Approval to Amend the Agricultural Advisory Board Bylaws Modifying the Time of the Monthly Meetings to 8:00 a.m. on the First Monday of the Month

DISCUSSION:

The Agricultural Advisory Board (Advisory Board) was formed on December 12, 1989 for the purpose of advising the Board of Supervisors on agricultural issues pertaining to Stanislaus County. The Board of Supervisors may refer issues to the Advisory Board as needed. Historically, the Advisory Board has reviewed subjects such as agricultural burn permits, the confined animal ordinance, agricultural zoning, endangered species, and the use of biosolids and genetically modified organisms in Stanislaus County.

During the June 3, 2013 Agricultural Advisory Board meeting, a motion was made to recommend amending Article V, Section 1 of the Agricultural Advisory Board Bylaws, changing the regular meeting time from 10:00 a.m. to 8:00 a.m. on the first Monday of the month. All Agricultural Advisory Board members were notified of the proposed language on June 14, 2013. This motion was approved during the July 1, 2013 meeting and the Advisory Board took action to forward the amended bylaws to the Board of Supervisors for final approval.

Per the current bylaws, "These Bylaws may be amended by a two-thirds (2/3) vote of a quorum of the Agricultural Advisory Board provided that fifteen (15) days prior to the meeting, the full Advisory Board is notified of the language of such change(s) of the time, date and place of the intended voting on such change(s). The amendment will not be effective until approved by a majority vote of the Stanislaus County Board of Supervisors."

POLICY ISSUE:

The amendment to the Agricultural Advisory Board Bylaws is consistent with the Board's priority of A Strong Agricultural Economy/Heritage.

STAFFING IMPACT:

There are no additional staffing impacts associated with this item. Designees from the Department of Environmental Resources, Cooperative Extension, and the Agricultural Commissioner will continue to serve on the Advisory Board. Other County Departments (such as the Department of Planning and Community Development, Chief Executive Office, and County Counsel) will provide support and technical assistance as needed.
