BOARD OF SUPERVISORS

January 14, 2016

Jami Aggers, Stanislaus County Parks Director

Being a Stanislaus County Parks Commissioner has been a very rewarding and interesting position. The position allowed me to be active as a public servant and watch as many wonderful projects in the County became reality.

I have served for 15 years and now it is time for me to move on and resign from my Commissioner position.

From all over the county I have met so many kind and concerned people, many of which I now call my friends. I have seen many great projects started and completed by the county and ordinary citizen's full-filling many community visions and needs.

My favorite project was the Empire Park and Community Swimming Pool. This is a great example of what government and citizens can accomplish together for the good of children and adults.

I wish all my friends, county employees, Board of Supervisors and PAL the best for 2016 and beyond. Thank you to the County Parks Department for allowing me the opportunity to have many great memories.

Thank you
