DISCUSSION:

The Area Agency on Aging (AAA) contracts with the California Department of Aging (CDA) to provide Older Americans Act (OAA) Programs for senior citizens in Stanislaus County either directly or through grant agreements with local service providers. The Area Agency on Aging is recognized by the Federal Administration for Community Living as the local agency for advocacy, planning, and program development on behalf of older persons in Stanislaus County. In Stanislaus County there are 93,823 seniors over 60 years old, with over 6,000 seniors and caregivers receiving services through the AAA annually.

For the programs that are contracted out, the Area Agency on Aging is required to provide administrative guidance and oversight, technical assistance, and in accordance with CDA's agreement, the AAA shall monitor service providers annually to ensure compliance with all laws and regulations. Outcomes for all services are reported to CDA quarterly. Before submitting this quarterly report to CDA, the AAA must verify all data for accuracy and completeness, and ensure that it meets California Aging Reporting Systems (CARS) specifications, National Aging Program Information System (NAPIS), and State Program Report (SPR) requirements. AAA staff provides the following OAA direct services for seniors: Information and Assistance; Outreach; Program Development; Coordination; Family Caregiver Support Program; and Health Insurance Counseling Advocacy Program (HICAP).

The AAA is required by law to issue, at a minimum of every four years, a Request for Proposals (RFP) to select service providers for programs that will receive more than \$100,000 from the Older Americans Act. As stipulated in the RFP process, the AAA may negotiate and renew contracts annually with the providers selected through the RFP process for three additional one-year periods. The RFP for the Senior Meals Programs was completed in 2013. The RFP for the Senior Community Service Employment Program (SCSEP) was completed in 2014. For Fiscal Year 2015-2016, the required RFPs are for the Homemaker Program and the Elder Abuse Prevention and Ombudsman Programs. The funding amounts for the Senior Law and Health Promotion Programs are less than \$100,000; therefore they do not require a RFP.

The General Services Agency (GSA) assisted the AAA in preparing the RFP for the Homemaker Program. The County issued the notice of RFP on February 19, 2015, with the submission deadline of April 2, 2015. Only one proposal was received, from Catholic Charities of the Diocese of Stockton.

Approval to Award the Fiscal Year 2015-2016 Provider Contracts for the Older Americans Act (OAA) Homemaker Services, and the Elder Abuse Prevention and Ombudsman Programs; and Renew the Congregate Meals and Home-Delivered Meals Programs, Health Promotion, Senior Legal Services, and Senior Employment Program

An evaluation panel of Board members from the Commission on Aging and Area Agency on Aging staff reviewed the proposal. The Proposal was evaluated using the following criteria with the corresponding total number of available points in each category:

Evaluation Criteria	MAXIMUM POINTS
Proposer's Response	10
Qualifications	30
Effectiveness in meeting priority needs	10
Service Delivery	30
Proposed Budget	20
TOTAL POSSIBLE WEIGHT OR POINTS:	100

The panel agreed that Catholic Charities met the requirements for the Homemaker Program and proposed the contract be awarded to them.

Total Points Available	Evaluator #1	Evaluator #2	Evaluator #3
100	93	95	100

In reference to the Ombudsman Program and Elder Abuse Prevention programs, on March 5, 2015, GSA Purchasing recommended that a Request for Information (RFI) be performed to identify if any other entity, besides the current provider, Catholic Charities, met the State requirements and was interested in providing the required services to Stanislaus County. (Catholic Charities has been the only qualified organization that has ever responded to previous RFP's for these programs). To be considered for this grant, the State requires that the organization be certified by the State Ombudsman Office before submitting a formal proposal. Certification requirements include specific training and experience with the Ombudsman Program. On March 10, 2015, an RFI was issued with a submission date of March 25, 2015. Catholic Charities was the only agency that submitted the information that substantiated their certification and experience with this

program. It is of the opinion of both GSA Purchasing and AAA staff to recommend the renewal of the contract with Catholic Charities to continue to provide the services for the Ombudsman and Elder Abuse Prevention programs.

6.1.1 General Liability. Comprehensive general liability insurance covering bodily injury, personal injury, property damage, products and completed operations with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to any act or omission by Contractor under this Agreement or the general aggregate limit shall be twice the required occurrence limit.

6.1.2 Automobile Liability Insurance. If the Contractor or the Contractor's officers, employees, agents or representatives utilize a motor vehicle in performing any of the work or services under this Agreement, owned/non-owned automobile liability insurance providing combined single limits covering bodily injury, property damage and transportation related pollution liability with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence.

6.1.3 Workers' Compensation Insurance. Workers' Compensation insurance as required by the California Labor Code. In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of

the work of this Agreement.

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. The County, in its sole discretion, may waive the requirement to reduce or eliminate deductibles or self-insured retentions, in which case, the Contractor agrees that it will be responsible for and pay any self-insured retention or deductible and will pay any and all costs, losses, related investigations, claim administration and defense expenses related to or arising out of the Contractor's defense and indemnification obligations as set forth in this Agreement.

6.3 The Contractor shall obtain a specific endorsement to all required insurance policies, except Workers' Compensation insurance and Professional Liability insurance, if any, naming the County and its officers, officials and employees as additional insureds regarding: (a) liability arising from or in connection with the performance or omission to perform any term or condition of this Agreement by or on behalf of the Contractor, including the insured's general supervision of its subcontractors; (b) services, products and completed operations of the Contractor; (c) premises owned, occupied or used by the Contractor; and (d) automobiles owned, leased, hired or borrowed by the Contractor. For Workers' Compensation insurance, the insurance carrier shall agree to waive all rights of subrogation against the County and its officers, officials and employees for losses arising from the performance of or the omission to perform any term or condition of this Agreement by the Contractor.

6.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

6.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

6.8 Insurance shall be placed with California admitted insurers (licensed to do

business in California) with a current rating by Best's Key Rating Guide acceptable to the County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

6.9 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance, and with original endorsements, showing coverage required by this Agreement. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.10 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents or representatives.

7. Defense and Indemnification

7.1 To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by the Contractor or Contractor's officers, employees, agents or representatives and resulting in or attributable to personal injury, death, or damage or destruction to tangible or intangible property, including the loss of use; provided, however, such indemnification shall not extend to or cover loss, damage or expense arising from the sole negligence or willful misconduct of the County or its agents, officers and employees.

7.2 Contractor's obligation to defend, indemnify and hold the County and its agents, officers and employees harmless under the provisions of this paragraph is not limited to or restricted by any requirement in this Agreement for Contractor to procure and maintain a policy of insurance.

8. Status of Contractor

8.1 All acts of Contractor and its officers, employees, agents, representatives, and all others acting on behalf of Contractor relating to the performance of this Agreement, shall be performed as independent contractors and not as agents, officers or employees of County. Contractor, by virtue of this Agreement, has no authority to bind or incur any obligation on behalf of County. Except as expressly provided in this Agreement, Contractor has no authority or responsibility to exercise any rights or power vested in the County. No agent, officer or employee of the County is to be considered an employee of

Contractor is permitted to provide services to others during the same period service is provided to County under this Agreement. If necessary, Contractor has the responsibility for employing other persons or firms to assist Contractor in fulfilling the terms and obligations under this Agreement.

8.4 If in the performance of this Agreement any third persons are employed by Contractor, such persons shall be entirely and exclusively under the direction, supervision and control of Contractor. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the Contractor.

8.5 It is understood and agreed that as an independent Contractor and not an employee of County, the Contractor and the Contractor's officers, employees, agents or representatives do not have any entitlement as a County employee, and do not have the right to act on behalf of the County in any capacity whatsoever as an agent, or to bind the County to any obligation whatsoever.

8.6 It is further understood and agreed that Contractor must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of Contractor's assigned personnel under the terms and conditions of this Agreement.

8.7 As an independent Contractor, Contractor hereby indemnifies and holds County harmless from any and all claims that may be made against County based upon any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

the work of this Agreement.

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every

employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of the work of this Agreement.

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. 6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County.
