Dear David:

I am writing this letter in regards to the Business Alliance Council. Eight years ago when I was invited to serve on the Alliance Board, I was honored and then I was appointed to the Executive Board I was happy to be participating at such a high level. As you know I retired from the Turlock Chamber of Commerce on June 30, 2015, however I am working on an interim consulting basis for the next few months. This fall, my husband and I will relocate to Las Vegas. Due to the changes in my life I am turning in this letter of resignation effective immediately.

It has been a pleasure working with you, the Executive board and everyone on the Alliance board over the years. I want to thank you and Chairman Jeff Foster for giving me the opportunity to work with a great team of outstanding leaders in our community.

It has been important to the Turlock Chamber to be a partner with the Business Alliance and the City of Turlock and it is my hope that will continue. I am pleased that over the past eight years the Turlock Chamber has grown in the knowledge that we received by being a partner in the Alliance. I loved the opportunity twice of being part of the team that went to Washington D.C.

Thank you for your time and effort as the CEO in building this agency and bringing the mission to its potential of service to Stanislaus County, it has been a pleasure working with you for the past two years. I wish all the best as you serve this County.

Sincerely,
