**THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS
AGENDA ITEM**

DEPT: General Services Agency
Urgent Routine

BOARD AGENDA #: *B-3

AGENDA DATE: September 27, 2016

CEO CONCURRENCE: *ph* 

4/5 Vote Required: Yes No

SUBJECT:

Approval to Declare Eighty-Three County Vehicles and Miscellaneous Equipment as Surplus and Authorize their Sale at Auction

STAFF RECOMMENDATIONS:

1. Declare the attached list of eight-three County vehicles and miscellaneous equipment as surplus and authorize these assets to be auctioned.
2. Direct the Auditor-Controller to deposit all receipts from the sale of these assets, net of General Services Agency - Fleet Services costs, into departmental accounts as appropriate to the fixed asset location of the asset.

DISCUSSION:

It is recommended that the Board approve the request to declare as surplus, the attached list (Attachment A) of County vehicles and miscellaneous equipment, and authorize their sale. The vehicles and equipment have outlived their useful life and no longer have value as County assets. Each vehicle has been reviewed and verified by the General Services Agency (GSA) Fleet Services Manager for inclusion in this list. Of the 83 vehicles and equipment being salvaged, 56 vehicles were replaced as part of the budgeting process between Fiscal Year 2014-2015 and Fiscal Year 2016-2017, 22 vehicles were replaced with vehicles rotated from within the department or reassigned from another department, and five vehicles and equipment will not be replaced.

County Ordinance 2.24.065 allows for the sale of surplus property with a residual value greater than one thousand dollars upon approval by the Board of Supervisors.

2.24.065 Sale of personal property.

The purchasing agent is authorized to sell, trade, trade in, lease, exchange, or otherwise dispose of any personal property belonging to the county which is deemed to be surplus and not required for public use by the county and which has a value of less than one thousand dollars per individual item without prior approval by the board of supervisors. Notwithstanding any other provision of this code, such disposition of surplus property may be made without securing bids or advertising. For disposition of personal property exceeding one thousand dollars per individual item, prior approval from the board of supervisors must be obtained. All proceeds from such sales shall be paid into the county treasury for the use of the county. (Ord. CS 475 §3, 1992).

Approval to Declare Eighty-Three County Vehicles and Miscellaneous Equipment as Surplus and Authorize their Sale at Auction

The attached list represents vehicles and equipment to be salvaged and sent to auction due to various issues related to age, condition, and emissions requirements. The GSA Fleet Manager has screened all vehicles, prior to inclusion on the list, for other uses within the County. Any vehicle determined to have a useful life, without extensive repairs, was reassigned to another department or Fleet Motor Pool. Continued use of County vehicles proposed for auction, without extensive repairs, could lead to additional public safety liability for the County.

Upon Board approval, the vehicles and equipment will be turned over to an auction company, which will sell them and return the net proceeds to the GSA - Fleet Services Division. GSA - Fleet Services staff time and expenses incurred in processing the vehicles and equipment will be deducted from the proceeds and deposited to 5021-18510-46000, prior to distribution of proceeds to departments.

POLICY ISSUE:

The Board of Supervisors must approve the disposal of any personal property belonging to the county, which is deemed to be surplus, is not required for public use by the county, and which has a value in excess of one thousand dollars, per individual item.

FISCAL IMPACT:

It is not known, at this time, what the proceeds of the auction will be. Based on previous sales of similar vehicles and equipment, proceeds are estimated to total \$116,200.

BOARD OF SUPERVISORS' PRIORITY:

The sale of poor condition vehicles and equipment is consistent with Board of Supervisors' priority of Efficient Delivery of Public Services. Funds generated by the sale of such equipment are returned to departmental budgets for use by departments.

STAFFING IMPACT:

Existing GSA - Fleet Services staff will transfer equipment to auction and complete associated paperwork.

CONTACT PERSON:

Keith D. Boggs, GSA Director/Purchasing Agent
Steven DeMass, GSA Fleet Manager
