**SUBJECT:**

Approval to Adopt the Recommended Decision of the Nuisance Abatement Hearing Board Regarding the Cost Accounting to Abate the Nuisance at 1605 Seattle Street, Modesto, California

---

**STAFF RECOMMENDATIONS:**

1. Adopt the recommended decision of the Nuisance Abatement Hearing Board regarding the cost accounting to abate the nuisance at 1605 Seattle Street, Modesto, California, CE No. 15-0065, as set forth in Attachment 1.

**DISCUSSION:**

The Code Enforcement Unit (CEU) responds to complaints throughout the unincorporated area of Stanislaus County and attempts to gain voluntary compliance through education and personal contact with property owners and those persons responsible for creating nuisances. Compliance efforts include issuing Notice and Orders to Abate, conducting inspections, granting extension requests, issuing Administrative Civil Citations, recording Notices of Non-compliance with the Clerk-Recorder's Office, presenting cases before the Nuisance Abatement Hearing Board and the Board of Supervisors, obtaining inspection warrants, and conducting forced clean-ups.

On April 28, 2016, the Nuisance Abatement Hearing Board supported staff's recommendation to declare the property a nuisance and forwarded the matter to the Board of Supervisors recommending their approval. On May 24, 2016, the Board of Supervisors adopted the Hearing Board's Decision in Board Action No. 2016-262 and authorized a forced clean up at 1605 Seattle Street, Modesto, California. Following the Board's action, the Department of Environmental Resources obtained an abatement/inspection warrant, and in conjunction with County policy, contracted with CVE Demolition, Incorporated for the removal of the debris.

On January 26, 2017, the Nuisance Abatement Hearing Board supported staff's recommendation that the billing for the clean-up of the property was reasonable and to forward the matter to the Board of Supervisors for consideration (Attachment 1). By adopting the Hearing Board's Decision of Costs, the Board of Supervisors affirms the reasonableness of the billing. Once adopted, the Department of Environmental Resources accounting unit will bill the property owner. If payment is not received, the charges will be forwarded to the Treasurer/Tax Collector to be collected in a manner prescribed by County Code as a recorded lien by special assessment against the property. A detailed accounting of the billing is attached as Attachment AA.
