Approval of the Transportation Development Act-Local Transportation Fund Claim for Fiscal Year 2015-2016 Other Purposes

DISCUSSION:

Local Transportation Funds (LTF) are derived from the one-fourth cent of the general sales tax collected statewide. The State Board of Equalization, based on sales tax collected in each county, returns the general sales tax revenue to each county's LTF. These funds are required to be used primarily for transit purposes. Funds remaining once transit needs have been met are available for local streets and roads, construction and maintenance. The Stanislaus Council of Governments (StanCOG) administers the distribution of these funds.

Local Transportation Funds are used to fund routine road and bridge maintenance and non-motorized projects. Prior to submittal, StanCOG requires that the Board of Supervisors take the following actions:

1. Approve the claim and its attachments.
2. Identify the dollar amount claimed for LTF (\$1,007,674).
3. Authorize the individual, by title, to submit the claim to StanCOG.

The Other Purposes funding of \$782,674 will be used for routine road and bridge maintenance.

Section 99233.3 of the Public Utilities Code requires that 2% of identified funds be used for non-motorized purposes. This amount is calculated from the base annual apportionment, as approved by the StanCOG Policy Board. Prior to the non-motorized calculation, the base apportionment is reduced by previously authorized amounts for TDA Administration and Planning. Two percent of the remaining allocation is then distributed to local agencies based on that agencies population percentage. At least half of the 2%, within a five-year period, must be used for bicycle improvements. StanCOG may hold funds in reserve for up to five years to accumulate sufficient funds for larger projects.

The total Non-motorized available funding is \$240,867, comprised of the Fiscal Year 2014-2015 Non-motorized supplemental funding of \$1,825, Fiscal Year 2015-2016 Non-motorized apportionment funding of \$80,074, and \$158,968 held in reserve by StanCOG from prior years. To utilize the non-motorized funding, the projects will include \$25,000 for the Lester at Main Sidewalk Project, and \$200,000 for a portion of the McHenry Avenue Bicycle Lane Project. The remaining \$15,867 will be held in reserve by StanCOG for future projects.

POLICY ISSUES:

This action is consistent with the Board's priorities of providing A Safe Community, A Healthy Community, and A Well Planned Infrastructure System. The accessing of these funds contributes to maintaining the County's road system in an acceptable and safe condition.
