**SUBJECT:**

Approval to Declare Sheriff Vehicle 09-13 as Surplus and Authorize Donation of the K-9 Vehicle to the City of Winters

**STAFF RECOMMENDATIONS:**

1. Declare vehicle 09-13, a 2009 Ford Crown Victoria K-9 vehicle, as surplus.
2. Authorize the Sheriff to donate vehicle 09-13, a 2009 Ford Crown Victoria K-9 vehicle, to the City of Winters Police Department for use in their K-9 program.
3. Authorize the Purchasing Agent to sign the release of liability for vehicle 09-13.

**DISCUSSION:**

The City of Winters' Police Department reached out through the Western State Police Canine Association (WSPCA), looking for a K-9 vehicle. Winters lacks sufficient funding for their new K-9 program, but is wanting to get units back out onto the streets. The Sheriff's Department reviewed the request and approved the donation of one of its retired K-9 vehicles.

As of December 15, 2016, the Sheriff has one 2009 Ford Crown Victoria, vehicle 09-13, that is outfitted for K-9 use. Vehicle 09-13 was rotated out of service with the Sheriff's Department in Fiscal Year 2015-16. The General Services Agency (GSA) Fleet Manager has evaluated the vehicle and determined that it has reached its depreciated life.

**POLICY ISSUE:**

County Ordinance 2.24.065 requires that disposition of personal property valued over \$1,000 receive prior approval from the Board of Supervisors. County salvage policy allows for the donation of such property provided a public purpose is served and adherence to County Ordinance 2.24.065 is ensured.

**FISCAL IMPACT:**

Vehicle 09-13, a 2009 Ford Crown Victoria K-9 vehicle, has been utilized as a pool vehicle for the K-9 unit and has been rotated out of service due to its current mileage of 93,824 and GSA assessment that the vehicle has surpassed its depreciated life. The K-9 vehicle is now considered surplus and has an estimated auction value between \$1,000 - \$2,000; however, it would require an estimated \$538 in labor costs to remove the K-9 cage and specialty
