Please accept this letter as my formal notice of resignation from Hughson Fire Protection District, effective May 1st, 2017. The associations and experiences I've made during my tenure with this department and community here will truly be memorable for years to come. I've served on this department operationally or administratively since 2007. I've served the community of Hughson since 2004 when I came to this city as an EMT. This city grew to be my home and this community and department, my extended family. I will forever be grateful for all that I have learned while serving in the various capacities in this community.

At this point in my professional career, an opportunity to embark on a new path of leadership and responsibility has been offered to me and after careful consideration I have accepted. Although this move is a difficult one for my family and myself, I believe that it also the best opportunity for my family and I. As I am excited to begin as the Fire Chief of California City Fire Department on May 2nd, 2017 I do find sadness in saying goodbye to the Hughson Fire Protection District. I owe this department my full appreciation and gratitude. I would like to give an extra special thank you to Chief Berner who spent countless hours training me to be an effective Firefighter and Engineer from 2007-2012, which helped me form the foundation of my successful fire service career. I truly hope the efforts I made as a Board of Director had and continue to have a positive impact in this community. Thank you once again for the opportunity to serve and I will be forever grateful.

Respectfully,

Justin Vincent, M.S.
Fire Chief
