**DISCUSSION:**

The Revenue Recovery Division of the Treasurer/Tax Collector Department maintains a large database of accounts where funds are owed to the County, Courts and various Cities.

While the County pursues accounts even to the estate of deceased people, when probate has closed or there is no estate or assets to pursue, there is no further action Revenue Recovery can take. Consequently, the likelihood of collection does not warrant the expense involved in collecting on these stale accounts.

On October 30, 2012, the Board approved the discharge of accountability of 10,211 accounts for uncollectible revenue in the amount of \$3,404,772.48 for individuals with a deceased date of 2006 or prior. This discharge of accountability included accounts from the Courts.

On July 2, 2013, the Board approved the discharge of accountability of 1,594 accounts in the amount of \$267,142.85, where the debtor is deceased as of 2007 or prior. This discharge of accountability did not include accounts from the Courts.

At this time, pursuant to Government Code Section 25257 et seq., we are requesting the Board to approve the discharge of accountability of 6,969 accounts in the amount of \$2,066,012.85 where the debtor is deceased as of 2010 or prior, and the accounts have been determined uncollectible. This discharge of accountability includes accounts from the Courts.

In the past few years, the Treasurer/Tax Collector Department has only requested the discharge of accountability where the debtor is deceased. We are now expanding to include some cases where there has been a bankruptcy or the business has dissolved.

The current request is for 52 bankruptcies in the amount of \$274,243.05 and 40 defunct business accounts in the amount of \$488,117.71. The Revenue Recovery Division has worked with County Counsel to determine that no additional action can be taken to recover funds and it is now appropriate to request the Board to approve the discharge of accountability pursuant to Government Code Section 25257-25259.

**POLICY ISSUES:**

Discharge of accounts are approved by the Board of Supervisors pursuant to Government Code Section 25257-25258.
