**SUBJECT:**

Approval to Introduce and Waive the First Reading of an Ordinance to Amend Section 11.08.020 of the Stanislaus County Code Adding a No Parking Zone on Litt Road in the Modesto Area

---

**STAFF RECOMMENDATIONS:**

1. Introduce and Waive the First Reading of an Ordinance Amending Section 11.08.020 of the Stanislaus County Code, adding a No Parking Zone on Litt Road in the Modesto area.

**DISCUSSION:**

Throughout the year, the City of Modesto and Modesto Youth Soccer Association hold soccer tournaments at Mary Grogan Community Park. These events, which are generally held on weekends, have caused parking issues along Litt Road. In April of 2016, Public Works received a request from the City of Modesto and residents who live on Litt Road, just north of the park, to add a No Parking Zone on Litt Road.

North of Mary Grogan Community Park, Litt Road is a very narrow, unimproved roadway with little to no shoulder for parking. Consequently, vehicles that park on this segment of roadway are partially on the paved roadway, which results in restricted traffic movement. The roadway in this section does not safely accommodate vehicle parking.

To help alleviate this parking issue, the Department of Public Works staff recommends the installation of a No Parking Zone from the Modesto City Limits to 800 feet north on both sides of Litt Road.

The approval of is ordinance is exempt from the California Environmental Quality Act (CEQA) under section 15301(c).

**POLICY ISSUE:**

California Vehicle Code 22507 requires approval from the Board of Supervisors to change parking zones.

**FISCAL IMPACT:**

The City of Modesto will provide and install the required No Parking signs. There is no fiscal impact to the County associated with this item.

Approval to Introduce and Waive the First Reading of an Ordinance to Amend Section 11.08.020 of the Stanislaus County Code Adding a No Parking Zone on Litt Road in the Modesto Area

---

**BOARD OF SUPERVISORS' PRIORITY:**

The recommended action supports the Boards' priorities of A Safe Community and A Well Planned Infrastructure by eliminating parking on a narrow, unimproved roadway.

**STAFFING IMPACT:**

Existing Public Works staff will continue to monitor traffic in the Litt Road area.
