SUBJECT:

Approval to Adopt a Resolution Certifying the Mileage in Stanislaus County's Maintained Mileage Road System

STAFF RECOMMENDATIONS:

1. Adopt a resolution certifying the mileage in Stanislaus County's maintained mileage road system to be 1,510.53 miles as of December 31, 2015.

DISCUSSION:

Section 2121 of the California Streets and Highways (S&H) Code provides that the County shall submit to the California Department of Transportation (Caltrans) an inventory of its maintained mileage each year. This inventory includes all additions and exclusions of its mileage of maintained county roads for the previous year. The previous maintained mileage report was adopted by the Board of Supervisors on March 31, 2015.

The main objective of this activity is to supply the necessary information for distribution of Highway Users Tax Account (HUTA) funds in accordance with Section 2104 of the S&H Code.

The total maintained mileage as of December 31, 2015 is 1,510.53 miles. This is a net decrease of 0.19 miles from the previously reported mileage of 1,510.72 miles as of December 31, 2014.

POLICY ISSUE:

Section 2121 of the S&H Code provides that each year, counties shall submit to Caltrans, the additions to and deletions from their total mileage of maintained county roads.

FISCAL IMPACT:

Maintained mileage is one of the components used in the distribution of HUTA funds. The Fiscal Year 2015-2016 HUTA allocation is \$11.1 million, which is used for general County roadway maintenance and as local funding match for road projects including, signals, bridges, reconstruction, and new road construction.

Approval to Adopt a Resolution Certifying the Mileage in Stanislaus County's Maintained Mileage Road System

BOARD OF SUPERVISORS' PRIORITY:

The recommended action is consistent with the Board's priorities of providing a Safe Community, and A Well Planned Infrastructure System by certifying maintained mileage, which is an integral part of Public Works' funding for road maintenance and repair through HUTA allocations.

STAFFING IMPACT:

Existing Public Works staff will continue to maintain Stanislaus County's road system.
