**NOTICE OF PETITIONS FOR TEMPORARY CHANGE
INVOLVING THE TRANSFER/EXCHANGE
UNDER DEPARTMENT OF WATER RESOURCES
PERMIT 16479 (APPLICATION 14443)
AND THE SPECIFIED LICENSE AND
PERMITS OF THE U.S. BUREAU OF
RECLAMATION**

On February 12, 2014, the Department of Water Resources (DWR), and the U.S. Bureau of Reclamation (Reclamation) filed petitions for temporary change to transfer up to 277,863 acre-feet of water pursuant to California Water Code section 1725 et seq. The petitioners request the temporary addition of the Central Valley Project (CVP) place of use downstream of the Jones Pumping Plant (Jones) to DWR Permit 16479 (Application 14443) and the temporary addition of the State Water Project (SWP) place of use downstream of Harvey O. Banks Pumping Plant (Banks) to Reclamation License 1986 and Permits 11885, 11886, 12721, 11967, 11887, 12722, 12723, 12725, 12726, 12727, 11315, 11316, 11968, 11969, 11970, 12860, 11971, 11972, 11973, and 12364 (Applications 23, 234, 1465, 5626, 5628, 5638, 9363, 9364, 9366, 9367, 9368, 13370, 13371, 15374, 15375, 15376, 15764, 16767, 16768, 17374, and 17376). According to the petitioners, the requested changes will allow them to more effectively and efficiently utilize the operational flexibility of the combined SWP and CVP facilities and water supply south of Banks and Jones. The petitioners state that the operation flexibility will, in turn, help minimize to some extent the sever impacts to water users south of the Delta caused by unavailability of adequate SWP and CVP Project water supplies in 2014. Approval of the petitions will not increase the quantity or alter the timing of diversions from the Delta or San Joaquin River. All exchanges covered by the petitions will occur south of the Delta and are intended to alleviate anticipated water supply shortages. The proposed exchanges involve: 1) Santa Clara Valley Water District; 2) Oak Flat Water District/Del Puerto Water District; 3) Kern County Water Agency/Kern Tulare Water District; 4) Arvin-Edison Water Storage District/Metropolitan Water District of Southern California; and 5) Kern County Water Agency/Westlands Water District; 6) Dept. of Veteran Affairs – San Joaquin Valley National Cemetery; and 7) Musco Olive Products, Inc. The petitioners have requested the temporary changes become effective on May 1, 2014. Temporary changes involving the transfer/exchange of water may be in effect for one year from the date of approval.

Any correspondence directed to the petitioners should be mailed to both: 1) Department of Water Resources, c/o Nancy Quan, P.O. Box 942836, Sacramento, CA 94236-0001 or via email at nquan@water.ca.gov; and 2) U.S. Bureau of Reclamation, c/o Richard Woodley, 2800 Cottage Way, Sacramento, CA 95825 or via email at rwoodley@usbr.gov.

FELICIA MARCUS, CHAIR | THOMAS HOWARD, EXECUTIVE OFFICER
