**SUBJECT:**

Approval for the Sheriff to Accept an award of \$300,000 from the Boating Safety and Enforcement Financial Aid Program for Budget Year 2017-2018

---

**STAFF RECOMMENDATIONS:**

1. Authorize the Sheriff to accept the funding in the amount of \$300,000 from the California Department of Parks and Recreation, Division of Boating and Waterways.
2. Approve a formal resolution as required by the State to receive this grant.

**DISCUSSION:**

The California State Parks Division of Boating and Waterways (DBW), provides financial aid to local government agencies through its Boating Safety and Enforcement Financial Aid Program. On January 24, 2017 the Sheriff's Department received approval from the Board of Supervisors to apply for this funding. The Sheriff's Department anticipated receiving an award of up to \$150,000 at that time, however the final award was for \$300,000.

Upon approval of this item, The Sheriff's Department, will accept funds in the amount of \$300,000 from the State of California, Department of Boating and Waterways (DBW) Boating Safety and Enforcement Financial Aid Program. These funds will be used to offset costs related to overtime incurred from the Reservoirs Unit. Reservoir Unit deputies conduct enforcement with State and Local laws and regulations, supervision of organized on the water boating activities, and Search and Rescue Operations.

These additional funds are intended by the State to help mitigate costs that Counties incur patrolling boating and waterways in their local jurisdictions. The grant requires that the department use all of the Boat Tax Revenue received by the County for Boating and Waterways and only submit an application to the State for those costs that are in excess of the anticipated Boat Tax Receipts. For Budget Year 2017-2018, the Auditor's Office projects that the County will receive \$39,087 in Boat Tax Receipts and the Department anticipates spending in excess of \$1,003,646 for enforcement at the Reservoirs. This allows the County to claim at least \$964,559 in reimbursable expenses for the 2017-2018 Budget Year.

**POLICY ISSUE:**

The Sheriff has the responsibility to perform boating safety and enforcement patrol on the waterways of Stanislaus County. Section 663.7 of the Harbors and Navigation Code, as amended by section 6593 of the California Code of Regulations, established the Boating

Safety and Enforcement Financial Aid Program to provide State financial aid to local governmental agencies. Code requires that the application include a resolution adopted annually by the Board of Supervisors authorizing the County to participate in the program and certifying that the County will expend not less than an amount equal to 100 percent of the Boat Tax Revenue received for boating safety programs during the year.

**FISCAL IMPACT:**

Stanislaus County is accepting an award of \$300,000 from the Boating Safety and Enforcement Financial Aid Program for use in the 2017-2018 Budget Year and will apply the money to offset overtime costs in the Sheriff Operations budget associated with Boating Safety and Enforcement Activities. The County is expected to incur \$964,559 in reimbursable expenses during the 2017-2018 Budget Year, allowing the \$300,000 in funding to be fully utilized. This revenue will offset County General Fund Costs by \$300,000.
