DISCUSSION:

The Code Enforcement Unit responds to complaints throughout the unincorporated area of Stanislaus County and attempts to gain voluntary compliance through education and personal contact by working with property owners and those persons responsible for creating nuisances. Compliance efforts include issuing Notice and Orders to Abate, conducting inspections, granting extension requests, issuing Administrative Civil Citations, recording Notices of Non-compliance with the Clerk-Recorder's Office, presenting cases before the Nuisance Abatement Hearing Board and the Board of Supervisors, obtaining inspection warrants, and conducting forced clean ups.

On December 13, 2012, the Nuisance Abatement Hearing Board supported staff's recommendation to declare the property a nuisance and forwarded the matter to the Board of Supervisors recommending their approval. On January 15, 2013, the Board of Supervisors adopted the Hearing Board's Decision in Board Action No. 2013-25 and authorized a forced clean up at 736 Elm Avenue, Modesto, California. Following the Board's action, the Department of Environmental Resources obtained an abatement and inspection warrant, and in conjunction with County Policy, contracted with "Aaron's Clean-Ups" for the removal of the debris and the securing of the dwelling on the property in accordance with Section 2.93 of the Stanislaus County Code.

On August 22, 2013, the Nuisance Abatement Hearing Board supported staff's recommendation that the billing for the clean up of the property was reasonable and forwarded the matter to the Board of Supervisors for consideration. By adopting the Hearing Board's Decision of Costs, the Board of Supervisors affirms the reasonableness of the billing. Once adopted, the Department of Environmental Resources Accounting Unit will bill the property owner. If payment is not received, the charges will be forwarded to the Treasurer/Tax Collector to be collected in a manner prescribed by County Code as a recorded lien by special assessment against the property. A detailed accounting of the billing is attached as Attachment AA.

POLICY ISSUE:

The recommended action supports the Boards' priorities of A Safe Community, A Healthy Community, and the Efficient Delivery of Public Services by improving the quality of life and protecting the health and safety of the community.

STAFFING IMPACTS:

If payment is not received, the charges will be forwarded to the Treasurer/Tax Collector to be collected in a manner prescribed by County Code as a recorded lien by special assessment against the property.
