FISCAL IMPACT (CONTINUED):

This contract is funded from the General Fund in the Sheriff's Detention budget. The appropriations for this contract will be included in the 2014-2015 Final Budget.

Costs have changed from the previous contract.

Contract	2009-2014	2014-2019
Cost per prisoner, per mile	\$0.61	\$0.71
Cost per meal	\$6.17	\$6.17
Extra hourly rate charged if time extended during booking or picking up of prisoners	\$68.24	\$66.56

DISCUSSION:

The County of Los Angeles runs a statewide transportation bus system for transportation of prisoners throughout the State of California. Counties throughout California, including Stanislaus County, routinely contract for this service. The last contract term is for July 1, 2009 through June 30, 2014. To date in this Fiscal Year, 2013-2014, Stanislaus County has utilized this service three times.

The impact of not using the statewide transportation bus system would mean deputies would be away from their primary duty of watching inmates.

If the Stanislaus County Sheriff's Department were to provide these services, cost would include vehicle and fuel charges, plus the salary and benefit costs of two (2) transportation deputies and their meals. On occasions there may even be the need for an overnight stay. The bus service is a cost effective option that is utilized whenever possible. Service is coordinated through the Sheriff's Department transportation unit.

This type of agreement is authorized by Government Code Section 26775 and 26776 of the California Government Code.

26775. - *The boards of supervisors of two or more counties may enter into a contract pursuant to this article.*

26776. - *The contract may provide, with respect to any situation in which, under the law, a sheriff is authorized to transport a prisoner from the sheriff's own county to a point in another county, or is authorized to take a prisoner into*

*custody in another county and transport him to the sheriff's own county, that a
sheriff of either of the contracting counties shall perform such function.*

The County of Los Angeles Board of Supervisors has approved this contract and authorized the Sheriff of Los Angeles County to execute the contract with all California counties.

The Sheriff recommends that the Board of Supervisors approve this contract and authorize the Chairman of the Board to sign the agreement between the County of Los Angeles and the County of Stanislaus for transportation services for inmates.

POLICY ISSUES:

In accordance with California Government Code 26775 and 26776, the Board must determine if approval of this contract is consistent with the Board's stated priority of A Safe Community, Effective Partnerships, and Efficient Delivery of Public Services.

STAFFING IMPACT:

There will be no staffing impacts associated with this request.
