the County and its appraiser in making their determination of the Fair Market Value of such property.

FAIR MARKET VALUE, as used in the appraisal, is (a) "... the fair market value of the property taken is the highest price on the date of valuation that would be agreed by a seller, being willing to sell but under no particular or urgent necessity for doing so, nor obligated to sell, and a buyer, being ready, willing and able to buy but under no particular necessity for so doing, each dealing with the full knowledge of all the uses and purposes for which the property is reasonably adaptable and available. (b) The fair market value of property taken for which there is no relevant, comparable market is its value on the date of valuation as determined by any method of valuation that is just and equitable." (Section 1263.320 Code of Civil Procedure)

The determination of just compensation does not reflect any consideration of or allowance for relocation assistance and payments to which you may be entitled to receive under applicable State or Federal Law or of the County's agreement to pay certain settlement costs.

This summary of the basis of the amount offered as just compensation is presented in compliance with State, and where applicable, Federal Law. Attached is an Appraisal Summary Statement including information pertinent to our offer to acquire a portion of the property.

In the event you are the owner of a business conducted on the property being acquired by the County, you may be entitled to compensation for loss of goodwill, if any, if you are able to make a showing of such loss pursuant to the requirements of California Code of Civil Procedure Section 1263.510. For your information, Section 1263.510 is reprinted below in its entirety.

(A) The owner of a business conducted on the property taken, or on the remainder if such property is part of a larger parcel, shall be compensated for loss of goodwill if the owner proves all of the following:

(1) The loss is caused by the taking of the property or the injury to the remainder.

(2) The loss cannot reasonably be prevented by relocation of the business or by taking steps and adopting procedures that a reasonably prudent person would take and adopt in preserving the goodwill.

(3) Compensation for the loss will not be included in payments under Section 7262 of the Government Code.

(4) Compensation for the loss will not be duplicated in the compensation otherwise awarded to the owner.

(B) Within the meaning of this article, "goodwill" consists of the benefits that accrue to a business as a result of its location, reputation for dependability, skill or quality, and any other circumstances resulting in probable retention of old or acquisition of new patronage.

Pursuant to Civil Code of Procedure section 1263.025 should you elect to obtain an independent appraisal, the County will pay for the actual reasonable costs up to \$5,000 subject to the following conditions;

(A) You, not the County, must order the appraisal. Should you enter into a contract with the selected appraiser, the County will not be a party to the contract.

(B) The selected appraiser must be licensed with the Office of Real Estate Appraisers (OREA).

- (C) Appraisal cost reimbursement requests must be made in writing, and submitted to the County of Stanislaus, 1716 Morgan Road, Modesto, California 95358 within 90 days of the earliest of the following dates: (1) the date the selected appraiser requests payment from you for the appraisal; or, (2) the date upon which you, or someone on your behalf, remitted full payment to the selected appraiser for the appraisal, copies of the contract (if a contract was made), appraisal report, and invoice for completed work by the appraiser must be provided to the County concurrent with submission of the appraisal cost reimbursement request. The costs must be reasonable and justifiable.

BASIS OF APPRAISAL
(4828 Oakdale Road, Modesto, California)

The market value for the fee simple portion of property to be acquired by the County is based upon an appraisal prepared in accordance with accepted appraisal principles and procedures.

Recent sales of comparable properties and income data are utilized as appropriate. Full consideration is given to zoning, development potential and the income the property is capable of producing.

1. The Sales Comparison approach is based on the consideration of comparable land sales.

Value of the fee simple portion of Property pursuant to Sales Comparison approach (See attached sheet for Exhibit "B" principal transactions)	\$4,599.00
---	------------

2. The Cost approach is based in part on a replacement cost new of improvements less depreciation.

Total Replacement Cost New	\$ N/A
Depreciation from all causes	\$ N/A
Value of Improvements in Place	\$ N/A
Land (estimated by direct sales comparison)	\$ N/A
Indicated value of the larger parcel (entire Property) by Cost approach	\$ N/A

3. The Income approach is based on an analysis of income and expenses to the property.

Overall Capitalization Rate	N/A
Net Operating Income	\$ N/A
Indicated value of the larger parcel by Income approach	\$ N/A

Valuation Conclusion

Fair Market Value of Property: \$4,599.00

**TO ACQUIRE CERTAIN REAL PROPERTY OR INTEREST IN REAL PROPERTY
BY EMINENT DOMAIN HIGHWAY**

APN: 083-0021-001,

OWNER: Martin Family Holdings LLC, a California limited liability company

(Code of Civil Procedure, section 1245.235)

Martin Family Holdings LLC
c/o Ms. Victoria Martin, et al
3527 Mount Diablo Blvd., PMB 284
Lafayette, CA 94549

Dear Ms. Martin, et al,

The law provides procedures for public agencies to acquire private property for public use. It presently requires that every agency, which intends to condemn property, notify the owners of that property of its intention to condemn. California Code of Civil Procedure section 1240.030, provides that the power of eminent domain may be exercised to acquire property for a proposed project if the following three conditions are established:

- (A) The public interest and necessity require the project.
- (B) The project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
- (C) The property sought to be acquired is necessary for the project.

Also, CCP section 1245.230 requires that the offer required by section 7267.2 of the Government Code has been made to the owner of record.

You are hereby notified that the Board of Supervisors at its meeting to be held on July 16, 2013, at 6:30 PM, at 1010 10th Street, Board Chambers (Basement), Modesto, California, will be asked to decide if the above conditions are met concerning your property and, if so, to adopt a Resolution of Necessity. Questions regarding the amount of compensation to be paid are not part of this proceeding and the Board of Supervisors does not consider such in determining whether a Resolution should be adopted.

The adopted Resolution will authorize Stanislaus County to acquire the property by eminent domain. A description of the required property is attached to this Notice and is marked Exhibit A and Exhibit B.

This Notice of Intent gives you an opportunity to appear before the Board of Supervisors and raise questions concerning the three conditions referred to in CCP 1240.030 as cited above. If you file a written request to appear (within 15 days from the mailing of this Notice) you are entitled to appear and object to the adoption of the Resolution.

Objections are limited as set forth below.

All requests to appear must be sent for filing to: Aja Verburg, Project Manager, Stanislaus County Department of Public Works, 1716 Morgan Road, Modesto, CA, 95358. If you desire to appear, you will be notified of the date, time, and location of the meeting at a later date.

The written request must actually be received within the 15-day period. Failure to file a written request to appear will result in a waiver of your rights to appear and be heard.

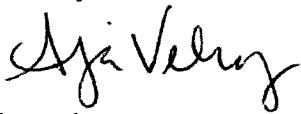

Your written request to appear should include a statement of the condition(s), which you feel are pertinent to your property. The three conditions that may affect your property are set forth above (designate (A), (B), and/or (C)). By designating which condition forms the basis of your concerns, and why, you will enable the Board of Supervisors to have a full and expeditious review made of the project's effect on your property.

For your convenience, the Board of Supervisors will consider any written observations you may wish to submit, so long as such written observations are filed with the Public Works Department within the 15-day period.

The Board of Supervisors must adopt a Resolution of Necessity before an eminent domain proceeding can be commenced. Within six months of the adoption of the Resolution of Necessity, the Stanislaus County Department of Public Works will commence eminent domain proceedings in the Superior Court in the County where the property is located. In that proceeding, the court will determine the amount of compensation to which you are entitled.

If you have any questions, please call Aja Verburg at telephone number (209) 525-4133 or Right of Way Agent - Steve Long, Overland Pacific & Cutler, Inc. at telephone number (916) 857-1520.

Sincerely,

A handwritten signature in black ink that reads "Aja Verburg". The signature is written in a cursive, flowing style.

PROJECT LOCATION AND PURPOSE

To improve regional network circulation between the cities of Riverbank, Modesto, Oakdale, and Stanislaus County; relieve existing traffic congestion; reduce traffic delay; accommodate future traffic; improve safety; improve air quality; and promote non-motorized modes of transportation.

PROJECT NEED

- Existing level of service for corridor is “E” at peak hours, where demand is approaching capacity, speeds are significantly reduced, and passing is not possible.
- Existing Claribel Road/Coffee Road intersection experiences an average of one and one half minute and three and one half minute delays at morning and evening peak hours.
- The two mile segment has experienced 66 collisions in a 5 year period.

STAFF RECOMMENDATIONS

1. Find that the public interest and necessity require the proposed project.
2. Find that the proposed project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury.
3. Find that the subject property described in the Resolution is necessary for the proposed project.
4. Find that the offer required by Section 7267.2 of the Government Code has been made to the owners of record of the property to be acquired.
5. Adopt a Resolution of Necessity.
6. Authorize County Counsel to initiate eminent domain proceedings to acquire the subject property.
