Dear Elizabeth,

For 70 years, the Society for disABILITIES has dedicated to improving the quality of life and self-sufficiency for people with disabilities in Stanislaus County. We operate the largest Loan Closet in our area, loaning adaptive, mobility and medical equipment to those in need. In addition, the Society offers recreational programs for people with disabilities, including winter ski, water ski, and bike camp, day on the farm, bowling, the annual Special Needs Ball, and golfing. We also offer sign language classes and are a resource and referral agency to the community. We like to emphasize the fact that we are independent; our funding and support comes solely from private sources. Without support from the community it is impossible to provide the much needed services to those with disabilities. We desperately need your help. Over 71,640 people in Stanislaus County have a disability.

We request for June 2017 to be proclaimed "Disability Awareness Month" in County of Stanislaus. Please see the enclosed information. In addition, we request that we be notified with the date and time at which the proclamation will take place so that we may have a representative in attendance to accept it. My contact information is listed below.

Our organization provides services and programs that are essential to individual good health, independence and well-being. If you have any questions, please feel free to contact me at 524-3536 or carolyn@societyfordisabilities.org

Sincerely,

Carolyn Teixeira Gomes
Director of Development
